Introduction of "Song of the Herald" for the program

00:00:01 YADA: Wow! That's ...

00:00:05 DEE: It's very touching; It's hard not to cry.

00:00:11 YADA: Well, that was a song that was written called "Song of the Herald. It was written by Dee who sang that song. This is an extremely emotional experience for us. Twenty-three years ago, a God Whose name I did not know, a God Whose name no one knew at the time, it was on a Taruw'ah immediately after 9/11/2001 when He approached me and asked me to do what I have now dedicated the last 23 years of my life serving as His Herald, announcing the return of our king. His name is Dowd. It's been corrupted to David. He is the actual Messiah and Son of God. He is the Zarowa' | Sacrificial Lamb, the Pesach 'Ayil; we all who are members of Yahowah's Covenant Family owe him our very lives. He not only fulfilled Pesach in 33 CE, which is year 4000 Yah, he fulfilled Matsah, a day that even Jews know nothing about. It is the day that his soul, after his corporeal body, his *basar*, suffered torture by the Romans, who became the Roman Catholic Church over the next ensuing centuries, after they tortured him to death, he gave up his body as the sacrificial lamb, fulfilling Pesach, providing immortality to the Covenant Family. He volunteered to carry our religious and political guilt, the yeast of unyeasted bread into She'owl | Hell where he deposited it, never to be seen again, doing so on Matsah which made us appear perfect in Yahowah's eyes. This allows Yahowah to adopt us into His family with Dowd | David being the First born of the Firstborn children of Bikuwrym and it is his life 3,000 years ago that we were initially dedicated to report it because Yahowah referred to Dowd as His son. He said, "He is My Son. I am his Father." He said it on three different occasions. He said that of no one else. He then told us that Dowd was unlike anyone else, that His standards on who He chooses to be with are different than we humans. He said, "The one I have chosen, My Chosen One, is Dowd." He was a shepherd just eight years old at the time and Yahowah not only had him anointed with Olive oil, He also anointed him with His Spirit. His first act as the Messiah was to slay a foul-mouthed Philistine. Boy, would he have a field day today! I don't know if there's enough stones In Israel to slay all of the foul-mouthed Philistines as there are several million of them, although they are in no way, shape or form connected culturally or from an ethnicity to the Philistines of old. They're long gone, so usurping the Palestinian name is an outright lie. There is no such thing as a Palestinian or a place called Palestine. But since they have chosen the moniker, they might as well wear it. Dowd brought down the first of them. Goliath was the first to do the Muslim prostration prayer. He did a face plant right there in Israel.

00:05:36 During this build up to this point that we are here today as the Herald of Dowd, as I said, we began by recognizing that Dowd was very unique. There was no one in all of human history like him. And then we began to study his Mizmowr and prophecies regarding him. He is brought up more times in prophecy than anyone else. The second most prophetic references is to the voice of the Herald, so we have a lot in common.

00:06:04 What I learned as I wrote two books on Dowd's prophecies, I'm actually well into the third and about to start the fourth, is that Dowd was the ultimate prophet. No one wrote as comprehensive of prophecies or as many prophecies as did Dowd between his Mizmowr | Psalms and the Mashal | Proverbs. He is the individual most acclaimed and acknowledged in the Towrah. In the 18th chapter of *Dabarym* | Deuteronomy when Moseh is giving I think the single most important speech ever made, Moseh explains this is the role of the Lowy. You are the uniters. This is what is expected of you so that Yisra'el is aware of what God is offering us and what He expects in return. It goes from there to an overt condemnation of religion, that that being the thing that Yahowah dislikes the most about Israel's nature, the Jewish propensity to be religious, and that God is overtly opposed to all forms of religion.

