

Shabat Study by Yada, October 13, 2023

Please Note: I have transcribed this to the best of my ability. Sound bites of parties speaking simultaneously and those inaudible to me have been deleted from the transcript. If I guessed at a word, it was followed by a ()? A ___ (blank line) indicates I could not understand the word or phrase and three periods ... indicate an interruption in the dialogue of one party by another. Thank you for your understanding. MK

0:00 And indeed, if you are a Jew you will need to be strong, and it is true if you are a Jew God gave this Land to you. Under the circumstances, I think it is important that I introduce myself and explain why I am addressing Israel. My name is Craig Winn. I am the author of 30 books under the title *Yada Yahowah*. Yada means to know, and Yahowah is God's one and only name. You will find these books free in their entirety YadaYah.com. You will also find a complete transcript of this program on the site under Resources.

0:54 Over the past two decades, I have served as an expert witness on the threat posed by Islamic terrorism, appearing on some 5,000 syndicated talk radio programs. Subsequently, I have produced another 5,000 radio programs and podcasts as a voice of reason on religion, politics, world events, in addition to speaking about my first love, the Towrah and Prophets.

1:26 My commitment to save Israel began twenty-two years ago on Taruw'ah, the Mow'ed that Jews have been bewildered into replacing with the Babylonian New Year, Rosh Hashanah. It was the 19th of September 2001, 8 days after America's comparatively tepid version of the Islamic terrorist attack on Israel of October 7th, 2023. Yahowah, the God of Abraham, Yitschaq, and Ya'aqob, the inspiration behind the *Towrah, Naby', wa Mizmowr* | Torah, Prophets, and Psalms, asked me to devote the rest of my life to saving Jews from themselves and from those who hate them.

2:25 On that day, I was asked to begin where we are today, dealing with Islam, the deadliest and most destructive religion ever conceived by man. That same year, I flew to Israel and arranged meetings with Islamic Jihad and al-Qaeda. Based upon what they told me, while holding guns to my head, I wrote *Tea with Terrorists: Who they Are, Why they Kill, and How to Stop Them*. Immediately thereafter, I wrote *Prophet of Doom – Islam's Terrorist Dogma in Muhammad's Own Words*. It is irrefutable. This is because I used the oldest and most respected Hadith, as they were arranged in the *Biography of Allah's Messenger* by Ibn Ishaq and the *History of*

Islam's Formation by 'al Tabari, to rearrange the jumbled mess of the Quran chronologically. In this way, I was able to set it into the context of Muhammad's putrid life.

3:36 *Prophet of Doom* is the best documented, most complete and comprehensive, contextual and chronological presentation of the Quran ever written. For having done so, I received thousands of death threats – not that it mattered, because I have protection vastly superior to the Iron Dome – Yahowah's mal'akym.

4:06 Some four years later, now 18 years ago, I received a promotion, and was allowed to leave the Islamic hell behind, at least until now. In the interim, I have composed 20 books based upon my translations of the Dead Sea Scrolls, 3 additional on the Masoretic text of Daniel and Ezekiel entitled *Babel*, which excoriate Judaism, and 4 more disproving the Christian New Testament by comparing its nonsense to the word of God as it appears in the Towrah and Prophets.

4:47 I am the only person in human history to have done these four things, not only writing the most effective explanation and denouncement of Islam but also volumes irrefutably disproving Christianity and Judaism, while at the same time providing copious validations for Yahowah's witness. There are thousands of profound insights found throughout *Yada Yahowah* which are presented for the first time in 2,500 years. By reading it, you will come to know God as He presented Himself to His people, Yisra'el!

5:36 I share this with you, Yisra'el and Yahuwdym | Jews, because your God, Yahowah, asked me to do this for you. He then made it possible for me to discern what I am going to convey to you. And He did so because He wants to save you from yourselves and from your religious and political enemies at this time where your very lives and existence is at stake. Indeed the very survival of Israel is hanging in the balance.

6:15 Although I do have one caveat. I am concerned over whether this message will resonate with a sufficient number of Israelis to save the nation. I've not slept in the last two days, and I am a little slow of mind and thick of tongue this evening. Perhaps that is a good thing since I share the latter with Yisra'el's most articulate orator, Moseh.

6:47 This time last week, I was doing what I do every day, 14 hours a day, when on Saturday morning, the 7th of October, 2023, before sunrise, my wife, who is Jewish, came into my study in tears. The first news of Muslims from Gaza breaching the

fence and killing Jews was just appearing on social and mainstream media. At the time, I was introducing Yahowah's depiction of Gaza and His disgust for the Palestinians. I had just written these words...

7:27 Of all the people cluttering this planet, the vile souls masquerading as Philistines while terrorizing Jews, are among my least favorite. The same is true with Yahowah – and He just so happens to be God.

7:45 **“Indeed** (*ky* – because), **Gaza** (*‘Azah* – the fierce and forsaken, the damned and destitute [the miniscule territory previously occupied by the Philistines and today by the so-called “Palestinians”]) **will be** (*hayah*) **abandoned and rejected** (*‘azab* – disassociated and deserted) **and** (*wa*) **Ashkelon** (*‘Ashqalown* – a pile of trash behind a gate of dung, speaking of worthless garbage and repulsive excrement [one of five cities previously occupied by the Philistines]) **will approach** (*la*) **an uninhabitable wasteland** (*shamamah* – an appalling ruin clothed in horror).

8:20 **Ashdod** (*‘Ashdowd* – those who deal treacherously and are violently destructive, cruelly assaulting others as devastating thieves; from *shadad* – to sadistically despoil and brutally ruin [one of five cities previously occupied by the Philistines and today by the Fakestinians]) **will be driven out and expelled** (*garash* – removed and banished) **by midday** (*ba ha tsahorym*) **while** (*wa*) **Ekron** (*‘Eqrown* – the uprooted, cut off, and plucked away [one of cities previously occupied by the Philistines]) **will be uprooted and tossed away** (*‘aqar* – will be pulled up by the roots, abandoned, and destroyed).” (*Tsephanyah* / Yahowah's Treasures are Stored Up for Another Time / Zephaniah 2:4)

9:03 The names of these places are sufficient to explain what God thinks of the sorry souls occupying Gaza: fierce and forsaken, the damned and destitute, abandoned and rejected, a pile of trash behind a gate of dung, worthless garbage and repulsive excrement, those who deal treacherously and are violently destructive, whose assaults are cruel, and whose thievery is devastating, sadistically despoiling while brutally ruinous. It seems to describe what happened a week ago tomorrow.

9:38 It could also serve as the byline and mission statement of HAMAS and the PLO, of Al-Qaeda or ISIS – or any Islamic terrorist organization born out of the Muslim Brotherhood and the Quran because they are all the same – including Hezbollah and Islamic Jihad. But rather than confiscating what does not belong to them, no matter how many heads they decapitate or suicide bombers who blow themselves to smithereens, no matter what name they have selected to obfuscate

their true nature, Yahowah is going to depopulate them, adorning them in the horror they inspired. They will be uprooted and tossed away.

10:32 When, you may ask. Mark your calendars because this will occur ten years from this date – just prior to Sukah in the 120th Yowbel – which is the Shabat of October 7th, 2033, as the sun sets one final time on the enemies of Yahowah, Yisra’el, and Yahuwdym. Yes, ten years from this day, at the beginning of *Sukah* | Camping Out with God rather than the conclusion of the Miqra’ in year 6000 Yah, the anguish will be over for a receptive remnant of Yisra’el. Yahowah is returning with your Messiah. His name is Dowd. You may have heard of him. He was King of a united Yisra’el and He and his Father are going to be celebrating the ultimate Family Reunion.

11:40 I was writing these words more disgusted by the leadership of this world than ever before. Yesterday evening as we considered Yahowah’s intent regarding Sukah on Yada Yah Radio, celebrating the 8th day of Camping Out with God, crazed militants from the Islamic terrorist organization HAMAS in Gaza were scheming with the theocrats in Iran to tear down the wall Israel had erected to keep them at bay. As the sun rose, bulldozers, which in saner hands are tasked with construction, were deployed by Muslims to destroy the high-tech fence protecting Jews from them.

12:23 Teenage boys, along with some in their twenties, even early thirties, armed with religious hatred and automatic weapons, invaded the Promised Land. Most were on foot and unguided while others lined up to enter Israel on motorcycles and in pickup trucks. The scene, captured in celebratory selfies, was chaotic and uncoordinated, uncivilized and noticeably evil.

12:56 With no one there from the IDF to interrupt their party or impede their progress, this death cult of marauding militants flooded in unabated and proceeded to savagely murder over 1,300 Jews in cold blood – a quarter of whom were kids attending a music festival. Forty children were beheaded. They wounded nearly 3,500 more, mostly in the streets and in their homes. The images were akin to the Pogroms throughout Europe nearly a century ago. Per capita, the carnage on this day was 6,000% worse for Israel’s seven million Jews than the surprise attacks on Pearl Harbor in 1941 or the World Trade Center suicide bombings in 2001 were for America – although this attack on this day was infinitely more personal and vicious.

