Coming Home Volume One Mizmowr 1: 1-2

Please Note: I have transcribed this to the best of my ability. Sound bites of parties speaking simultaneously and those inaudible to me have been deleted from the transcript. If I guessed at a word, it was followed by a ()? A ___ (blank line) indicates I could not understand the word or phrase and three periods ... indicate an interruption in the dialogue of one party by another. I appreciate your understanding. MK

0:00 You can be, but will you be is the question. I'm Yada and I'm here with Kirk and Dee. We entered new territory on this program and is something I've been part of for the better part of twenty years speaking out on behalf of Yisra'el / Israel and Yahuwdaym / Jews on behalf of Yahowah, your God, *the* God. I've been writing about Him and translating His Testimony out of the Dead Sea Scrolls, the oldest extant sources, for the better part of twenty-two years now. Yahowah is God's one and only name. It is not only okay to say it, the only means to salvation and to form a relationship with Him *is* to know it and to say it. It is easily pronounced, don't let anybody fool you. It's written with four vowels. One of them is repeated so it's only three letters that you have to pronounce. The proper pronunciation of them is explained in the verb haYah | to exist, which His name is based upon, and upon a place where you would go to discover how He introduced Himself to Moseh and the rest of the world through the Towrah.

1:35 It was twenty-two years ago this past September that God, whose name I did not know at the time, asked me to engage and work with Him which was startling since I had no credentials and there had to be many more qualified people until He told me what He wanted done initially, which is why there was no one else who was willing. He wanted me to expose and condemn Islam. I did so. I wrote *Tea with Terrorists* which was about my meeting with Al-Qaeda, Hamas, and Islamic Jihad within days of 9.11. That book became as popular worldwide as almost any book written on Islam. It is irrefutable. It is 1,000 pages of tightly dense text that exposes Allah and Muhammad in their own words. I left that project, although I made it free online for anyone to read it worldwide and I did 5,000 interviews on syndicated talk radio programs to let people know it was there and what they would learn.

3:17 Some twenty years ago I moved on to translate Yahowah's Testimony. It was not until October 7th of this year that I returned to the extensive rewrite *Prophet of Doom*, of which there will be four volumes. I have finished Volume One, Snake in

the Desert. It's available on Amazon for the cost of printing and shipping and without royalty. It is also available for free on the yadaYah.com website, at the far end of the bookshelf. Within a week or so I will have completed Volume Two which will be about 750 pages of translations of the Quran and Hadith along with extensive commentary. The reason this is so timely and that I want to discuss it particularly with Yisra'el / Jews is because of what happened on October 7th and what it means for the nation of Yisra'el and for the ethnicity of Jews.

4:53 You are the luckiest people on Earth. There is a God. His name is Yahowah, and He chose you. As a matter of fact, within "Jew" / Yahuwd is Yahowah's name. It means "Beloved of Yah." You're the unluckiest people in the world because for the better part of the last 3,000 years you've done everything you can do to upset the Almighty and it is particularly hazardous to your future that you've chosen to be religious. The most often discussed topic throughout the Towrah and Prophets is God's disgust with His people's tendency to be religious. The people who are the furthest from Yahowah, from a relationship with God amongst Jews, are the Haredim followed by all other Orthodox and ultra-Orthodox Jews. God's not fond of politics either, so if you're at the far end of the spectrum and you would consider yourself a Progressive you have no hope of knowing the Almighty. This is now particularly important because we are nearing the very end of life as we know it on this planet. Listen. I'm not a pessimist, I'm not a naysayer, I'm not a doomsday prepper. I'm just going to tell you what Yahowah told us because it's important for you to know.

6:32 What happened on October 7th Yahowah predicted and what He had to say is how what you witnessed on October 7th, even though it was unimaginably horrific with some 2,500 to 3,000 Islamic jihadists mutilating, raping, plundering, using arson, torturing, terrorizing, kidnapping, doing the worst of all possible behaviors trying to denigrate, desecrate, humble, terrorize Jews, doing it deliberately, is about at the very least 10%, and I think likely 1%, of what Yahowah has predicted and is inevitable. It's important that you know that the next attack, once Yisra'el finishes its campaign in Gaza and comes to realize that the political campaigns and platitudes by the IDF that was asleep (not only in terms of its intelligence) wholly overwhelmed and comatose regarding the intelligence on what was going to occur (I predicted the nature of this attack a year before it occurred on this program but the IDF intelligence, the Shin Bet Mosab, even with dossiers on it, couldn't figure it out.) the next attack isn't going to be 2,000 or 3,000 jihadists. It's going to be 200,000 or 300,000 jihadists. The initial salvo will not be 2,500 rockets and drones but 250,000 rockets and drones. You're not going to be putting out fires in parking lots and

occasional buildings here and there. You won't wonder why the Iron Dome had only a 92% or 93% effective rate because the number of rockets, missiles, and drones will exceed the Iron Dome's capacity by as much as 50 to 1 and be rendered useless. Cities will be ablaze, and at the same time, under the cover of that aerial assault, Islamic terrorists from Lebanon, (which would obviously be Hezbollah), Syria again coming through what's known as the "West Bank" (it's really Judea and Samaria), the Fakestinians (who are now almost universally aligned with Hamas) and likely even jihadists from Saudi Arabia and Egypt will collectively attack Yisra'el from all sides. There will be flotillas coming in from Turkey such that the border communities of Yisra'el will be overrun even worse than what the 22 communities, many Kibbutzim, in southern Yisra'el experienced on October 7th.

10:58 I don't say this to scare you. I don't say this because I want it to happen. By God, I want it *not* to happen. I have risked my life these past 22 years to keep it from happening. I don't think there's anyone on the planet who has received more death threats trying to protect Israel than I have. Still, I want you to know that it is going to happen. The IDF will *not* be able to save Israel, and as a result, Israel will be sued for peace, and the cost of that peace will be slicing the country in two, thinning Yisra'el at the waist, as prophesied by the great Prophet Yasha'Yah / Isaiah. Immediately after that happens, even more jihadists will enter Israel, engulfing the world in World War III. Then the world, engulfed in World War III, will not give a hoot about what happens in Yisra'el. As you have learned from this experience with Gaza and the Muslims there, you're all alone. Now, I'm telling you the truth so that you know what will happen. It is unavoidable. It will happen, and you can't stop it; however, you can be saved from it. We will conclude this review by discussing how to protect yourself and your family so that you experience no harm.

12:57 Now, I said a moment ago that politicians promise they will achieve complete victory against Hamas. I even said on the air on the evening of October 7th that I knew you would do that, but it can't be done. You could stay in Gaza for (well, you don't have it, but if you did) a thousand years continuing to lash out at Hamas, and you would find that the more Hamas terrorists you killed, the more Hamas terrorists there would be. You can't prevail against a religious enemy with bullets and bombs. Instead, you make more of them, not less. I'm not saying that you should take it on the chin and let them have their way with you. I have no issue with Israel bombarding Gaza. I don't think there is such a thing as an innocent civilian in Gaza. If you'd watched them bring Israeli captives who they had raped, mutilated, kidnapped, and tortured back into Gaza, the streets were lined with women and children celebrating

just as Muslims have celebrated worldwide at that carnage. They're all complicit, each one. Even the little children that they like to show are jihadists in waiting. A woman is a terrorist manufacturing facility. They are as brutal, as indoctrinated, as vicious as the men. You can't wipe out Hamas; you can't do it. I would love for you to do it, but I'm a realist, and I know Islam better than Sinwar, Nasrallah, the Ayatollah, or anyone else on the planet. I know exactly who Allah is - he's Satan. Muhammad was The Devil's Advocate. I don't say that to be insulting; I say it because it's the truth and I can prove it. You're fighting the Devil, and you shouldn't be surprised because someone couldn't do what they did on October 7th raping and mutilating bodies if they were not demon-possessed. That's who you're fighting.