00:07:29 From there, he speaks of the one who will be like him but also like Yisra'el. So, he will be from your people (He's speaking to Israel). That means he will not be a Lowy, a Levite, but that he will be from the heart of Yisra'el which would be Yahuwd and that he will be very much like Moseh. Second only to Dowd in terms of endearment to God is Moseh. To be like Moseh, you would have to be a prophet. There have been very few of those and only about 20 that have left a written legacy. Moseh is the first of them that left a written record. Dowd is the most prolific of them. The one that has the most sweeping panorama of prophecies, my favorite prophet, is Yasha'yah. When you speak of Yasha'yah | Isaiah one would think that he is addressing the fable that has become known as "Jesus Christ," but there is no Jesus Christ; no such person ever existed. The prophecies pertaining to Dowd are named. They include Dowd's name including the "Child who is born, the son who is given, who will be a great *Gabowr*" - Dowd. The prophecy about the *Zarowa'* who will become the Passover Lamb, carry the guilt of God's people - Dowd just as it is Dowd, the person that Moseh was speaking of in the 18th chapter, which then goes on to warn Israel about false prophets and how someone could tell immediately if they were speaking for Him or for someone else, and when you study presentation on the test of false prophets, you quickly realize there are a number of books that are in what's called the Old Testament that do not belong, Ezekiel being foremost among them, but there are many. And of course, the New Testament doesn't belong at all. It's trash as is the Quran as are the various books the rabbis have written, particularly the Talmud. When Jews claimed that they are Towrah observant, listen to them for a few minutes and you'll find that they'll quote a rabbi out of the Talmud.

00:10:16 So, we began to study what made Dowd so special and while doing that, one of the terms that was applied to him that the Towrah defines as "sacrificial lamb" is *zarowa'*. I was trying

to figure out, wait a minute. If he is the *Zarowa'* and he fulfilled Passover and I wasn't prepared to deal with that. But that led me, and now we're adlibbing here on this program because we had intended to go to a prophecy that was shared by *Yow'el* |Joel, and we will, but this song is so moving, I think I need to explain why this song was written and what we are doing here.

00:11:10 When I was studying why *Zarowa'* was used in context with Dowd, why *zarowa'* was used in context with the introduction to Yasha'yah | Isaiah 53 that speaks of serving as the Passover lamb, why was *zarowa'* used frequently in the Dowd Song, the 89<sup>th</sup> Mizmowr, probably the most compelling piece of literature ever written where he is called the Messiah, where he's called the Son of God, where he's called the Chosen One, where he's called My first born, where he's spoken of as "He is My Son, I am his Father," that he is returning as brilliant as the sun, there's no one like him. But as I was studying the uses of *zarowa'* then I was called back to what is really the ultimate Sermon on the Mount? It was delivered by Dowd's son Shalomoh | Solomon and he uses *zarowa'* in conjunction with a presentation that I had thought also applied to being a Herald on behalf of Dowd. I read this and it speaks of a *nakry* | an individual from a foreign land speaking a foreign language who would be observant and responsive and who would come and draw not only Gowym to Yahowah and reintroduce Yahowah by name, but also would call Yisra'el back to Yahowah. It's very detailed about the prediction of this individual. I'm reading this and said there is no one besides what I have done now these past 20 years who qualifies this and we're out of time for somebody else to step up. I was confronted by "Therefore, this passage is speaking of me." I then turned back to Yasha'yah 53, and it actually begins with a question telling Yisra'el that it is imperative that they listen to the one who figures out who the *Zarowa'* are and that there's three of them.

00:13:49 Then I was doing a comprehensive review of Yasha'yah for a series called *Observations* and 11th chapter is devoted entirely to an individual that Yasha'yah, inspired by Yahowah, refers to as a *choter* which can be translated really one of two different ways; they're related.

00:14:16 The first is a secondary branch. The secondary branch is important because Dowd is the primary branch. He is the branch on the Tree of Lives, and he provided those additional lives to us by fulfilling his role as the Passover Lamb. But there was a second tree in that garden. The second tree in that garden bears my name, Yada. Knowledge. So, not nearly as important as that primary branch, the branch that is Dowd. But there is another branch because the only way to get back to 'Eden is through knowledge, and Yisra'el has lacked it for a very long time.