14:10 And yet, rather than garner the world’s collective rage against a terrorist culture more inbred, pervasive, and inhuman than Al-Qaeda or ISIS, Boko Haram or

the PLO, Hezbollah or the Taliban, China, Russia, Turkey, Egypt, Saudi Arabia, and the European Union, called for an end to hostilities and for the imposition of the Two-State Solution. In particular, China's news release didn't even mention the horrors Hamas had perpetrated inside Israel and Russia's Putin had the audacity to compare holding these terrorists in Gaza accountable with the siege of Leningrad. Rewarding terrorism in this way would be akin to giving the Japanese Imperial Navy Hawaii as a reward for their surprise attack and then to appease Islamic Jihadists of 911 by offering them New York. It would be less sane than rewarding Hitler's growing aggression with Czechoslovakia, because at least Neville Chamberlain did so before the invasion of Poland, not after it. To call the approach heralded by Muslims and Progressives immoral and insane would be too kind.

16:02 The Fakestinians kidnapped 100 Jews, maybe more, mostly women and children. They beat some and raped others prior to hauling them back to their sewer of religious rage as if they were trophies. They would hold them as hostages, initially as human shields, which is standard operating procedure for these cowards who are famous for using their own women and children in this manner. But the premeditated intent of their human trafficking would be to trade the lives of the innocent people they had ruthlessly kidnapped for those of convicted terrorists. Should you be moral and rational, the events of this day served as proof that the creation of a "Palestinian" State would be suicidal – akin to reopening Auschwitz.

16:59 As such, may Yair Lapid always be remembered as the leader of the opposition against Yisra'el. Benjamin Netanyahu (who is guilty as well), Benny Gantz, Yoav Galant, Bezalel Smotrich, Itamar Ben-Gvir, Aryeh Deri, and Yitzhak Goldknopf, along with Herzi Halevi and David Barnea all have blood on their hands for prioritizing politics and their careers over Israeli lives – and for their inaction.

17:38 Along these lines, there are credible reports coming out of Israel that Netanyahu supported the ascension of HAMAS initially in Gaza as a check on the PLO and as a way to influence the Palestinian Authority. It may have been one of Bibi's scatterbrained projects that got out of control. If so, shame on him.

17:59 As painful as it is for me to accept and report, it appears that as a concession to the Haredi and religious factions of his coalition, Netanyahu ordered two of the three 800-soldier battalions assigned to protect the 50-to-60-kilometer border with Gaza to provide security for an Ultra-Orthodox Sukkot festival near the flashpoint town of Huwara. Located thirty miles north of Jerusalem, by highway in military

transport, it is an eight-hour drive to from Huwara to Be'eri – the epicenter of the violence.

18:51 This past Friday, the BBC, one of my least favorite journalism outfits, provided video evidence, unfortunately, that, religious Jews, after parading in the streets and deliberately antagonizing residents, tossing stones, and vandalizing shops and cars were confronted by rock-wielding Muslims and a Muslim boy was shot and killed. The IDF acknowledges that it used “riot dispersal means to defuse the confrontation” around the Sukkah festival in Huwara – confirming their presence. Some 60 Muslims were treated for teargas inhalation as the town was closed by the military on orders from the coalition.

19:36 This transfer of Israel’s defenses away from the Gaza border, left the 800 remaining IDF personnel vulnerable and overwhelmed – as was the case with the Jews living nearby. I’m not one for speculation, but I have investigated this story and have affirmed that there was a large Sukkot festival near Huwara, that these religious Jews provoked the local community, and that the IDF was there to protect the Ultra-Orthodox. This being the case, the IDF was out of position on October 7th because this day was observed outside Huwara as Sh’mini Atzeret and Simchat Torah – both of which are rabbinical corruptions of God’s Word. To the extent that the IDF was understaffed where it mattered most, Judaism contributed to the carnage which followed.

20:40 If true, and the story is readily validated, Bibi must go (he’s compromised), and along with him, the entire group of Haredi and Ultra-Orthodox MKs in his cabinet and coalition. That is not to pass blame. We all understand that they did not wield the knives that slit the children’s throats, they did not rape the girls at the music festival, nor did they carry captives back to Gaza as trophies, but they did kidnap the IDF at the most inappropriate time. Their lives took precedence over the 1,600 murdered, captured, and critically maimed along the Gaza border. Moreover, Netanyahu chose to leave them there, even as his administration discussed credible reports out of Gaza that it was about to erupt violently.

21:47 The Muslims called their terrorist assault on God’s people “Flood of Al-Aqsa,” unaware that Yahowah used “flood” to predict the caustic influence of their invasion 2,700 years ago in *Yasha ’yah* / Isaiah 17 and 18. In fact, it was after presenting these prophecies last year at this same time that I predicted the events of this day, specifically explaining how there would be too many rockets for the Iron Dome to intercept and too many jihadists crossing the border to contain. I even predicted that

they would infiltrate smaller border communities, where they would wreak havoc unopposed – with the IDF arriving with too little too late to protect Israeli captives. These predictions were all duly recorded last year in the books which comprise *Yada Yahowah* and in Yada Yah Radio programs.

22:54 Like almost everything that comes out of the mouths of Muslims, and the Progressives who coddle them, the truth was the opposite of their claims. But that did not stop the news media from parroting the lies of apartheid, occupation, and oppression as justification for beheading Jews. It was hard to watch as anti-Semites the world over applauded, and Muslims celebrated, all duped by the myths they have promoted. And yet, in reality, there is no such thing as a Palestinian – and there hasn't been for well over 2,300 years. Worse for the myth, even before the Philistines were exterminated by the Egyptians, Yisra'elites, Assyrians, Babylonians, and Greeks, they were known to be savage foreign invaders from Crete. They were so ruthless, so primitive, uncivilized, and cruel, even the empires which were built by slaves saw the Philistines as a liability. As a result, they annihilated them rather than enslaving them.

24:13 There is no occupation, at least not by Jews. To their detriment, and at the insistence of the Clinton Administration, Israel surrendered much of Judea and Samaria to the PLO, known today as the PA. Ignorant of that disaster, and how it had created a breeding ground for terrorists, at President George Bush's urging, Gaza was surrendered, literally abandoned, to be occupied by Israel's enemies. Those mistakes, along with the anticipation that the world would seek to destroy Israel's viability by continuing to encourage Islamic terrorists through the promotion of the "Two-State Solution," led to this day.

24:54 Believing that the regions they were "occupying," and which were devoid of Jews, needed to be liberated to create a State named after an extinct group of barbarian invaders, to whom none of them were related, fundamentalist Muslims terrorized the indigenous people of the Land. Even worse, they were led to believe that Al-Aqsa was an Islamic holy site worthy of their protection rather than an assault on their intelligence and the credibility of their religion. In reality, the Mosque and Dome are trophies to religious rage, barbarian invasions, and political ignorance. Islamic claims on the Temple Mount and Jerusalem are born out of the most insane and immoral moments in Muhammad's putrid life. For that story, I encourage you to read *Prophet of Doom – Islam's Terrorist Manifesto In Muhammad's Own Words*.

After all, the allure of the winged ass lives on and was manifest in the religious malfeasance of this day.

26:21 As the foremost expert on Islam's corrupting influence, I watched in horror as Muslim boys ran through the toppled fence into Israel with the express intent of raping, plundering, kidnapping, and killing Jews – the younger and more innocent and the older and feebler the better. The pictures that these savages shot on their cell phones showed that they were indoctrinated beyond hope, far more evil than Nazis, with no respect for life, indiscriminately victimizing women and children. It was a replay of what Muhammad and the first Muslims had done 1,400 years ago in Yathrib and in Khabar. Nothing had changed except some were on motor scooters rather than camels, and they wielded AK-47s and RPGs instead of swords. The result of each event in the life of Islam was a bloodbath.

27:38 The best and worst of what I witnessed this morning, October 7, 2023, was the complete failure of the IDF to stem the flood of jihadists. Some eight to sixteen agonizing hours after the breach, there was no one there to deflect the tide of terror – no one even to thwart the passage of captured Jews into Gaza. Not one of Israel's 48 serviceable Apache helicopter gunships, which should have arrived in five minutes, and which would have salvaged the day with minimal loss of Jewish life, were deployed.

28:22 As a result, Muslims massacred civilians in twenty communities and brutalized innocent Jews some fourteen miles into the narrow country over the course of three days. During their prolonged slaughter, the drama seemed to play out in slow motion without a coordinated national response as if the government was constipated.

28:48 And so, you may ask what good could come out of any of this? The answer is that as a result of the failure of the most revered institution in Israel to protect Jews, there will be a resulting degradation in confidence in a nation already torn apart by the rift between the secular and religious, the far left and far right, and by judicial reform in a country so at odds with itself, it cannot form a constitution. With this being Israel's new normal, a horrible nightmare destined to repeat itself over the next decade according to Yahowah's prophets, there is the hope that God's people – *Yahuwdym* | the Beloved of Yah – will stop relying upon their military, politicians, and above else their religion. Perhaps now, a remnant will return to Yahowah after what has been a very turbulent 3,800-year estrangement – with only fleeting moments of respect. I think that's long enough to stay apart.