15:59 Fortunately, the devil's lost his mojo; he can't squat. He's as impotent as a defanged snake lying on a rock or under someone's boot, entirely powerless. Unfortunately, he has inspired several religions, particularly Judaism, Christianity, and Islam. There are millions of people around the world screaming "Allahu Akbar" who will kill for him, so it's deadly in that regard. What you've seen around the world is a coalition of opposites but with one thing in common - they hate Jews. This coalition is Muslims where around the world about 95% in polls think Hamas mutilating, kidnapping and torturing in Yisra'el was a good thing; they celebrate it, they approve it, and they want more of it. There are two billion of them on the planet. Once upon a time, right after 9.11, when I wrote *Prophet of Doom*, my solution to quarantine them would have resolved this problem. You didn't need to kill them. Just stop selling them arms and stop letting them immigrate out of Islamic countries. If you had done those two things, October 7th wouldn't have occurred, and Jews wouldn't be living in fear throughout Europe and in the United States.

17:57 For a Jew to appear Jewish now in America, in Europe, and almost any place in the world is an open invitation for Muslims to kill them flat-out. Unfortunately, opposites, progressives of the political left, have decided to take up the Islamic cause, and they are as vocal against Israel and Jews as are the Muslims. Some 90% of American youth under the age of 25 think that Hamas was right to plunder, terrorize, mutilate, and torture Jews on October 7th. They believe that the solution to this problem is for Hamas to eliminate Yisra'el. Half of America's youth, up to 90% in some polls, think it's appropriate to do so. America, it's over for you. Those young people aren't worth the air they breathe. They have no conscience, morality, sense of judgment, or ability to discern right and wrong. Almost two-thirds of Christians in America think that the solution is the two-state solution, and that is what you're being cajoled into.

19:36 The world tried that with Neville Chamberlin right before the world was enveloped in World War II. He offered Czechoslovakia, which was not his to give, to the imposing terrorist and military threat of Nazi Germany, thinking he would appease them. We're having a contest now for who will be the next Neville Chamberlain. Will it be Joe Biden, Sinwar, Nasrallah, or MBS? Who's going to be the next Neville Chamberlain? Will it be a Jewish politician? It's going to happen, and when it happens, Israel will be less than 5 miles wide with a cut right through its narrowest portion, where 70% of the Jewish population resides. Then, all the rest of the Jewish population will be near the borders of organizations like FATA, Hamas, Gaza, Egypt, Jordan, Syria, and Lebanon. It's a crime ready to happen. The United States will impose that two-state solution, and the rest of the world is clamoring for it. And to think this time that it is so radically different than it was the last time - and again, I know that what I'm telling you sounds fatalistic and awful, and you may want to shut off this program and stop listening to it, but I beg you to listen.

21:27 There is hope but you need to know your present reality, you need to know what is going to occur. I've been doing this now under the leadership and inspiration of Yahowah for 22 years. I've made a lot of bold statements. Never once have I been wrong, and I'm not going to be wrong this time. I don't say that because I want a following; I have no interest in one. I don't want accolades; I will reject them. I don't want your money; I don't want your anything. I just want you to know. It's enough that you know. There's a message in there.

22:16 The two-state solution this time is so much worse than what Neville Chamberlain did because at the point that Neville Chamberlain gave the high ground of Czechoslovakia to Adolf Hitler, Adolf Hitler hadn't attacked yet, and even when he did attack, he was far less ruthless and demonic than the Muslims who attacked on October 7th. This time, it would be after the Muslims attacked in 1948, 1967, 1973, and once again this year. To cede large swaths of Israel to these terrorists as a reward for terrorizing them is far more immoral and insane, and yet it's being touted by every Progressive worldwide. It's only discussed in Islamic circles as a means to an end. As Iran recently said, "We have an agreement with Israel. Neither one of us wants the two-state solution." They want all of Israel. Now, Israel is no longer in a position where it can defend itself. America now is to the point where, because young women carried Biden in the last election, that's just a statement of fact; I'm not besmirching anyone, that with younger and more progressive people entering the polls, America's support of Israel is within months, maybe a year of being over and there is no other protector. Look at the UN votes against Israel. You have five or six

countries, the largest being Nicaragua or Guatemala, and the rest are islands someplace; the rest of the world, 200-plus countries are against you. Blame the Jews has been the number one conspiracy in the world for a very long time.

25:03 Israel, you don't have a solution because you, unfortunately, don't have a constitution, and you've adopted the parliamentary system of one of your most arch foes, Britain. The British are a great enemy of Israel. That parliamentary system requires the bribing of coalitions, and there really isn't a coalition anymore. For lots of good reasons, it's over for BiBi Netanyahu. His approval ratings are five or six percent, slightly better than Abbas, whose current approval rating is one percent, which makes America having Abbas and FATA oversee Gaza insane. So, Likud with Netanyahu pulls in about twelve seats, down from 30-some odd. Without Netanyahu, it's high teens. Gantz's Unity party, which is in the mid-30s, is the solution, you might say. But it's not how it will be because that's a coalition of two parties that will split for the next election. Lapid's party, with some 18 – 20 seats in the last election, is one of the great enemies of Israel as well. The progressives in opposition to judicial reform were suicidal, and he looks like a jackass now, so his support is down to almost a threshold level. He's not going to help anybody. We found in this last election that if you bribe the religious parties, the Haredim, into a coalition, it costs the country its soul. They're parasites; it's all they are. Israel would be vastly better off without them. So, what do you have? How do you form a government? I don't think you do.

27:43 So, what now? The world is against you. You have no friends; two billion people surround you who want to annihilate you, and they will try. And unfortunately, because of the way the United States started this war in the Ukraine, it has sanctioned Russia. It has done everything it could do to push Russia and Iran together, putting Iran in a position really where it could do what it did to Israel on October 7th. If they don't already have the bomb, it's __, and Israel is no longer in a position where you could do anything about it. So, now what? When the United States decided to sanction Russia, it pushed most nations away, and BRICS suddenly gained enormous momentum. Early next year, you're going to see Saudi Arabia, the United Arab Emirates, and others join BRICS, and you're going to see the Petro Dollar be a thing of the past. Once that occurs, the United States' economy goes into freefall. And now what?

29:11 Let's say that the United States prevailed and provided hundreds of billions of dollars of weaponry to the Ukraine so that the Ukraine was able to take the battle to

the Russians, or the Russians say we can't fight this battle anymore because the United States has supplied too many weapons. Then what? Do you think they go quietly into the night, or do they lash out with nuclear weapons? The United States has done everything it could do that is wrong, and Europe has applauded all along. Now you've got the mouse that roared, the Houthis, precluding international shipping from going up the Suez Canal. The United States is there with great force. What's the United States going to do, go to war with the Houthis? We tried that in Afghanistan. How well did that turn out for us? That's really the difference between the Houthis and the Taliban. When we began that war, the Taliban controlled about 10% of Afghanistan. When we ended that war, it was 100%. How'd that work out for us? We invaded Iraq because we lied and said that Saddam Hussein was harboring Al-Qaeda when he hated Ben Laden and fundamentalist Muslims. We broke the country and gave it to Iran. How'd that work out for us? That's your supposed ally, Israel.