30:19 Pertinent to this day, the religion that Jewish rabbis in Yathrib created 1,400 years ago by reciting Talmud stories to an illiterate Muhammad for profit, while they were bastardized by Allah's Messenger, this mass-murdering terrorist, rapist, and pedophile, to create the Quran. Without them, without the stories that the rabbis told out of the Babylonian Talmud 80% of the Quran vanishes, along with any semblance of its credibility. More incriminating still, when Muhammad claimed that the Babylonian Talmud stories the rabbis had recited to him came instead from Allah, and then he twisted them, took them out of the historical context to serve his lust for possessions and power, the rabbis mocked him and threatened to expose him. To prevent this, the psychopath Muhammad sought to silence them, which is when the Quran and Islam turned anti-Semitic. A thousand Jews in Yathrib were beheaded that day, the women raped, and the children were enslaved. Nicely played, rabbis.

31:44 Israel, you are at war with yourselves and with your God. This is largely because the religions that your ancestors created – Christianity, Judaism, and Islam – have made Jews vulnerable. It is also because you are unwilling to tell the truth about your enemy. But more on that in a moment.

32:11 What I shared with you at the beginning of the program bears repeating. Twenty-two years ago, on Taruw'ah, September 19th, 2001, just eight days after the Islamic suicide bombings of 09.11.01, I began serving Yahowah and His people by exposing and condemning their religious foes. At the time, there wasn't a single Jew who celebrated Yahowah's name or who had accepted the conditions of the Covenant. Little by little, that has begun to change, with 0 becoming 100, and 100 becoming 1,000 as we grow until a remnant of God's People witness Yahowah's return with Dowd, the Messiah and Savior, on *Yowm Kipurym* | the Day of Reconciliation in year 6000 Yah / 6:22 PM as the sun sets in Yaruwshalaim, October 2nd, 2033 – just ten years from now.

33:10 So, I ask God's People, will you be there on that day, celebrating life with Yahowah and your Messiah and King, *Dowd* | David? Or will you be among those appeasing Islam, tolerating Judaism, and relying upon Israeli intelligence and the IDF to save you from yourselves and from those who hate you?

33:35 Or, alternatively, Jews can continue to rely on the Mossad, Shin Bit, and IDF Intelligence Services. But to do so, you may want to ask how it was possible for reporters at the Wall Street Journal to detail the elaborate planning between Iran, Hezbollah, and HAMAS in the weeks preceding the attack when Israeli intelligence missed it. Now I know Israel is denying that that occurred, but I saw the video

evidence today. The Ayatollah himself was in Lebanon. In a speech there, he said that they had aided and abetted Hamas and would continue to do so, that they expected to use Hezbollah to go to war with Israel, and that they had supplied the weapons and guidance. How is it that Israelis managed to ignore the IRG and HAMAS social media posts on Friday afternoon, justifying the impending assault? I saw them. And then ask why it took half a day for the government of Israel and the IDF to respond, considering that the Muslims breached the most high-tech impediment ever devised at sunrise and then lingered there to take selfies.

35:10 It was reminiscent of *'Elyah* | Elijah sarcastically humiliating the constipated response of *Ba'al* | the Lord, suggesting that his inactivity was a result of him being indisposed. So as was the case then with the prophets of *Ba'al* and *'Asherah*, inquire: what has happened such that the most intellectually gifted people on Earth could be so easily deceived? This should not have happened, and the consequence was 1,600 precious lives, including those who were captives and critically injured.

36:01 Are you aware that Israel is playing a lose-lose game, one without any chance of success, at least the current way it's being handled? There are only bad options and ill-equipped leaders. This is a combination of two factors. First, Israelis are unwilling to explain or accept the truth about the myth of the "Palestinians" or why Muslims are committed to eradicating them. As such, they are flailing unsuccessfully at symptoms rather than the cause of the problem. They are trying to negotiate with people, but that should never occur, especially if you knew what motivated them. If you treat the symptoms the disease remains – and this one is not only lethal, but it was also specifically designed to target and kill Jews.

37:04 Secondly, the world is galvanized against Israel – mislabeling and condemning the grieving nation's every move, while upholding the lies promoted by their enemies, even rewarding the appalling behavior of the Islamic Terrorists. The fact is, Islam has made Muslims much more deceptive than Jews. No one lies better than they, and for this they have Muhammad to thank. The internet is ablaze with immoral and ignorant hypocrites playing the victim card. It is role reversal before a clueless audience.

37:53 While I'm sure that you don't want to hear it, it is the truth that there is no longer a viable option regarding Gaza. HAMAS is a symptom of a much larger, more ingrained and pervasive problem – Islam. Should you be ignorant of this reality, again read *Prophet of Doom*. It is free online in its entirety. My case against Islam is irrefutable because every page is upheld by the Islamic scriptures. I used Tabari's

historical portrait of Islam's formation and Ishaq's biography of Allah's Messenger, the earliest and most credible Islamic sources, to reorder the Quran chronologically and set it into the context of Muhammad's despicable life.

38:45 Know your enemy. Come to understand that what happened today occurred 1,400 years ago in Yathrib and again in Khabar. The terrorists of October 7th, 2023 were no different than Muhammad's gaggle of goons plundering the Jews of Arabia. According to the Quran, all good Muslims are terrorists. The proof, then and now, is ubiquitous and irrefutable. Denying this reality will lead to days far worse than today. And it will cloud the nation's judgment, such that its resources are squandered making a bad situation worse.

39:28 Therefore, even if the IDF could kill every HAMAS leader and all its militants, there would be ten more created for every martyr, perhaps 100. It is impossible to prevail against a religious ideology with bullets and bombs. I was the first to tell Americans this when George Bush decided to invade Afghanistan and Iraq and said for absolute certain that no matter how long America stays, it will have served to make a bad situation worse. The only way a bomb would make a difference in Gaza is if was nuclear and killed them all. But that's untenable. Not only would the radioactive fallout poison Israel, but the world's response to the deaths of two million people would be the strangulation of the nation.

40:31 Out of the ashes of Al-Qaeda ISIS emerged. They were worse. Then after the destruction of ISIS, Hezbollah gained strength such that they are now poised to bludgeon Israel. After the fall of HAMAS, another name will be chosen to represent a new, even more zealous assemblage of jihadists. Kill them all, and there will be all the more of them. It is the magic of religion and the nature of martyrdom.

41:05 Frankly, while HAMAS exists, they would rather rape, torture, and kill the captives than hand them over to Israel, making a rescue mission more costly and less productive than today's response to the invasion. It is already happening. Women are being paraded naked and bleeding in the streets, and soldiers are being beheaded after enduring the humiliation of being caged like animals. The depraved and irrational nature of your enemy makes it all but impossible to rescue them or to prevent this from recurring.

41:44 A population armed to the teeth and hoping to die for the glory of the faith cannot be occupied at an acceptable or sustainable price. And trading your people for convicted and imprisoned terrorists will have the same result as what Biden wrought on Israel a month ago when he exchanged Iranian terrorists and the promise

of some six billion dollars for a handful of American tourists. (To be fair, since the massacre, President Joe Biden has gone from rhetoric in opposition to Israel to its most articulate and impassioned supporter,) although I fear it is nothing but a Trojan horse, something I will address later in this program.

42:38 If Israel invades Gaza, it will trigger the second phase of the Iranian, Hezbollah, HAMAS, and Islamic Jihad plan, which is a far more massive aerial assault followed by one with a hundred times more militants, all better armed – flooding in from the north, east, south, and west. It will likely include Egyptians, Jordanians, Syrians, Saudi Arabians, Iranians, Iraqis, Lebanese, and Turkish Muslims. But if Israel does not invade Gaza, Israelis will cower in fear, knowing that this was the first of many such attacks and that their days are numbered, their lives are at risk. Lose-lose.

43:26 Informed and rational, I realize that the man who served as the “mastermind” behind the appalling events of October 7th is the most popular political and religious figure among the Fakestinians. I realize that the perpetrators of his hellish plot were all depraved civilians. When bloodied and beaten Jews were dragged through their streets, women and children gathered in great numbers and applauded. Everyone in Gaza is complicit in this crime which was perpetrated by their sons at the behest of their elected and very popular officials.

44:17 As a result, Israel is justified in no longer supplying the mass-murdering rapists, thieves, and pedophiles who perpetrated these heinous crimes with electricity, water, fuel, or food. It is also appropriate for Israel to raze their homes – just as they would the families of much less ruthless terrorists. But do so smartly. Promise to resupply these things just as soon as every captive is returned safely to Israel and every member of Hamas walks out into the open, no longer hiding among their women and children. Tell the Muslims that you will stop attacking Gaza when every Hamas jihadist and supporter – tens-of-thousands of them – moves out of the populated areas and into the open terrain that Jews abandoned in the north of the Gaza strip where they can fight as if they were men. Offer to engage them there, giving each martyr an express ticket to Allah’s virginal brothel. Win-win.

45:32 At the same time, Israel must fight the public perception war that it is losing badly. No matter the pain, the autopsy, crime scene photos and descriptions of every murdered and maimed Jew must be shown – all of them. Not with masks on them but completely raw. Not some of them but thousands of them. While this will be

astonishing and anguishing for friends and family, it must be done. It is the only way that their stolen lives will contribute to a better future for God's people.