31:07 All around the world it is becoming more and more difficult to be a Jew. Jews are now recognizing they can't live in the UK, Germany, Spain, or France anymore, and soon they won't be able to live in the United States anymore. So, they will need to migrate to Israel, and there they're at risk of marauding Muslims.

31:35 So, let me tell you what the plan is so that you know where hope is. In three months less than ten years it's all over. The God whose name, Jews, you have written out of your life has not written you out of His life, and He is returning. His name is Yahowah. He's returning on Yowm Kipurym, which is not the Day of Affliction; it's not a "high holy day." It's the Day of Reconciliations. It is the last time that Jews will be afforded the opportunity to come home, to recognize Yahowah, and to greet your Messiah and Savior. Turns out there really was a Son of God. He's not that mythical character named "Jesus Christ." His name is Dowd. Yahowah refers to him as His Son. He says, "I am his Father." He calls him His Firstborn. There really was a Messiah. Dowd / David was anointed at eight years old. Yahowah continually says, "He is My Messiah," he is your Messiah. He is the Messiah who is returning. And, Yisra'el, this is the greatest surprise of all for you. Not only is Yahowah returning with the Messiah, but Dowd, the former King / *Melek* of Yisra'el, Dowd has been here not once but twice before.

33:29 You see, the Son of God and the Messiah actually fulfilled Passover, UnYeasted Bread, and Firstborn Children in year 4000 Yah | 33 CE. Dowd is your Savior. He's the one who volunteered to become the Passover Lamb. Remember

when Yahowah said, 'Abraham, don't you injure your only beloved son. I'll provide the lamb. He did so with His beloved Son not because Yahowah chose to do it that way but because Dowd chose to do it that way; he volunteered for this mission. His corporal body | *basar* served as the Pesach 'Ayil, so you might live forever. Then, he did the most amazing thing in the universe's history. He volunteered to fulfill Matsah. Now, if you're Jewish, chances are you don't even know what Matsah is. You're going to think it's that cracker on the shelf because your rabbis have beguiled you into believing that Passover is a seven-day holiday, and it commemorates the Exodus from Egypt. It's not true.

35:07 First of all, you didn't leave Egypt until Matsah, and second, Matsah is seven days, not Pesach. Pesach is the first day of Matsah and the third day of Matsah is Bikuwrym. Pesach is not the most important day; it is Matsah. Pesach without Matsah is counterproductive because it means that you would have eternal life and still be laden with guilt, which means eternal separation in She'owl. That's a bad outcome. That's what Judaism and Christianity are practicing: Passover without Matsah. Matsah is the time that our souls are perfected. The way Matsah works is that Dowd volunteered after fulfilling Pesach with his corporal body to have his *nepesh* | soul be laden with the guilt of every Covenant member. He carried it into She'owl on Matsah in year 4000 Yah on the 80th celebration of the Yowbel, and he deposited all our guilt there in She'owl, which is akin to a black hole, where it will never be seen again. Our guilt is gone. We are not guilty. We look perfect in God's eyes because he took it all with him. Two horrific days, beaten to a pulp, tortured on a death stake by the Romans, and then tormented in She'owl, successful in taking our guilt with him all so that he could be the first of the Firstborn Children of Bikuwrym allowing us and *you* to enter God's Covenant Family perfected. Those seven Mow'ed Miqra'ey (I know that the Jewish holidays have screwed them up, but there are seven of them) provide the path home. Pesach is the doorway to life, the doorway to God's home. The threshold for entering that home to remove all the political and religious garbage that God will not allow into His home occurred on Matsah when our guilt was taken by Dowd and deposited in She'owl. We are then adopted, becoming part of God's Covenant Family on Bikuwrym, the third of the seven steps home.

38:01 Then seven sevens later on the Promise of Seven, Shabuw'ah, God enriches, empowers, enlightens, and emancipates the Covenant's children. Because we benefit from Shabuw'ah and God's enlightenment, enrichment, and empowerment, we can do what we're doing now. We can speak to you about the only hope you have if you're

Jewish, the only hope you have if you're a *gowy* too. If you're a *gowy*, we want you to listen. We want you to join God's Covenant Family. It's open for all who are not religious and political and who are willing to learn about Yahowah to discover what He's offering and expecting in return.

39:05 The fourth of the seven steps has not yet been fulfilled. It will be likely in 2029 on Taruw'ah. If you're Jewish, you probably don't even know what Taruw'ah is because like Matsah your rabbis have eliminated it from your calendar. They've eliminated Bikuwrym and Shabu'ah as well. They've done even worse by renaming Taruw'ah Rosh Hashanah which is Head of the Year dealing with the Babylonian New Year because God's year begins on 'Abyb one, seven months earlier. It is on Taruw'ah that we pronounce this message.

39:59 Let me tell you something that you may question but it's still important for you to know. Yahowah must have said it 200 or 300 times, so it shouldn't be a secret. Yahowah has chosen a Final Witness. This man did not volunteer for this job. He was chosen for, and was then equipped to do this job, and Yahowah has promoted this job that he is doing. There are a number of Jews that are aware of what is said in *Zakaryah* and *Mal'aky* about the return of 'ElYah | Elijah| 'Yah is God. You don't know when, but I'll tell you when, you don't know who is joining him or why, but I'll tell you both because it's important that you know. 'ElYah is returning on the 14th of 'Abyb in 2030, three years before Yahowah and Dowd return together on Kipurym. On that date he will be joined by Yahowah's last witness, someone who heretofore most thought was unnamed. But he is named. He is the *Choter*. There's an entire chapter about him in Yasha'Yah Chapter 11. He is the *Nakry*. There is an entire speech about him in the original Sermon on the Mount when Solomon dedicated his just-completed home of the Covenant Family on Mowryah. He is the observant foreigner. *Choter* means he is a sucker off the original rootstock, a stem from the original branch. That rootstock and branch is Dowd. He is a *Basar*, which is "a Herald" heralding Dowd's return. He is a *mal'ak*, "a messenger." He is Yada which was the pen name I used for these books for the first 15 years that I wrote them. *Yada'* means "to know." There are hundreds of prophecies regarding what I call the little "little z" since there are three *Zarowa'* – two great ones, the two greatest men in human history and one who somehow stumbled into this role because Yahowah was looking for someone and no one else was willing to do what I've been doing for the last 22 years. So, I am the third of three *Zarowa'* with Moseh and Dowd being the great *Zarowa'* | strong arm of God / Sacrificial Lamb of God in Dowd's case / Shepherds guiding God's people back home.