46:30 I have and will continue to devote the rest of my life in support of Yahuw'dym and Yisra'el, while at the same time openly exposing and condemning the religions and political platitudes that would denigrate and destroy them – Islam, Christianity, and Judaism, as well as Progressives. Thirty books, 10,000 radio programs, and having endured thousands of death threats testify to my unwavering commitment – as does the 91st *Mizmowr* | Psalm.

47:15 Sadly, there isn't the leadership in Israel to do what must be done to survive. First, the lie of Palestine and Palestinians must be told. Then it must become illegal for anyone in Israel to use either title. It is the plague of Hadrian revisited. The myth of Palestine is the most destructive and deadly for Israel.

47:45 Second, Muhammad's absurd lie regarding his wild-ass flight to the non-existent Temple to meet with long-deceased Jews en route to the Islamic Heaven by way of its Hell must be told and repudiated. Since it was Muhammad's response to his Satanic Verses, the truth is so devastating to the Quran's credibility that it becomes suicidal for Muslims to persist in their claims. Both buildings were initially constructed as trophies, validating Allahu Akbar – that Allah was Greater than Yahowah. They emerged as the world was ravaged by the first Muslims – as they killed a third of the world's population from India to Africa. Both blights on the Temple Mount must be razed, with no trace of them left to inspire greater jihad. It should have been done in 1967. Learn and live.

48:52 Third, *Prophet of Doom* which I'm offering for free must become required reading for every Israeli. Consider it my gift to God's people – one inspired by the God of Abraham, Yitschaq, and Ya'aqob. Know the truth, tell the truth, and start responding rationally to the threat of the most lethal and anti-Semitic plague ever conceived before it's too late.

49:26 Fourth, to survive, the enemy within - Judaism - must be exposed and constrained. Yahowah hates it more than Islam, more even than Christianity's Plague of Death. Judaism has done more to impoverish Jews and separate them from their God than all other foes combined. Judaism is not just a parasite; it is on the cusp of killing the nation from within. Being Jewish is an ethnicity, not a religion. Seventy percent of Israelis know that I am right – although not to this extent because they are not as well informed.

50:11 Fifth, while people ought to be free to be stupid and to believe the abominable myths of Judaism, Christianity, Islam, Conspiracy, and Progressive ideology, they are not free to act on them to the detriment of Israel and Jews. To appreciate the nation's current plight, Israel needs to be cognizant of how their forefathers behaved during the Exodus and then become mindful of the examples set by Moseh, Shamuw'el, Dowd, Hezikiah, and Elijah. It is only when an enlightened and receptive, anti-religious remnant of Yisra'el returns to Yahowah and accepts the conditions of the Covenant that there will be peace in the Land. On this, we have Yahowah's promise, – and He has never been wrong nor failed to do as He has vowed.

51:08 Should you be among those interested in living forever in God's company, come to know Him as He is and not how the religious have slandered Him. Should you want to become part of His Family and inherit the universe, accept the five conditions of the Beryth. Should you want to be emancipated and enlightened, enriched and empowered, read *Yada Yahowah's* presentation of God's promises to you. If you want to be safe, accept *Dowd* | David as your Messiah and Savior. Consider these insights, and countless more, a gift of life and love to Yahuwdym. All 30 volumes are free at YadaYah.com.

51:56 Your other option is to reject this advice and continue as you have in the past, expecting a different result. Invade Gaza or not. Speak truthfully about the myths of Palestine or give them a State from which to terrorize you. Address the root cause of Islamic terrorism or remain in denial as they slit more throats. Believe the rabbis, and at least you'll be dressed for your own funeral.

52:25 For those who might rebuff my warning with an ad hominem assault, demeaning me by suggesting that it isn't realistic to declare war on a religion of 2 billion people, I would remind you that they declared war on you 1,400 years ago. There have been countless days like today and more to come if you don't face reality.

52:58 For those who would seek to appease Muslims with control over your Temple Mount, with these appalling trophies scarring the Jerusalem skyline, and with their own territories carved out of Israel, I would ask you to consider how well that approach has worked in the past. Oslo comes to mind as does the surrender of Gaza. Are there any among you who wants to be the next and last Neville Chamberlain?

53:30 Should you choose to reject my olive branch from God because I have dared criticize the cult of Judaism, ask yourselves why condemning the Jewish propensity to be religious is the dominant theme running throughout Yahowah's prophets. Why

has life been so degrading and dehumanizing for Jews if Judaism is beneficial? Why are the most religious also the least intelligent, least productive, and least willing to fight for Israel's survival? Why are they parasites? Was Israel comatose on this day because the rabbis added their own embellishment on top of the Miqra' of Sukah with a 9th day and then turned the Shabbat into the least productive and observant time of the week?

54:27 Israel, I have offered the best news possible, but not the worst – and unfortunately, it is inevitable. While Israel can and will be saved through another Hezekiah awakening, with the complete elimination of religion and the return to Yahowah, His Towrah, Miqra'ey, and Beryth – this reward is only for those willing to accept God's magnanimous offer. However, for those who choose to rebuff your religious enemies by continuing to use the weapons of war, I have very bad news.

55:11 Apart from another Hezekiah declaration on behalf of the Towrah and against religion, it is inevitable that Muslims will terrorize Israel as never before – far worse than was witnessed on October 7th, 2023. As a result of the choices and concessions Israel has made and will make, many at the insistence of the United States and Europe, the nation has become indefensible.

55:43 Whether it is next week or next year, over the next decade, according to Yahowah's prophets, particularly Yasha'yah, Israel will be overwhelmed by a flood of Islamic terrorists. Rather than 1,500 jihadists infiltrating the Promised Land, as was the case this week, next time with Iran's participation through Hezbollah, Islamic Jihad, Hamas, and its occupation of Iraq, Syria, and Lebanon, there will be between 100 and 1,000 times more Muslims being Muslims in their pursuit of Jews. And rather than 2,000 rockets initially and 20 hang-gliders, Israel should expect 200,000 rockets, missiles, and drones.

56:33 As I foretold a year ago, the Islamic terrorists surrounding Israel will deploy the same strategy. They will overwhelm the Iron Dome with a greater aerial assault than it was designed to handle, thereby raining fire into every Israeli city. Simultaneously, this coordinated force will overwhelm the smaller and more vulnerable communities with an onslaught of jihadists. And this time, they will invade with sufficient numbers and weapons to hold entire communities' hostage, leaving Israel with the impossible choice between capitulation or annihilation.

57:17 There is nothing the IDF can do to stop this from occurring. With its jets, tanks, and advanced weaponry, it is well-suited to prevail in the last war, as is the case with

most militaries. Should there be another Yom Kippur or Six-Day War against hostile nations and their militaries, they would prevail. But that is not the imminent danger.

57:43 Israel, October 7th, 2023, is your future and fate if you do not listen and respond appropriately. Iran now knows for certain that it can play the crazed jihadist card under the cover of fire from the sky. And as the IDF strategizes on how to stop the effects of a couple of thousand crude rockets, a few bulldozers, hang-gliders, and 1,500 jihadists on foot, bikes and in pickup trucks, Iran, flush with money and a bomb, is planning the final solution. At the very least, it will be a hundred-fold what God's people endured this past Sabbath. And worse than before, the government and IDF will be paralyzed as Jews are raped, plundered, and annihilated. Please don't let this happen to you.

58:41 No one loves Jews more than I, but like Yahowah, I know your history and, therefore, your propensity to choose poorly and antagonize the Almighty. And so, I have devoted my life to bringing you to your senses – to helping you return to Yahowah, His *Towrah* | Teaching and Guidance, His *Mow'edym* | Eternal Witnesses to the Restoring Testimony, and His *Beryth* | Covenant Family. It is time to embrace *Dowd* | David, Yahowah's Firstborn and your *Mashyach* | Messiah, *Melek* | King, and *Yasha'* | Savior, the *Zarowa'* | Sacrificial Lamb before his return on *Yowm Kipurym* | the Day of Reconciliations in the Yowbel year of 6000 Yah / sunset, October 2nd, 2033. The books on the shelf at YadaYah.com – *An Introduction to God*, *Yada Yahowah*, *Observations*, *Coming Home*, *Babel*, and *Questioning Paul*, in addition to *Prophet of Doom*, are available and free for this purpose.

59:56 That said, no one knows Islam or hates Islamic jihadists more than me. And this is because I understand Muhammad, Allah, the Quran, and Hadith better than any of those who are inspiring them to jihad. Awaking you and others to this reality is why I wrote *Prophet of Doom*. I know who they are, why they kill, and how to stop them, putting me in the unique position to offer you these insights that will save your country and life.

1:00:34 One last thought before we return to the testimony of the prophet, Zephaniah. I have witnessed the righteous rage Israel has brought upon Gaza. And I have no sympathy for the Muslims dying there. I watched as tens of thousands, including women and children, celebrated the terrorist acts their sons and fathers perpetrated on defenseless Jewish women and children. They are not innocent, and in this war of Islamic belligerents they are all civilians, as even children are given guns and taught to hate and kill. Nonetheless, the pictures of tears, fake and real, will

hasten the next phase of this war. Rather than ridding the world of Islamic terrorists, Israel is now manufacturing them in far greater numbers than they are eliminating.