43:12 The reason God had so much to say about this mission is because, well frankly, this is the Battle Royale. This is the purpose of October 7th. This is Satan's and Yahowah's primary objective, the ultimate showdown. You see, my primary mission is to awaken you, Yisra'el, so that you are ready for the upcoming celebrations of Taruw'ah and then Yowm Kipurym. Taruw'ah is the first of the seven Miqra'ey which was yet not fulfilled in year 4000 Yah. The first four were. It will be fulfilled on the first day of the seventh month on Taruw'ah in 2029, less than six years from now. I'm expecting 7,000 Yahuwdym and Yisra'elites to be there for that Harvest to return to Yahowah at that time. Now, that's one-tenth of one percent of the Jews in Yisra'el and one-half of one-tenth of one percent of Jews worldwide. Three and one-half years later I'm joined by 'Elyah on Passover in 2030, two weeks after the corporal incarnation of Satan arrives touting peace for Yisra'el while he intends to destroy the nation. We will speak together on behalf of Yahowah to His people in *Yaruwshalaim* / Jerusalem from Mount Mowryah for three years. Over that three-years' time our intent is for a minimum of 70,000, one percent of the Jews living in Yisra'el now, to accept Yahowah, to come to know what He is offering and accept what He is asking so that you are there celebrating Yahowah's return with your Messiah, Dowd, on October 2nd, 6:22 p.m. in Jerusalem as the sun finally sets on religion.

46:10 Now let me tell you what's going to happen on that day should you be concerned about all the trouble in the world. Not a single Muslim, Christian, Haredi, ultra-Orthodox, Orthodox, Conservative, Reformed Jew, Progressive, Communist, Fascist, Socialist, anybody who is overtly political, overtly religious, anybody who is tremendously conspiratorial, all of you right-wing wackos out there, will all be gone. Instantly and humanely, their souls will be dissipated to nothing. If you want to enjoy the 3rd of October in 2033, year 6000 Yah, then you better know who Yahowah is, what He is offering and what He expects in return. That is why we do this program; it's why we write these books. And for those that say, "Oh well we've heard this before," no you haven't. It's been just ten years shy of 6,000 years since 'Adam and Chawah were booted out of the Garden. It's been 4,000 years since 'Abraham and Yitschaq affirmed the Covenant on Mount Mowryah with Yahowah performing the dress rehearsal for Pesach. It's been 3,447 years less 10 since Moseh liberated the Children of Yisra'el along with Yahowah and introduced Yahowah's name to His people in 1447 BCE, a little more than 2,747 years ago. The Cornerstone of Yahowah's home, the first Temple, was laid in 968 BCE, 10 years shy of 3,000

years ago. Dowd fulfilled the first four Miqra'ey in 33 CE, 10 years shy of his return over a 2,000-year span, 40 Yowbel. This is where we are in the timeline.

49:10 The reason you've never heard this before is that while Yahowah had prophets who recorded His message, the greatest of them being Moseh followed by Dowd, Yasha'Yah / Isaiah, Howsha, Zephaniah, Zachariah, Mal'aky and YirmeYah, all of them spoke to the children of Yisra'el about why it was aggravating Yahowah for them to continue to be religious and about when Yahowah was going to return and how you could be part of that Covenant family that survives His return.

50:05 However, none of them dated Yah's return. None of them came to you and said you have ten years. None of them had to remind you that Yahowah has a name, that it's Yahowah. None of them had to remind Yisra'el that there are seven steps to God and that after Yowm Kipurym is fulfilled we come home on Sukah camping out with God on October 7th at sundown in Yaruwshalaim in 2033, year 6000 Yah. Those are the steps to Yahowah.

50:54 Those who have accepted the terms and conditions of the Covenant are welcome along that path. To do that, according to the Towrah, there are five Conditions that must be met: **1.** Walk away from *Babel* | the intermixing of religion and politics, truth and lies, governance - you must walk away from those things, which is why I said there won't be a single Haredi, Christian, Muslim or Progressive that will survive Yah's return. You must disassociate yourself from those things because Yahowah is disgusted by them and does not want them in His home or family. **2.** Then you must walk to Yahowah and become perfected, which means you need to have the consequence and the penalty of those things expunged from your soul. That was why we talked about what Dowd did on Matsah when he carried our guilt with him and deposited it in She'owl so that it would never be seen again. So, the second step of the Covenant is to walk to Yahowah through Mow'ed Miqra'ey to become perfected by Him. **3.** Trust and rely on Yahowah. To do that you first must embrace His name, then you must know who He is, you must know what He is offering and finally what He expects in return. You need to care enough to study the Towrah and Prophets. You need to have the courage to go where His words lead even when they take you away from the things that you've been told are true. You need to stop trusting the IDF. That's why I took the time to say they can't save you next time. They didn't save you last time. You can't rely on your government. It was counterproductive, and it will get worse. You sure as hell can't rely on your religion. It is the thing that aggravates God more than anything else. When 'Elyah returns,

the number one subject that he's going to discuss is God's overall hatred of Judaism. Yes, God hates Islam and Christianity and He calls Christianity the Plague of Death, but they're not His people - you are and therefore God knows that Judaism has done more harm to Jews than Christianity and Islam combined. **4.** Closely examine and carefully consider its terms and conditions to know that there are five conditions. A prerequisite walking away from the babble of religion and politics, from your country, from your society is not geography here. This is the recognition that religion, politics and conspiracy corrupt and you have to walk away from that babble to walk to Yahowah on the path that He has provided which means you cannot celebrate these Miqra'ey as the rabbis would have you do. For example, on a Passover plate all they throw on is a *zarowa'*, a bone of lamb when it should be the main ingredient. They've got everything else on the plate but what is important. They talk about everything about this date except what's important, what it means. It's the doorway to life and they never do discuss it as part of Chag Matsah. You need to understand what Chag Matsah represents, why it's the most important day each year, and how this leads to God's return on Kipurym, the Day of Reconciliations, which is not a day to twirl chickens over your head. And Sukah is not a day to have the four kinds and to go off and spend a fortune for an ugly piece of bitter fruit. It means to camp out with God your Father. So, the fourth condition of that Covenant is to closely examine and carefully consider the terms and conditions of the Covenant. **5.** The fifth condition of the Covenant is that a man must be man to be circumcised and when a woman gives birth to children to make certain that the sons are circumcised on the eighth day. The purpose of that is to recognize that we are to raise them in a way that they're cut into God's family and cut out of the family of man.

55:39 If you go to yad.com (*yada'* means "to know." *Yah* is the familiar form of Yahowah's name) you'll find in the middle of the 30 books on a bookshelf *Invitations*, *Harvests*, and *Appointments* which will tell you all about the seven Mow'ed Miqra'ey. *Family* will tell you all about the terms, conditions and benefits of the Covenant. *Beginning* will tell you all about creation and how the creation account is precisely accurate including the time when it says that the heavens and the Earth were created in six 24-hour days from the perspective of the Creator. Einstein was a Jew; you ought to consider what he had to say about relativity and then understand that we now know exactly how much time was stretched at creation because of the cosmic microwave background noise that it's 10 to the 12th power and if you divide 14 billion years by 10 to the 12th power you have six 24-hour days. That's the kind of thing you're going to learn if you read *Beginning*. *Man* tells you all about what

happened in the Garden which is important because God is returning us to the Garden, not forever, but for a thousand years. The Earth is returned to the conditions found in 'Eden where there was no religion, politics or conspiracies.