1:01:27 This is what Yahowah had His prophet write about the enemy who lives in your midst – the Fakestinians...

1:01:39 “**Woe** (*howy* – alas this warning of impending doom) **to those who inhabit these places** (*yashab* – who have established their dwelling place and settled in them, occupying them), **those who are wickedly offensive, engaging in boisterous religious parades in the region along the sea** (*chebel ha yam* – the destructive belligerents along the anguishing seacoast), **you nation of Cretans and Philistines** (*gowy Karethy* – gentiles who cut a deadly and destructive covenant).

1:01:51 **The Word** (*dabar* – the message) **of Yahowah** (*Yahowah* – the proper pronunciation of YaHoWaH as ‘*elowah* – God instructed in His *Towrah* – Guidance regarding His *hayah* – existence and your *shalowm* – restoration) **is against you** (‘*al ‘atem*) **Kan’an** | **Canaan** (*Kan’an* – subjugated and humbled, brought down and subdued), **you in the land** (‘*erets*) **of the Palishty** | **the Philistines** (*Palishty* – fearsome terrorizing invaders whose name was usurped by the so-called Palestinians).

1:02:04 **I will destroy you** (*wa ‘abad ‘atah* – I will exterminate you, blotting you out so that you vanish) **such that there will be no inhabitants remaining** (*min ‘ayn yashab* – because it will be unoccupied).” (*Tsephanyah* / Yahowah’s Treasures are Stored Up for Another Time / Zephaniah 2:5)

1:02:15 It is such an odd thing. These worthless Islamic terrorists have fraudulently bequeathed upon themselves a name which is only known through Yahowah’s *Towrah*, *Naby*, *wa Mizmowr*. If God’s testimony is reliable, they are foreign invaders who have no claim to the land. But if Yahowah’s testimony is unreliable, there is no such thing as a Palestinian or Palestine – no matter how many morons they convince or how loudly they scream. The realization that this deceptive and delusional myth has been popularized to the point it has become universally accepted, demonstrates just how far mankind has fallen.

1:03:05 But let us be absolutely clear on this one point: God has not been deceived. He sees the so-called Palestinians for what they are: unproductive and belligerent, Satan-worshiping and anti-Semitic, foreign invaders and terrorists.

1:03:18 So, to make His home a safe and joyous place to live, He will eradicate these irritating pests. The fact is, Gaza is exactly as Yahowah chose words to describe it nearly three thousand years ago. But what it is today is not what it will be.

1:03:44 “**And (wa) the wickedly offensive governmental district which sponsored boisterous religious parades along the seacoast (*chebel ha yam* – the territory of destructive belligerents bordering along the expanse of the sea) shall become (*hayah*) beautiful pastures with meadows for shepherds to graze their sheep (*nawah karah ra’ah*) along with (wa) folds for their flocks (*gaderah tso’n*).** (2:6)

1:04:04 The land best known for irresponsible parents turning their children into terrorists will have a higher calling. It will be used to graze the sheep of Yahuwdah. The homes of terrorists shall be as barns for their animals...

1:04:16 **Then (wa) this region (*chebel*) shall be for (*hayah la*) the remnant (*sha’eryth* – the remaining descendants) of the house (*beyth* – of the family and household) of Yahuwdah (*Yahuwdah* – the Beloved of Yah who are Related to Yah), on which (*‘al hem*) they shall care for their sheep (*ra’ah* – working as shepherds) in the houses (*ba beyth*) of Ashkelon (*‘Ashqalown* – the pile of trash behind the gate of dung, the worthless garbage and repulsive stench) in which they shall lie down to rest in the evening (*rabats ba ha ‘ereb*).**

1:04:35 **For surely (*ky*), Yahowah (*Yahowah* – based upon *‘elowah’s* – God’s *towrah* – guidance on His *hayah* – existence), their God (*‘elohym hem*), will be mindful of them (*paqad hem* – will take them into account and will lead them), returning and restoring (*shuwv*) their possessions (*shabuwth hem* – their assets and fortunes after them having been captured, controlled, and oppressed, imprisoned in another country).” (*Tsephanyah* / Yahowah’s Treasures are Stored Up for Another Time / Zephaniah 2:7)**

1:04:55 They were and He did. In the greatest transformation in human history, Jews, or more correctly, Yahuwdym, rose out of the ashes of the Third Reich to live among the open pastures of the Promised Land. The Muslims who had sought to have them exterminated rather than allow them to return home, will be wiped off the face of the Earth.

1:05:12 There are so many reassuring truths reverberating throughout this prophecy, let’s consider a few. First, there is no room for Replacement Theology. Yahuwdym

are Yahowah's Beloved. Yahowah remains mindful of the Chosen People and has not switched His loyalties toward gentile Christians or Muslims.

1:05:37 God made a promise to 'Abraham and He's going to keep it. This is the fulfillment of the vow to restore the Covenant. The Father and His Son are returning to protect their Family – Yahuwdah! This reunion will occur on *Yowm Kipurym* | the Day of Reconciliations.

1:06:02 Second, to express genuine love we must follow God's example and appreciate those who, what, why, and how learn to hate. Yes, you heard that correctly. To express genuine love, we must follow God's example and come to understand who, what, why and how to hate. Protecting those we love necessitates learning to use our minds and words to thwart their most lethal and imminent threats. It is essential that we hate terrorists, pedophiles, the kind of ideology that would motivate men to slit little children's throats.

1:06:36 And third, Yahowah's witness can be trusted expressly because it is filled with powerful and wide-ranging prophecies such as this. Citing historical records known only to God at the time, He predicted that those who had once harassed His people would reappear out of an ether of lies to terrorize them once again.

1:07:16 He foretold that the race known as Jews would be held in captivity, and yet that they would return to a land fraught with peril. He predicted that the rotting rubbish in Gaza would need to be terraformed to be habitable. He even predicted that the realm of the so-called Palestinians would be known as a "governmental district," that the people living there would have a propensity for "marching in boisterous religious parades," and that their stated issue with Yisra'el would be over their "borders." God was right.

1:07:57 Yahowah stored this insightful treasure up for His children to find long ago. It not only breaks my heart that they have neglected it, but that the words He chose are so loving, so tender, so joyful, so compelling, even compassionate and reassuring. I'm a gowy, albeit grafted into Yisra'el, and I'm moved to tears. What about those of you for whom this promise was made, for those whom this Land was given?

1:08:36 As the one Yahowah has called to contribute to His *Nes* | a Banner for the last days to call Yisra'el home, which God will raise on Israel's behalf, to save your soul and those you love, open your eyes and your mind and consider...

1:08:57 “**All of** (*kol* – the entirety of) **you who inhabit** (*yashab* – those who live upon) **this perverted Earth** (*tebel* – the habitable parts of the confused world which is in the process of destroying itself; from *ta’* and *bel* – the chamber of the Lord), **and also** (*wa*) **those who remain and dwell in** (*shakan* – who abide, having settled in) **the Land** (*‘erets* – the region or material realm (a metaphor for Yisra’el)), **when** (*ka* – accordingly and as soon as, even by association and simultaneously when) **the Nes | Sign and Banner, the means to effectively gain the people’s attention, to communicate with them such that all can be rallied to the point of action, drawing them together so that they engage in a productive manner, all by conveying important information conspicuously within the community** (*nes* – sign and banner; from *neses* – to raise) **is lifted up** (*nasa’* – is raised and respected, is picked up and accepted (scribed using the qal infinitive construct which serves as a verbal noun to literally and emphatically demonstrate God’s intent)) **and shown on high from above** (*harym* – appearing above all, upon the mount and mountains, from *harar* – to emerge, appear, loom, show, and reveal from up above), **its purpose will be for you all to become perceptive** (*ra’ah* – its intent will be to provide insights and understanding for all of you who literally and continually observe and consider the witness, gaining a perspective by paying attention so as to understand (scribed in the qal stem, imperfect conjugation, and jussive mood – a third-person expression of volition (and thus addressing the purpose of the *nes*) for all of those who are genuinely observant with benefits unfolding over time)).

1:09:41 **And also** (*wa*) **when** (*ka* – accordingly as soon as, by association and simultaneously as) **the Showphar** (*showphar* – trumpet comprised of a ram’s horn used for signaling which is symbolic of the purpose of *Yowm Taruw’ah* – issuing a warning about opposing Yah while conveying the benefits of Yah’s offering; from *shaphar* – to be bright, pleasing, and beautiful) **sounds** (*taqa’* – is blown, conveying the signal by making a blast encouraging listeners to join together, to make a pledge, and then depart (the qal infinitive intensifies the importance of this action using a particularly descriptive verbal noun)), **listen** (*shama’* – consistently, actually, continually, and genuinely hear the sound, receive the message, and pay attention to the invitation and summons (qal imperfect))!” (*Yasha’yah* / Salvation is from Yahowah / Isaiah 18:3)

1:09:56 The 17th and 18th chapters of *Yahsha’yah* | Isaiah speak specifically of what happened this week and what going to happen over the next ten years.

1:10:03 This message is being addressed to Yahowah's people, designating them by where they have settled. It is for every Yisra'elite living anywhere in the corrupt world of man. *Tebel* speaks of the "inhabited places of the Earth which are confused and perverted." As a compound of *ta'* and *bel*, it is the "Lord's realm" – and as we have learned, *Ba'al* | Lord is Satan's name and title.