57:27 I have told you that the Day of Days is Yowm Kipurym. It is the Battle Royale. That's why I'm here. For Satan to prevail, he has to change Yowm Kipurym to the Day of Doom. It's the number one discussed subject in the Quran. On the Day of Doom Satan needs to have every Jew either die or be terrorized into submission such that there are none of you who are there on Yowm Kipurym when Yahowah and Dowd have promised to return. There's no reason for Yahowah and Dowd to return if there isn't a remnant of Yisra'el looking up in anticipation of Yahowah's return on that day. So, if Satan can turn the Day of Reconciliations, the most important day on Yahowah's calendar from Yahowah's perspective (while Matsah is the most important day on the calendar from our perspective) into the Day of Doom, into the Day of Punishment, into the Day of Judgment then he wins and Yahowah would have no reason to return to Earth, He'd have the first unfulfilled prophecy, there'd be no saving Yisra'el, and Satan presides over the Earth that he has destroyed. I was called to this mission to keep that from happening.

59:03 My job is to go from having zero Jews anywhere in the world saying, knowing, using Yahowah's name, embracing the five conditions of the Covenant, attending the seven Mow'ed Miqra'ey as God invited us to attend them, being part of His Covenant family, understanding that Dowd is your Messiah, that he's the one who is returning, that he's also your Savior that fulfilled those Mow'ed Miqra'ey, it is my job (empowered by Yahowah) to go from zero Yisra'elites that know this to less than 10 years from now to have a minimum of 70,000 and 6 years from now when we celebrate the Taruw'ah Harvest 7,000. That's why we're doing this program, it's why I've written those books, that's why you've never heard anything like this before.

1:00:09 I'm here to tell you that October 7th occurred because for Satan to prevail and to keep Yahowah from returning he needs to obliterate, silence, cower, dehumanize and annihilate the Jews. That's what October 7th was here to test. It was the test for the Big Show which is one hundred-fold. It is thwarted by having a remnant of Yisra'el embrace Yahowah's name, accept the terms and conditions of the Covenant, and to answer the invitations to attend the Mow'ed Miqra'ey as God instructed.

1:01:04 I don't come here with just a summary voice. Look on that bookshelf. Pull the books down from beginning to end starting with *An Introduction to God* and read

through the end of them. There's more substance there than you've ever been provided in the history of the Jewish people, all from Yahowah, all irrefutable. For what I'm saying to be wrong, someone would have to prove that everything that I have written is wrong because if anything that I have written is right, and it's all right, then everything I'm telling you is true and no one has ever been able to disprove any of it, not a word. The books provide much more complete and accurate translations of Yahowah's testimony than ever before and my commentary on Yahowah's testimony is inspired by His seven Spirits specifically to awaken you. Again, I'm not selling you anything. I don't accept donations, I don't have a secret clubhouse, I don't have a following and I don't want a following. I don't want a clubhouse, I certainly don't want a religion, I don't want your money, and even if I don't get to know you until this is all done and we're celebrating eternity with God, that's just fine. I do this not for you. I do this for Yahowah because somewhere along this 22-year journey with Him I fell in love with Him, and frankly, I want what He wants and I've devoted my life to the thing that He wants most of all which is for His people to come home, to stop being political, religious and stupid.

1:03:16 You're the smartest people in the world but when it comes to your God, you're stupid. Open your eyes and ears. Start listening and reading. Be observant and come to know Yahowah. He's wonderful, liberating, emancipating, empowering, enriching and approachable. He doesn't want you to bow down in worship to Him, He doesn't want your money. He just wants you to get to know Him and He hopes that once you do the same thing will happen to you that happened to me and Dowd – you will fall in love with Him - because then He can do everything as a father on your behalf and lift you up, teach you, guide you, walk with you, enjoy eternity with you.

1:04:21 This is the answer. This is your hope. This is why we're here. This is why as bad as these next ten years are going to be that you can be like us and celebrate it knowing that this is what must happen for God's people to finally awaken and finally be willing to listen. It's been since the time of Moseh in 1447 BCE that you've been recalcitrant and obnoxious towards God. Read the Waters of Marybah. The story of The Exodus is not a story of celebrating how wonderful Yisra'el is. It's a story of how obnoxious Yisra'el is. It's been that way all the way through and still God hasn't given up on you nor have I. We want you to come home. We want you to recognize that your homecoming is not to religion, it's certainly not to bar Kokhba, Akiba or Maimonides, and it sure as hell is not to the misnomer "Jesus Christ," it's not the

mythos of progressive politics. It is to Yahowah. It is to Dowd. He is the Messiah, the Savior, the Son of God.

1:06:18 The reason that Christianity copied all that and came up with this mythical Son-of-God-Messiah character is because it was the only way to create any credibility for this artificial construct. Christianity stole Dowd's accolades and identity and then stole all the promises Yahowah had made to Yisra'el and Yahuwdym, which Yahowah called the Plague of Death. I don't think anyone who's ever spoken to you, Yisra'el, that has written a four-volume series of books renouncing Christianity. There is nothing ever written that does a more complete job of proving that the Christian New Testament and its principal founders, Peter and Paul, lied. They were demon-possessed. I have proven conclusively that the Christian New Testament is anti-Semitic and that it is nothing but a horrendous perversion and corruption of Yahowah's Towrah and Prophets while at the same time having written the most comprehensive analysis in opposition to the Sunnah, Hadith and Quran of Islam, one that now will be four times longer in four volumes, renamed *God Damn Religion*. Do you know of anyone who has lived through the open condemnation of Islam and the open condemnation of writing eight volumes among them against Christianity while at the same time writing three volumes against Judaism? You can read everything you need to know as to why Judaism is a complete fraud by turning to the *Babel Series of Yada Yahowah*.

1:08:46 So, here's a person introducing you to your God, Yahowah, the God of 'Abraham, Yitschaq, and Ya'aqob who is the same fellow that has proven Judaism, Christianity and Islam to be fraudulent and counterproductive. It doesn't happen every day. In fact, it hasn't happened in 6,000 years. This is nothing superficial; you won't find opinions in any of these books, but you will find a comparison between what these demon-possessed advocates, Akiba, Maimonides, Paul, Peter and Muhammad had to say and how it conflicts with what Yahowah said. They all claim that they confirm the Towrah, that they worship and are authorized by the God of Moseh and 'Abraham when in fact they're just the opposite. It's the great irony that the institution that claims to provide access to God is the one that is the greatest hindrance to approaching Him, but it's nonetheless true. So, tonight as we share with you all the reasons why there is no hope beyond Yahowah for Yisra'el and Yahuwdym, there is every wonderful possibility for God's people.

1:10:52 I've shared with you everything except the five benefits of the Covenant. I've shared the five conditions of the Covenant. I've shared the seven-step path that

we walk to Yahowah that comprise His Invitations to Meet with Him with each year. I've shared what He has predicted will be your fate and when all these things will transpire and why I'm the one who is talking to you about them. But let me share with you the five benefits of the Covenant:

1:11:25 The first is provided by Pesach; it is eternal life. The second is provided by Matsah; it is the perfection of our souls. The third is provided by Bikuwrym – it is being adopted into Yahowah's Covenant family. The fourth is and fifth are both provided through Shabuw'ah where we are enriched and empowered as God's children. Rather than lifting God up in praise and worshiping Him (which degrades Him and says that you think your god is somehow insecure and wants a praise bot – that is demeaning) it's Yahowah, our Father that is here to lift us up, not the other way around. He is in a position to do it – we are not and it's counterproductive. It's like a two-year-old saying, "Here, Dad. Let me see if I can balance you on my head." No. God is in a position to lift us up through these five terms, conditions and benefits of the Covenant when we accept them.