1:10:34 This message is for those who remain and dwell in the Land, and thus for those who have survived the Islamic tsunami into Yisra'el. This distinction is important because the most estranged are being called home to Yisra'el, while those already in the Promised Land are being called to God's Home, and thus into the Covenant. More to the point: those living in Yisra'el need to accommodate and accept the massive influx of Yahuwdym that will be arriving from the United States and the rest of the world. The population of Yisra'el may double by 2030 if the message on the *Nes* | Sign is heeded.

1:11:22 As we have already discovered, a time is coming when Yahowah is going to lift up and prominently display a *Nes* Sign and Banner to accomplish this very thing. His plan was detailed earlier in *Yasha'yah* | Isaiah throughout the 11th chapter, as was my calling on your behalf. And so now you will find the words depicted upon this *Nes* may be among those written throughout *Yada Yahowah, An Introduction to God, Observations, and Coming Home, even Bable, Questioning Paul, and Prophet of Doom,*

1:12:04 I take comfort in knowing that every word found therein represents a devoted and honest attempt to accurately and comprehensively translate Yahowah's words and then comment on them in a manner designed to convey insights and encourage thoughtful contemplation. Furthermore, Yahowah wants the individual translating and compiling the *Nes* to be *yada'* | known such that His people *ra'ah* | look at and pay attention to what he has written for their benefit. The *Nes* is Yahowah's, making it consistent with the message of Moseh, Shamuw'el, Dowd, and Yasha'yah.

1:12:55 Based upon Yah's propensity to work through men rather than dictate to them, His *Choter* has risen to this occasion and is scribing God's message as a useful tool. The *Nes* | Sign he is composing is based entirely on Yahowah's prophetic testimony. The conclusions and insights are from the Towrah, Naby', wa Mizmowr. With the help of Yahowah's Seven Spirits, the Ruwach of Yahowah, this report is essential for God's people at this time. *Yada'* was called and has been prepared for this moment and mission. It is why there are three *Zarowa'* – Moseh to convey

Yahowah's message to mankind, Dowd to live it and to enable it, and Yada to bring Yahuwdah and Yisra'el back to it.

1:13:56 Israel is enduring the opening salvo of the Zephaniah and Isaiah prophecies – not because God ordained it, but because He wanted His people to be aware and prepared for the consequence of marauding Muslims. The fight is now for the nation's survival and, yet it seems to be stupefying and paralyzing those who remain unaware of Yahowah's warning and promise, even His name. This is not without precedent. Over the long history of Yisra'el, some 3,500 (3,800)? years of Jews being belligerently antagonistic toward God, the overtly religious and secular have become traitorous and have turned against their own people. The shrill voices of the repulsive Progressive Jews in America condemning Israel while praising the Fakestinians is the most ignorant, immoral, and utterly insane diatribe I can recall. I am certain that both Dowd and Yahowah are committed to holding them accountable for the grievous harm they have done to those He loves. And now, while initially hiding in their parasitic hovels, the Haredim have come out of their dens waving Palestinian flags. As stupid as they are, perhaps it is nothing more than the black stripe coordinates with their morbid outfits. Perhaps they worship the same god. Maybe, stupid likes company.

1:15:40 Fortunately, there is a better option. It is for this day of soul-searching and death when the very survival of Israel is at stake and on trial, when most of the world has turned against Jews, and in the face of darker and deadlier days to come, that Yahowah has brought forth this beacon of light, His Herald, to show the way home – to life with Yahowah.

1:16:12 God's timing, of course, has been perfect, as has been His execution of this plan. Twenty-two years ago, as I have shared with you, He asked me to begin by exposing and condemning Islam. As a result of that long journey into the darkness of the Islamic Hell, I am now the only person on the planet who can speak with knowledge and unshakable authority against the curse which is currently plaguing God's people. I understand why good Muslims are mass murderers, pedophiles, rapists, and thieves devoted to terrorizing Jews while confiscating Israel. As a direct result of Yahowah having me begin by experiencing *Tea with Terrorists* and composing *Prophet of Doom* in the most rational manner possible, I am the only person today with the ability, authority, and courage to save Jews from Muslims by telling the truth. This should not be surprising because this is how Yahowah prefers to communicate with His people.

1:17:27 Immediately thereafter, as I was inspired to translate Yahowah's testimony from the oldest extant sources, becoming unique in this regard – or *qodesh* | set apart in God's parlance. In the process, I became the first in well over two millennia to properly convey the pronunciation of Yahowah's name. I not only came to understand and share the five conditions of the Covenant along with the Family's five benefits, but I was also able to explain how they were enabled through God's seven annual Invitations to be Called Out and Meet. From there, I reestablished Yahowah's timeline from the Garden to His return so that His people would know where they had been, where they were going, and when it would occur. Along the way, I saw the obvious – the most prominent theme in the Towrah and among the Prophets – Yahowah's disdain for Yisra'el's propensity to be religious.

1:18:36 Shortly thereafter, I wrote *Questioning Paul*, proving emphatically and irrefutably that the Christian New Testament isn't just a fable akin to the myths of Odysseus and Dionysus, but that its every word is in conflict with Yahowah's testimony. More importantly, especially for Jews, I have subsequently proven that Peter and Paul plundered the accolades and accomplishments of *Dowd* | David to create the myth of Jesus Christ. This is where the diabolical plague of Replacement Theology began.

1:19:09 Seven years ago, I was introduced to an exceptionally inspiring Yahuwd fulfilling the intent of Chawah, even Sarah, Leah, and Ruth in my life. As we sailed away from America some five years ago, and to a writer's paradise in the middle of the Caribbean Sea, she insisted that we rebrand and rewrite every book, such that they focus entirely on the awakening and restoration of Yisra'el and Yahuwdym. The result of three years of retranslating and rewriting has led to what you see on the bookshelf at www.YadaYah.com. The books, and the revised website, with all of its wealth of information, has become a shining beacon in a dark world – Yahowah's *Nes* | Sign.

1:20:06 And be very certain of this - I'm asking nothing from you. I do not take donations. I want absolutely nothing other than your attention and the hope that you will read what Yahowah has to say and then consider it and respond. Your choice is completely up to you and to Him.

1:20:29 As if a character in the final act of God's story, when returning to complete the third volume of *Coming Home*, I was led to the greatest discovery of my life – of any life since Moseh. From the Mizmowr, I came to understand why Dowd volunteered to serve as the Passover Lamb on behalf of his Father. I saw it also from

Yahowah's perspective and came to appreciate why He accepted and supported His Son's decision. Thereafter, I repositioned the Mizmowr | Psalms so that they reflected the reason they were written, with Dowd starring as the Chosen One, God's Firstborn Son, the anointed Messiah and King, who was also our Savior as the *Zarowa* | Sacrificial Lamb. I explained how the 22nd Mizmowr was written in first person to prophetically present the ordeal Dowd would endure of crucifixion as the *Pesach 'Ayil* | Passover Lamb. And then I came to understand through the Mizmowr, especially the 88th and 89th, how our guilt was laden upon Dowd's soul on the '*etsem qodesh chag miqra*' of *Matsah* | UnYeasted Bread, and carried into She'owl, where it was deposited, never to be seen again. Dowd would become the Firstborn of Yahowah when celebrating *Bikuwrym* | Firstborn Children. Seven Shabats thereafter, *Shabuw'ah* | the Promise of Seven, was fulfilled as Dowd became the first to be magnificently enriched and empowered, enlightened and emancipated by Yahowah.

1:22:24 Yes, I was called by Yahowah on *Taruw'ah* | Trumpets 22 years ago for this mission that I am fulfilling as the Messiah's and *Zarowa*'s Herald, trumpeting his return on *Yowm Kipurym* | the Day of reconciliations in the Yowbel year of 6000 Yah / the first day of a new week as the sun finally sets on the religious and political chaos of man, 6:22 PM, October 2nd, 2033. Perhaps for the first time in your life, what you are hearing / reading is *tsadaq* | right.

1:23:03 In possession of this great treasure, I wanted to share it, so in January of this year, 2023, I set out once again to edit all 30 books I had written for the benefit of Yisra'el and Yahuwdym. They would all proclaim the news: Dowd is God's Firstborn, the Messiah and King who came to serve as the Passover Lamb and is returning to enable the Day of Reconciliations by anointing the *Kaporeth* | Mercy Seat of the Ark of the Covenant.

1:23:33 Eight months into this final comprehensive rewrite of Yahowah's *Nes*, having rewritten the three volumes of *Coming Home*, the newly added books on *Babel* excoriating Judaism, all three volumes of *An Introduction to God*, eight books of *Yada Yahowah*, it was halfway through the fifth volume of *Observations* that I found myself retranslating Yahowah's most poignant prophetic remarks regarding the ultimate destruction of Gaza. It was Shabat, October 7th, 2023.

1:24:15 And there I was, the one person prepared by Yahowah to tell the entire story of this day to God's people. It had all led to this moment. I knew what Yisra'el, and the world needed to hear – knowing that it would be the antithesis of what everyone else would be saying. Yahowah had devoted the entire 11th chapter of *Yasha'yah* |

Isaiah to the appointment and empowerment of His *Choter* | Secondary Branch and sucker off the fallen stump that had been Yisra'el, so that Yada would become known and deployable at this time.

1:25:00 Unique among men, as is God's custom, like Moseh before him, the Choter would be well versed on the enemy opposing God's people. He would also be a reflection of Dowd, a passionate and articulate, intellectually astute and courageous student of the Towrah who fell in love with its author, Yahowah. The Choter would partner with these great *Zarowa'* by sowing their seeds such that they would take root and grow at this time, producing a productive harvest of saved souls.

1:25:39 While I have never seen myself in the company of these great men, other than as their beneficiary, with the unprecedented benefit of Yahowah's Seven Spirits, even the lowliest of branches can bear abundant fruit. This is why Yahowah inspired Solomon to speak of the *Nakry* | Observant Foreigner during the dedication of Yahowah's Home atop Mount *Mowryah* | Revere Yahowah |Moriah. This is God's plan, it is being fulfilled as He foretold, and He was not shy about telling His people about this.

1:26:14 Now as I share what comes next, I want you to know that the broadcast portion of this program will end in about a minute but we will continue to record and the entire Archive of this program will be available for you to listen in its entirety. 95% of the listens to this program are of the archive as it is posted all over the Internet.

1:26:41 Should you want to become more familiar with how we – you and I – came to this place at Yahowah's direction, please consider the *Why You, Why Me* chapter in the opening volume of *An Introduction to God – Dabarym* | Words. Or alternatively, if your preference is to discount the many hundreds of prophecies pertaining to Yada serving as Dowd's Herald and Yahowah's Witness to Yisra'el at this time, I invite you to make an informed decision, which can only be done by reading the *Yada Yahowah* series. If you can disprove its findings, most all of them, using evidence and reason and without resorting to either contradictory citations from the rabbis or ad hominem attacks, then you'll prove yourself smarter than God and worthy of this moment. If not, and if your mind is open, you'll benefit from what you read.

1:27:48 Should you be neither overtly religious or moronically progressive, open both to God and to reason, then you will find the means to survive and thrive – even

among the loud drone of religious rhetoric and political platitudes. It is your choice, your time, your soul.

1:28:10 As everything appears to be disintegrating around you, Israel, and as the world turns against you, this is actually your greatest opportunity. And while I am the Herald of this message, not its subject, over the years I have come to realize that Yahowah has deployed two mighty *Zarowa'*, Moseh and Dowd, and a considerably lesser one, Yada – who is nonetheless vocal about his predecessors. Moseh and Dowd are the most important individuals in Yahowah's interaction with humankind. And it was when striving to appreciate all the title *Zarowa'* represents that I was led to the prophecy which is particularly pertinent today. It provides yet another installment of God's announcement regarding His final Witness.

1:29:03 What follows is *Shalomoh's* | Solomon's commencement address to the Children of Yisra'el upon the completion of Yahowah's Home, more commonly known as the "First Temple." In the midst of the preeminent Sermon on the Mount, Solomon, after speaking of his father, Dowd, foretold...

1:29:33 **"So therefore** (*wa gam* – also and in addition), **regarding someone else, the observant and discerning foreigner from a different ethnicity and geographic location who will come to understand** (*ha nakry* – someone from a different place and culture, speaking a different language, who, having paid attention will comprehend and respond; from *nakar* – someone who, by being attentive and astute will come to be acquainted, recognize, and acknowledge something which deserves our highest regard and respect), **who, to show the way to the benefits of the relationship** (*'asher* – who, to reveal the correct and restrictive path to walk to get the most out of life) **is not of your people** (*lo' min 'am 'atah*), **this Yisra'el** (*Yisra'el huw'*), **he will come** (*wa bow'* – he will arrive and enter the scene) **from a distant country in a distant time** (*min 'erets rachowq* – out of a land a great distance from Yisra'el and following a long interval of time) **for the express purpose of being a witness and providing answers regarding** (*lama'an* – for the sake of responding and replying to, providing testimony as a witness with the express intent and purpose of revealing) **Your** (*'atah* – Yahowah's) **surprisingly important** (*ha gadowl* – tremendously empowering and distinguished, growth-promoting and magnifying, and astonishingly great) **name** (*shem* – personal and proper designation, renown, and reputation), **the influence of Your Hand** (*wa yad 'atah* – Your ability to accomplish the mission, especially Your *yad*, the first letter in Your name, which pictographically displays an open hand reaching down and out, defines Your role in

our lives, denoting Your ability to engage and accomplish the task at hand), **along with the *Chazaq* | Powerful and Passionate Individual who is Prepared to Lead** (*ha chazaq* – the very strong and influential person with a fighting spirit who is ready and able to protect his people from those who would otherwise seek to harm them, the one who is intensely prepared and resolutely capable of encouraging, repairing, and defending his extended family, the one who embodies the right character, appropriate status, and speaking ability to govern appropriately with a firm and strong hand who clearly knows how to lead in the proper direction) **as (wa) the *Zarowa*' | Protective Shepherd and Sacrificial Lamb** (*zarowa' huw'* – the prevailing and effective nature, the strength, resolve, and overall ability of this remarkably important and impactful individual of action who, as a leader and fighter is engaged as a shepherd among his sheep, who is fruitful in his ways, accomplishing the mission, especially when sowing the seeds of truth while denoting and advancing the purpose of the arm of God, of His shepherd and sacrificial lamb) **whom You have extended** (*'atah ha natah* – through whom You have stretched and reached out).

1:30:25 **When (wa) he arrives on the scene and chooses to pursue this** (*bow'* – when he comes, bearing these associations, wanting to clarify the proper direction toward the ultimate goal which is to enter and be included (qal perfect consecutive – literally and genuinely, during this moment in time, and of his own volition)), **then (wa) he will help interested parties reconcile their relationship by providing those who exercise good judgment with the information and justifications needed to make a correct and reasoned decision** (*palal* – he will intervene in the relationship by providing an accurate assessment, enabling thoughtful individuals to come to an agreement, and by foreseeing future events he will provide persuasive arguments which are assured to deliver the expected results) **regarding this familial relationship** (*'el ha beyth ha zeh* – pertaining to and concerning God's home and family). (*Dabarym ha Yowmym* / Words of the Days / 2nd Chronicles 6:32)

1:30:45 **When you hear it out of the heavens, coming from the atmosphere** (*wa 'atah shama' min ha shamaym* – listen to what comes out of the spiritual realm by way of the sky (from radio waves and especially satellite-based broadband internet connections, perhaps)) **within the location where you live** (*min makown yashab 'atah* – within the place you are located and dwell), **then (wa) engage and act accordingly, doing everything** (*'asah ka kol* – under the auspices of freewill, endeavor to expend the considerable effort required to receive all the benefits, doing everything consistent with the example and pattern he has set (qal perfect

consecutive)) **which, to show the way** (*‘asher* – that, to reveal the proper path to get the most out of life and receive the benefits associated with the relationship), **the Nakry | Observant Foreigner from a different ethnicity and geographic location who understands** (*ha nakry* – this man from a different place and culture, speaking a different language who is uniquely discerning) **has invited you to read** (*qara’ ‘el ‘atah* – has proclaimed and offered to you about God, has recited to you, summoning you to it, calling you out to meet with and be welcomed by God (qal imperfect)), **for the express purpose of being a witness, who provides answers such that** (*lama’an* – for the sake of responding, providing testimony with the express intent and purpose of revelation such that) **all peoples of the Earth** (*kol ‘am ha ‘erets* – everyone, every family and nation of the material realm) **will have a genuine and ongoing opportunity to become familiar with Yada’, to know, acknowledge, accept, and understand** (*yada’* – will be shown and find, becoming aware of Yada’ and familiar with as a result of the revelation and have the means to comprehend (qal imperfect)) **Your name** (*‘eth shem ‘atah* – therefore, Your proper designation and actual reputation), **coming to respect and revere You** (*wa la yare’ ‘eth ‘atah* – once revitalized, approach Your awesome nature) **simultaneously along with** (*ka* – concurrently with) **Your people** (*‘am ‘atah*), **Yisra’el** (*Yisra’el* – Individuals who Struggle and Wrestle or Engage and Endure with God).

1:31:40 **And also, so that** (*wa la*) **they may know** (*yada’* – they might acknowledge, accept, and understand) **that, truthfully** (*ky* – assuredly), **Your family and this house** (*‘al ha beyth ha zeh* – that Your home), **which to reveal the correct path to walk to give life meaning that** (*‘asher* – to show the way to benefit from the relationship) **I have built for the family** (*banah* – I [Shalomoh] have constructed for the generations, for the son and the son’s son), **are designated and called** (*qara’* – is summoned and received, proclaimed and appointed, and especially called out and welcomed) **by Your name** (*shem ‘atah* – by Your proper designation, Your reputation and renown).” (*Dabarym ha Yowmym / Words of the Days / 2nd Chronicles 6:33*)

1:32:05 I did not ask Yahowah to draw your attention to *Yada Yahowah*, only to help me write it correctly for your benefit. And yet, I would be doing God and His people a disservice to disavow these prophetic pronouncements – especially at this time in the life of the floundering and besieged nation.