1:13:12 Those are the five conditions and benefits that are provided through the Mow'ed Miqra'ey which is the path we walk to God. We are now living in the fifth of those seven, and the most important day, the feast of Yowm Kipurym, is on our horizon in year 6000 Yah, October 2nd at 6:22 p.m. in Jerusalem in 2033.

1:13:38 That's where we are, that's what God is offering, that is what we continue to share and to write about, that is the reason why it was essential that I rewrote *Prophet of Doom* as *God Damn Religion* so that you would know what the Adversary is attempting to do with motivating Progressives and Muslims alike to side against Jews to degrade, dehumanize, to silence and eliminate them.

1:14:12 You may not know, and this again may be a surprise to many, but if you really want to know who Satan is and what he is about, open the last two books, *Venomous* and *Abominable*, in the *Babel* Series that I wrote. They cover the Book of Ezekiel. As it turns out, Ezekiel is very much like the Quran, better written of course, but everything is better written than the Quran. The Quran is the worst book ever written. Ezekiel is a more articulate and less repetitive version of the Quran. The opening sequence which is the vision that he says is of God (no, it's of Satan) and from there the story goes to 25 different ways to kill a Jew. Jewish women, the source of future Jews, are raped by this demonic voice of Ezekiel whereas he continues to rant on about the 25 torturous ways that he has to annihilate Jews. This all goes until we have the same thing that is trumped throughout the Quran which is

the Day of Resurrection (it's so stupid to me that I have trouble even saying the word) and the Day of Doom are the same thing in Islam and the same thing as many ultra-Orthodox Jews where they think that they're going to have a physical resurrection. It's the dumbest idea in the world, completely counterproductive, limiting and of course impossible. But in Islam you have to have a day of being bodily resurrected because it's flesh of men with really puny brains that is being tantalized in Allah's brothel and it is skin that is being singed, boiled and roasted in Allah's hell. So, that's the reason there is bodily resurrection. It's not going to happen.

1:16:34 What happens in Ezekiel? You've got the Valley of the Dry Bones where bones are being resurrected to be an army for Satan and he's doing the same thing that fills the Quran, or all this mumbo jumbo about Gog and Magog that is not true. Satan wants you to know that you're going to fight this last battle and that he's going to raise this army of walking zombies to attack Israel. His ultimate goal is to walk into what is a large version of Auschwitz that is plastered all over Jerusalem covering the entire city, even all of Judea, with this monstrous concentration camp that is the alleged "Third Temple" where then he waltzes in promising peace on the first day of 'Abyb two weeks before 'Elyah and I arrive. He begins with the Feast of the Beast in which he serves up cannibal-style blood and flesh, and the flesh to be eaten, according to ha Satan, will be Dowd's and mine. I don't think that's going to happen that way. Then he intends to make certain that all the Mow'ed Miqra'ey are changed, that none of them will be practiced as Yahowah instructed and that Matsah in particular is eliminated, as is Yowm Kipurym, and replaced by his celebrations because if he can preclude us from being successful such that there aren't 70,000 Jews awaiting Yahowah's arrival with Dowd on Yowm Kipurym, then he will prevail. But spoiler alert! He loses, we win, and I want you to be among those who prevail with us. Be there for the party. Come join us and become part of Yahowah's family. You will fall in love with Him too. You have nothing to lose and everything to gain.

1:19:08 Look at the last 3,500 years of the Jewish experience. When has it ever been good? When have you ever been right with God? Even when you had the Son of God and the Messiah leading you as your King you led an uprising against him. Even when you had Moseh, the greatest man in human history in terms of character, you built a goddamn golden calf while he was up there getting the Towrah. And then with the Waters of Marybah, you were flat-out obnoxious. You're celebrating Hanukkah and I'm telling you it was nothing but one of many Jewish Civil Wars and had nothing

to do with God. You have the nine-candle Menorah: Yahowah's Manowrah has seven. Seven matters because there are the three Miqra'ey with Shabuw'ah in the middle and then three Miqra'ey in the Fall - Taruw'ah, Kipurym and Sukah and on the other side Pesach, Matsah and Bikuwrym, and you mess all that up with your replacement everything, replacing Yahowah's name with HaShem, replacing His Manowrah, His seven Mow'ed Miqra'ey, replacing His Towrah with the Talmud. You've replaced God in your lives, and it hasn't worked out well for you. The definition of insanity is continuing to do the same thing and expecting a different result. You are witnessing the result. It's what happened when the whole world rallied against you after bludgeoning you on October 7th. I want to tell you it makes me angry and sad to see what happened on that day. It makes me angry and sad to see how Humanity around the world has taken the wrong side and reacted against Israel, and yet for the same reason I know that this is what needed to happen to get your attention. I don't think you would have listened to what I have to say, to what Yahowah has to say, if you didn't know that your backs are against the wall and that there is no other way out.

1:22:12 This is where you are. This is why I began the program this way. You need to know that's where you are and that is your future, and unless you change, the same result is going to occur. It did not work out well for you against the Nazis or the Communists, and it's not going to work out well for you against the Progressives. It did not work out well for you against the Muslims, the Romans, the Greeks, the Babylonians, the Assyrians, nor the Egyptians. If you want that to change you need to change your attitude towards Yahowah. Stop being religious. Engage in the Covenant relationship and everything will change; you'll be celebrating as we are.

1:23:56 I've covered what I wanted to share from the heart. Now, I'm going to share with you from the research that we have done as we began to analyze Dowd's Mizmowr. I don't know if you know it, Yisra'el, but if you look at the Dead Sea Scrolls there's one collection that there are more of than the Towrah or of the Prophet Yasha'yah. That is the collection of the Mizmowr | Songs of Dowd. He is the most gifted orator of all time, and he is the most brilliant man who ever lived. He's the only King who was also a prophet. He is the Messiah who was anointed with Yah's Spirit and is the only man in human history to have three lives. He was here and lived in 1000 BCE. That would have been the year 3000 Yah. He returned in the year 4000 Yah, and he will return again in the year 6000 Yah. He is the Exemplar of the Covenant, but also of Yisra'el. He is your Savior.

1:25:28 The opening chapter of Volume One of *Coming Home* is Desire the Towrah, and the byline is *Celebrating Yahowah's Teaching*. Towrah means “to teach, to guide, to direct.” It does not mean law. The Towrah is not comprised of the Talmud, Mishnah or any other rabbinical writings. There is not an “oral Towrah” and a written one, just a written one. God’s preference is for the written word.

1:25:56 We are going to stop broadcasting in a matter of seconds, but will still be recording, so I’m going to share at least the leadup to the first Psalm with you.

1:26:09 Father and Son are returning on *Yowm Kipurym* | the Day of Reconciliations in the Yowbel year of 6000 Yah. Do you know their names? Are you prepared to meet them? Do you know when, where, or why this will occur? Will you be there?

1:26:28 The author of the 1st *Mizmowr* | Psalm is issuing an invitation to those who want to celebrate with him. In the process, he reveals insights which are cathartic, transformational, and profound. And he is positioned to do so because the lyricist is the Son of God, a *naby*’ | prophet of the first order, and *ha Mashyach* | the Messiah. He is the exemplar of *Yisra’el* | Individuals who Engage and Endure with God and of the *Beryth* | Covenant.