1:32:33 Yahowah wants Yisra’el to listen to Him and to come home. And not finding a Yahuwd who was willing to engage, God not only stooped to using a gowy as these

prophecies portend – He seems to be pleased with what we have accomplished on His people’s behalf with *Yada Yahowah*. What is your response? After all, it is a fair question since Yahowah has asked you to listen and to respond.

1:33:08 I have one last thought: America’s counterproductive meddling in the Muslim Middle East has had several unforeseen consequences. By giving Iraq and Syria to Iran, it doomed Israel. It also divided the world’s superpowers, with Russia and China favoring Iran and the US and Europe opposing the Iranians. We see this now with China and Russia issuing scathing indictments against Israel rather than Hamas in the aftermath of the October 7th, 2023, massacre.

1:33:47 Adding to the fog of war, and errant perceptions, Joe’s Biden’s oratory in support of Israel has been outstanding – far better than any of Netanyahu’s speeches. And initially, he and his administration are saying and doing all the right things. But it is a Trojan Horse with America’s Secretary of Defense and State stationed in Israel and the nation’s largest Aircraft Carrier Strike Force cruising nearby. Things are not as they appear. And it will all come crashing down as the casualties mount and the world screams – particularly Saudi Arabia – because MBS has a Petro-dollar dagger set against America’s throat, and Biden knows it. All that is needed now is for Iran to pull the Hezbollah trigger following Israel’s invasion of Gaza and a panicked world will impose the Final Solution on behalf of the many against the few.

1:34:52 Plotting behind the scenes, the Biden Administration is scheming to provide Saudi Arabia with advanced weaponry, a defense treaty, and nuclear capabilities under the guise of normalization with Israel, which will include the Biden Administration’s pet project: the imposition of a Palestinian State with its capital in Jerusalem. It is all occurring because the US financial sanctions on Russia backfired. Now, over 150 nations want to replace the dollar as the world’s reserve currency – a move which will cripple the United States. And the one man who can make that so or prevent it from happening – MBS – is using it as leverage. And he just so happens to be a murderous Muslim psychopath – albeit a clever and rich one.

1:36:02 America’s ill-fated military incursions into the Muslim Middle East created such chaos, millions of Muslims fled to Europe, taking their vile religion with them, such that they are fanning the flames of anti-Semitism.

1:36:20 There was a vicious attack in France today, another one in China. Jewish homes and shops are being tagged with stars of David across Russia. The world is turning into a re-creation of what we saw through Nazified Europe.

1:36:42 To appease the Muslims and cover her bloody footprints, and the millions of lost civilian lives, America is now the most aggressive advocate of the Two-State Solution – something Yahowah openly opposes on moral, rational, and defensive grounds. Israel was His gift to you. It was not given for America or any other nation to take away.

1:37:17 Well, those are my thoughts, Yisra'el. I would encourage those who have listened all the way through this program to turn to yadayah.com. *Yada* means to know. *Yah* is the familial form of Yahowah, God's one and only name. You can even type in yadayahowah.com if you prefer and you can even come to understand how I realized that Yahowah's name was pronounced *YaHoWaH* by looking at how Torah is written. Look at how *hayah* is written, which is the very verb that Yahowah used to introduce himself to Moseh and to the children of Yisra'el. Consider how *Shalom* the most common Hebrew greeting is written as well, and you will come to know how to pronounce every one of the four vowels in Yahowah's name. With those same vowels and 17 consonants every word in the Hebrew language is pronounceable. This notion that Yahowah's name is somehow not has to be one of the dumbest lies ever perpetrated by the religious. Don't let them rob you of God's name.

1:38:58 I hope that there's a growing number of Yisra'elites and Yahuwdym in the United States and around the world who take Yahowah's words seriously. It's time to come home. It's time to accept the five conditions of the Covenant and to attend all seven of the Mow'ed Miqra'ey understanding what each represents and how they enable the benefits of the Covenant relationship. You may be surprised that as it relates to the conditions of the Covenant God asks you to do things which are in your best interest.

1:39:41 The first is a prerequisite: you must walk away from Babel, this comingling of religious and political platitudes. You cannot be religious, and you cannot be political if you're going to be part of God's family. He does not want that filth in heaven. Should He allow the religious and political into heaven it will quickly degrade so that it appears no different than the hell we are perpetrating upon ourselves on Earth. So, the first condition of the Covenant is to walk away from your country, from your religion, from the family of man, from the human societal traditions.

1:40:29 The second God says is walk to Me and become perfected. We do that through the seven Mow'ed Miqra'ey, the most important of which is the one that religious Jews have eliminated – Matsah. They have turned Passover into a 7-Day holiday when Passover is simply the first of the seven days of Matsah. It is on Matsah that Dowd carried the religious guilt of his people with him into She'owl and deposited it there never to be seen again. And as a result of serving as the Passover Lamb and enduring the torment of Matsah on our behalf that he first, and we now can follow, on Bikuwrym to be adopted into Yahowah's Covenant family such that seven Shabats later on the Promise of Seven – Shabuw'ah – we like Dowd will be enriched, empowered, emancipated, and enlightened children of God equipping us to do as we're doing on this program celebrating Taruw'ah, not Rosh Hashana, by heralding Yahowah's message and that of His son, our Savior, Dowd.

1:42:04 This brings us to the last chance that anyone, but particularly Jews, will have to reconcile their relationship with Yahowah, Yowm Kipurym in year 6000 Yah, just ten years from now. Those who do will not only witness the return of Yahowah and Dowd on this day but will have the opportunity to camp out with them on an earth returned to the conditions experienced in the Garden of Eden on Sukah, October 7th, a Shabat in 2033.

1:42:40 The third condition of the Covenant is to come to trust and rely upon Yahowah. This is simply to choose rather than relying on the bullets and bombs of the IDF, your politicians or the religious, that you rely on God's Testimony instead. Trust Him to protect you. Under my own name I've written the most condemning exposé ever against the Islamic religion, something that no one has ever survived. I did 5,000 radio shows in my own name. I receive thousands of death threats yet here I am speaking to you tonight because Yahowah honors His promises. He protects His children. Trust Him, rely upon Him, get to know Him.

1:43:49 Fourth. Yahowah says that the benefits of the Covenant are afforded to those who closely examine and carefully consider its conditions. You need to know what God is offering and what He is expecting in return. You need to be observant. That means to open your eyes and your minds and read what He actually had to say. You can do that, if you wish, by capitalizing upon Yada Yahowah where these amplified translations are available for you to read.

1:44:26 The fifth condition of the Covenant is that a man is to be circumcised and as parents to circumcise our sons on the 8th day. This is the sign of the Covenant.

1:44:42 Its five benefits are to become immortal, perfected, adopted, enriched and empowered. We're all delivered by Dowd's willingness to serve as the Passover Lamb, as the soul who took our guilt with him into She'owl to deposit it there never to be seen again, for him to be the first to experience Bikuwrym, Firstborn Children, and then to be the most magnificently enriched and empowered of all time. That is the path that he blazed, that he enabled and that we can follow.

1:45:29 These are the benefits of the Covenant. These are the conditions of the Covenant. These are the Mow'ed Miqra'ey that Yahowah has invited you to attend. Know His name. Know His Son. Trust and rely upon them.

1:45:43 That is my program for this evening; Kirk was my co-host. I knew it would be a lot to get through this narrative. Again, if you want to read it, which is obviously easier to fact check and to understand, click on the Resources Tab at yadayah.com and you will find the entire message there. We've done this for many years together. I think this is the single most important time that we have. This is literally the epitome of our calling. This is what Yahowah has prepared us to achieve on behalf of His people all these years.

1:46:52 KIRK: We all thank you for writing and presenting it especially to our family, the people we love the most, Yahuwdym and Yisra'el. This is a wonderful day. I look forward to the rally.

1:47:05 We'll have to see how it is received. I'm expecting, because of what Yahowah has conveyed, that there will be at least 7,000 Yisra'elites and Yahuwdym, and perhaps Gowym as well, who will capitalize on the Taruw'ah Harvest which will take place prior to the worst of Ya'aqob's Troubles most likely on Taruw'ah in 2029. And then when 'EiYah returns as the witness in Jerusalem, along with me, Yada, there's going to be a revival and the 7,000 that will be part of that Taruw'ah Harvest, that gleaning, will be much greater.

1:48:07 'EiYah is the most entertaining orator of all Yahowah's prophets and he will be exciting to be around to listen to. The rabbis actually got one thing right. They set a place for 'EiYah at their Passover Seder and the fact is that 'EiYah is returning on Passover in 2030, six months after the Taruw'ah Harvest, but he's not going to be happy with the religious Jews and rabbis. In fact, he will be condemning them; that will be his primary job as he returns. My job will be to expose and condemn the religions of Christianity and Islam of which I have become an expert.

So, that's our program for this evening. Happy Shabat. We'll return to a normal analysis of the news and study of the Towrah as we proceed to share Yahowah's words with His people. Have a peaceful and thoughtful Shabat. Please accept this opportunity as Yahowah's Olive Branch towards reconciliation. May Yah bless you all. Good night.