1:27:19 While that’s a stout beginning to a worthy résumé (it’s the best in human history) the opening chorus of his first Song reveals that what he has said and done is of benefit to those who disassociate from the rhetoric of the religious, platitudes of the political, and the confounding babble of the conspiratorial. Having done so personally, he not only knew the joy associated with being liberated from these controlling and degrading schemes he was prepared to lead those answering his invitation to this same fortuitous place God had taken him.

1:28:05 We speak to you tonight and write for you because we have been there. We are there. We have left the world of men and we have joined the realm of God. We want you to join us there.

1:28:29 Therefore, the most extraordinary individual in human history, my King – I am his Herald - is offering to walk with us along the straightforward and correct path that gives meaning to life, albeit with a caveat. There is a prerequisite because his invitation is only for those willing to forego the caustic, disorienting and degrading influence of religion, politics, and conspiracy. It is not a coincidence that this same condition serves as the Covenant’s lone prerequisite.

1:29:15 Dowd’s guided tour away from mankind’s most pervasive schemes, and if you’re unfamiliar with that name, Dowd, that is actually how you pronounce it. It is

Dalet Wah Dalet דָּוָד. It reads the same left to right or right to left as it does in the original Hebrew language. It would be a doorway with a tent peg in the middle which would expand, secure and enlarge a home. His name means “Beloved.” It’s a verb. And as so many Hebrew concepts are actionable Dowd’s name means “Beloved.” He was Yahowah’s Beloved. The nice thing about Dowd is that while he’s a lot smarter, more articulate, and courageous than you and me, he’s no better than you and me. He’s flawed in all the ways we are flawed. The reason that is so is not just because he’s human but because God chooses to work with us and the only “us” there is flawed. We all have our flaws, and Dowd is no different except he is such an enormous individual in terms of what he's contributed to humankind. His are just bigger than the rest of ours because he's greater than us in every other way.

1:30:59 But that makes us understand that God can perfect the imperfect. That makes us know that this notion that Paul wrote that if you violate any part of the Towrah, you're guilty of it all is nonsense. The Towrah does not exist to convict; it exists to exonerate, and Dowd is the perfect example. He was perfect in God's eyes because he accepted the terms and conditions of the Covenant, and because he benefited from the Miqra'ey and fulfilled all of them. Dowd's guided tour away from Mankind's most pervasive schemes to enjoying Yahowah's company is through the Towrah. Dowd wrote the most comprehensive analysis ever on properly observing the Towrah; it's called the 119th Mizmowr. He takes each of the 22 letters in the Hebrew alphabet and writes eight stanzas from the perspective of each letter in alphabetical order, telling us exactly how we can get the most out of the Towrah. The first thing you would do is throw away the Talmud and recognize that Towrah means "teaching." This is strictly an academic exercise. We approach Yahowah in our brains. You want to see God? Observe His Towrah. He's right there. You can meet Him through Dowd's Mizmowr. Our guide, Dowd, lived it even to a greater extent than *Moseh* | Moses, who contributed to writing it.

1:32:52 Realizing that Moseh endured 40 years herding cantankerous and contentious Jews through the wilderness because they were too religious to enter the Promised Land, to claim that *Dowd* | the Beloved lived the Towrah to a greater extent than *Moseh* | the One who Draws Out is a revolutionary notion. But it is true, and he will prove it. And when you discover why, it will transform your life.

1:33:27 Before we go there, however, a word about that other name – YaHoWaH (It’s not just about Dowd, it’s about Yahowah). He just so happens to be *‘El* | God. Despite what you may have been told, His name is readily known and easily

pronounced just as is His ToWRaH. The “ah” sound is from the Hey, the “o” sound is from the Wah = YaHoWaH – it’s that easy. If you don’t know how to pronounce the Yowd, Yahowah said His name was based on a verb – actionable – “to exist” | *hayah*. With *hayah* and *towrah* you have the proper pronunciation of every syllable in Yahowah’s name. When you look at it the original alphabet, it’s an open hand  with the forearm and upper arm reaching down and out to us with an open hand, and then two people standing to the left and right  of a Wah, (tent peg) that secures and enlarges a home. Those two people are ‘Abraham and Sarah. Two people standing up, reaching up observing Yahowah. His name explains it all. God is reaching out and down with an open hand towards two people reaching up to Him paying attention to Him who are now safe and secure as a result. Yahowah’s name is the answer to what happened on October 7th. It is the answer to everything that will transpire over the next decade.

1:35:28 If you are not yet among those who know His name, who accept it, and who use it, which would include everyone who is religious, then you are not currently part of His *Beyth* | Covenant Family. And, therefore, you are estranged from God. Should that be true for you, then you are going to want to pay especially close attention to what *Dowd* | David has to say regarding his invitation to walk with him and benefit from him along the path to Yahowah.

1:36:11 And now a word about our guide. His name is DWD | Dowd. It means “Beloved.” He and his Father, Yahowah, will demonstrate beyond any doubt that the author of this *Mizmowr* | Song deserves every accolade bequeathed to him. These include *Ben ‘El* | Son of God and *ha Mashyach* | the Messiah, in addition to *Bakowr* | Firstborn and *Melek* | King. He is also *ra’ah* | our Shepherd, the Chosen One, the ultimate *Zarowa’* | the Sacrificial Lamb and Strong Arm of God.

1:36:50 Turns out, he is also our *yasha’* | savior. This distinction was earned during his second of three lives among his people. You, like many, are likely aware of some of what he accomplished as King of Yisra’el. Considering how his legacy is discounted and misappropriated in religious circles, I suspect that there are very few of you that know why Yahowah chose Dowd when he was eight years old, why He anointed Dowd three times, beginning at eight years of age, or why the *Ruwach* | Spirit enveloped him. I’ll bet those who have not at least read *Coming Home* don’t know why Dowd volunteered to fulfill Pesach, Matsah and Bikuwrym and then why Yahowah accepted Dowd’s offer or how you can benefit from it. But if you listen and read you will know.

1:38:09 Dowd's life, lyrics, and loves were tumultuous, cerebral and emotional, brilliant most of the time, and dimwitted some of the time, mostly courageous but sometimes cowardly. He was *the* man. He was *every* man. He was much more than *a* man.

1:38:37 Dowd's return to endure *Chag Matsah* (which is comprised of Pesach, Matsah, and Bikuwrym) on behalf of his people, and for the Covenant Family in the Yowbel year (the time debts are forgiven, slaves are freed, and the land returned) of 4000 Yah, which would make it the 89th Yowbel year after 'Adam and Chawah were exiled from the Garden, is boldly and irrefutably proclaimed throughout the *Mizmowr wa Naby*' | Psalms and Prophets. And yet, fewer than one in a million people are aware of his heroic and altruistic Second Coming. And even then, knowing what he has done for us is less important than realizing why he volunteered to do so and how it was accomplished and how we can benefit.

1:39:48 Admittedly, the clue Dowd has provided with the first word of his initial Song is far more subtle than I have been up to this point in this introduction. It is based upon '*ashery*, a compound of '*asher* | to benefit from the relationship and '*any* | me. '*Asher* is among the most expressive words in the Hebrew lexicon. As a verb, noun, name, relational pronoun, particle, and conjunction, it speaks of being blessed and becoming joyous by receiving the benefits of the relationship. This occurs by walking along the correct path to living life to its fullest, ultimately standing safe and free. '*Asher* may be the greatest word in all the Towrah.

1:40:50 It is interesting that 22 years ago when I began this mission the word that drew me into it was '*asher*. I was looking at a prophecy in 2nd Shamuw'el | Listen to Him that I'll bet I've not translated 20 times where Yahowah says that when sin is associated | '*asher* with Him that He would not spare the rod, and I knew that every English translation was wrong. I didn't know by how much, but it was by coming to understand the fullness of this word that I was introduced to Yahowah and got to know Him personally. And it was in the process of learning what '*asher*' means and its fullest connotation that I fell in love with translating. There're now over 30 books on the shelf at yadayah.com that all began with this first word. So, the first word of Dowd's first Mizmowr | Song is near and dear to me as it should be to you. Dowd reveals that we can travel along this path together to a more fulfilling and joyous existence while he shares the benefits with those who join him along the way. As we read further into his initial

1:42:28 As we read further into his initial pronouncement, we find ourselves being drawn away from religious rhetoric and political platitudes and then to Yahowah's Towrah. Once there, we are encouraged to ponder its implications day and night. Collectively, that's an amazing opening salvo from the most remarkable of men.

1:42:53 Here are the words Dowd scribed for our benefit, the first words of the most brilliant man who ever lived wrote for you and me...

1:43:06 **“Joyful with me and blessed by me** (*'ashery* – fortunate in the relationship with me, stepping along the straightforward and correct path which gives meaning to life with me providing the proper place to stand and live as a benefit; a compound of *'asher* – to benefit relationally with *'any* – me) **is the individual** (*ha 'ysh*) **who, as a result of the relationship** (*'asher* – who is elated and favored through the association, taking the proper strides to live a productive and prosperous life, blessed by the benefits of striding along the correct path), **does not walk** (*lo' halak* – he does not journey through life (qal perfect)) **in the counsel of those who are religious and incorrect** (*ba 'etsah rasha'* – in the advice of a con man advocating religious schemes through his rhetoric, in the criminal promotion of a revolting authority figure with a plan causing those who believe in it to be unjust, immoral, and condemned as guilty), **does not stand** (*lo 'amad* – he is not present, does not engage, endure, or remain (qal perfect)) **in the way** (*wa ba derek* – in the path) **of those who are misleading** (*chata'* – of those who should be ostracized for leading people astray and causing them to miss the way with their errant platitudes), **neither sits or dwells** (*lo' yashab* – he neither is established or seated, neither inhabits nor settles down, remaining (qal perfect)) **in the company** (*ba mowshab* – in the place, congregation, or dwelling, in the seat or position of power of a ruling socio-religious influence) **of those who babble, confounding by scoffing and ridiculing** (*lets* – of those who presumptuously interpret and arrogantly deride, mock, and scorn, causing derision through contempt and jeering, arrogantly mouthing a rebellious interpretation). (*Mizmowr* 1:1)

1:43:48 **Instead and by contrast** (*ky 'im* – however by contrast, genuinely and honestly), **within the Towrah | Teaching and Guidance** (*ba Towrah* – with the Instruction and Direction) **of Yahowah** (*Yahowah* – an accurate transliteration of the name of *'elowah* – God guided by His *towrah* – instructions regarding His *haYah* – existence and our *shalowm* – reconciliation) **is what is valuable and matters to him** (*chephets huw'* – is his source of meaning, of being pleasing and accepted, such that it is pleasurable and pleasing to him).

1:44:00 **And in His Towrah | Directions and Instructions** (*wa ba Towrah huw'* – and upon His Guidance and Teaching), **he meditates, giving serious thought and consideration to the information so as to speak decisively** (*hagah* – he reads and ponders, thinking intently, then decides and roars to remove what does not belong (qal imperfect)) **day and night** (*yowm wa laylah*).” (*Mizmowr / Lyrics to be Sung / Psalm 1:2*)

1:44:30 Boy, that is beautiful, comprehensive, insightful, pertinent, and exceedingly well written.

1:44:41 **“Joyful with me and blessed by me** (*'ashery* – fortunate in the relationship with me, stepping along the straightforward and correct path which gives meaning to life with me providing the proper place to stand and live as a benefit; a compound of *'asher* – to benefit relationally with *'any* – me) **is the individual** (*ha 'ysh*) **who, as a result of the relationship** (*'asher* – who is elated and favored through the association, taking the proper strides to live a productive and prosperous life, blessed by the benefits of striding along the correct path), **does not walk** (*lo' halak* – he does not journey through life (qal perfect)) **in the counsel of those who are religious and incorrect** (*ba 'etsah rasha'* – in the advice of a con man advocating religious schemes through his rhetoric, in the criminal promotion of a revolting authority figure with a plan causing those who believe in it to be unjust, immoral, and condemned as guilty), **does not stand** (*lo' amad* – he is not present, does not engage, endure, or remain (qal perfect)) [Fortunately, these things that we're not doing are all written in the perfect which means the moment we stop doing them we are fine with God.] **in the way** (*wa ba derek* – in the path) **of those who are misleading** (*chata'* – of those who should be ostracized for leading people astray and causing them to miss the way with their errant platitudes), **neither sits or dwells** (*lo' yashab* – he neither is established or seated, neither inhabits nor settles down, remaining (qal perfect)) **in the company** (*ba mowshab* – in the place, congregation, or dwelling, in the seat or position of power of a ruling socio-religious influence) **of those who babble, confounding by scoffing and ridiculing** (*lets* – of those who presumptuously interpret and arrogantly deride, mock, and scorn, causing derision through contempt and jeering, arrogantly mouthing a rebellious interpretation). (*Mizmowr 1:1*)

1:46:37 **Instead and by contrast** (*ky 'im* – however by contrast, genuinely and honestly), **within the Towrah | Teaching and Guidance** (*ba Towrah* – with the Instruction and Direction) **of Yahowah** (*Yahowah* – an accurate transliteration of the

name of *'elowah* – God guided by His *towrah* – instructions regarding His *haYah* – existence and our *shalowm* – reconciliation) **is what is valuable and matters to him** (*chephets huw'* – is his source of meaning, of being pleasing and accepted, such that it is pleasurable and pleasing to him).

1:47:11 **And in His [Yahowah's] *Towrah* | Directions and Instructions** (*wa ba Towrah huw'* – and upon His Guidance and Teaching), **he meditates, giving serious thought and consideration to the information so as to speak decisively** (*hagah* – he reads and ponders, thinking intently, then decides and roars to remove what does not belong (qal imperfect)) **day and night** (*yowm wa laylah*).” (*Mizmowr* / Lyrics to be Sung / Psalm 1:2)

1:47:29 So, how does Dowd begin his opening conversation with us? By telling us don't be religious and instead value what Yahowah is teaching us in His *Towrah*. He begins with *'asher*.

Join me there. Benefit with me. Benefit from me. Take this walk along with me. He introduces you to God's name, Yahowah. He had no problem writing it. He had no problem saying it. He loved Yahowah's name. The *Towrah* is Yahowah's; it's not rabbinical. It is comprised of direction and instruction, teaching and guidance for our lives. It's what matters to us; it's what should matter to you.

Well, that's a good start. We are now within moments of Blog Talk Radio telling us goodbye. I'm delighted that with the message still up there on Blog Talk Radio that their broadcast is defunct that we were able to get through this program and I am delighted to be able to talk to you from the heart about what you're facing, Israel, and to be able to call you home. Yahowah loves you. He wants you to know and love Him in return.

Good night. Shabat Shalowm.