00:15:11 So, we're reading about this *choter*, which is either of the secondary branch or it is a sucker. If you're into gardening, and I say sucker, you probably have a favorable impression. If you're not, and I say sucker, you'd say, well, that's a that's an idiot that doesn't know what he's doing and got himself in a real pickle. He was a real sucker on that one. He bit when he shouldn't have. Sucker is used in conjunction with the original root stock from which Dowd emerged, Yisra'el | Yahuwd and it's also connected with the fallen stump that represents Yisra'el. So, a sucker that

is growing from the old root stock that is Yisra'el and Dowd and the stump that has fallen of that tree, giving it new life such that it can be productive again so that there will be a harvest again of olives, now that sucker is exceedingly valuable, particularly with two harvests and a homecoming on our horizon.

00:16:35 The third term that Yahowah uses to describe this individual, He calls him by name Yada (which is the name that I started using 23 years ago, long before I knew any of this, it just means "to know, to be aware of, to acknowledge." And then we found *choter*, the "secondary branch and sucker." Then we found *nakar* "the observant foreigner, or *nakary* "My observant foreigner" from the Sermon on the Mount and then *zarowa'* which can be translated a number of different ways, and they're all applied for Dowd. He is the "strong Ram" that leads the sheep. He is the "strong arm of God," but mostly he is the "sacrificial lamb" who fulfilled Passover. For Moseh, who's the second mighty *Zarowa'*, he also shepherded the sheep and led them, nurtured them, protected them. But the third meaning of *zarowa'* is actually the one that is derived from its root, which is *zera' / zara'*. *Zera'* in Hebrew as a noun means "seeds," but Hebrew words are defined by their actionable root, which would be the verbal root of *zera'*. The verbal root of *zera'* means "to sow seeds" such that they take root and grow when cultivated and produce a harvest. Well, that would be my role.

00:18:14 We have the harvest of standing grain that is eminent two years from now on ~~Taruw'ah~~ Shabuw'ah, May 22<sup>nd</sup>, 2026, as the time of Ya'aqob's troubles commences, of Israel's troubles, the *tsar* of Yisra'el. The harvest after that is the Taruw'ah Harvest that will occur just 15 days before the end, 10 days before Dowd's return the 20<sup>th</sup> day of September in 2033 which is year 6000 Yah to a solar eclipse is when the final Olive Harvest will take place between Yahuwdym and Yisra'el and ten days after Dowd returns, which is what we're heralding. He returns as king. He is essentially king of the universe. He is as God in our midst. He will be as brilliant as the sun. He is the returning Messiah. But he is also returning as our Savior, and so he has earned our utmost respect.

00:19:33 So as we continue to study this remarkable man and what he had said, and I began to pay more and more attention to Hebrew moods. Hebrew is a language that has three primary ways to convey volition. Volition is free will. You can convey it in first, second or third person. As I translated Dowd's first 30 Psalms, maybe for the third or fourth time, I realized that many of the statements he was making he was speaking to Yahowah, and he wrote them in first-and second-person volition: I want. You have decided. You and I agree. We are of the same mind in this regard in what they were in agreement on, of Dowd serving as the Passover Lamb and of Dowd, fulfilling Matsah leading to Bikuwrym. He figured it out. He was stunningly bright and figured it out just by reading the story of 'Abraham and Yitschaq on Mount Mowryah | Revere Yah in the first example of Pesach and he figured out that he would be the lamb that the Father was providing. He also figured out that by reading the Towrah, which is really all he had available to him at the time, that

Moseh, who's the greatest man who ever lived in terms of just resolute character always doing the right thing at the right time for the right reason never, ever being selfish, and he realized that you could not be better than Moseh. But when you read the account of the exodus, which I have no understanding whatsoever as to why religious Jews want to celebrate it because they were horrible. You just can't imagine people being more embittered, more repulsive, more disgusting, more unappreciative, reprehensible than the children of Yisra'el when they're being escorted away from slavery by God in God's presence. It got so bad they said, "We don't ever want to hear from you again. Don't ever talk to us again. We never want to see you again. We don't want to talk to you again." And that's when the going was good. That's before they really got nasty. So, Dowd is looking at this and saying Moseh, here's the guy when he was in the lap of luxury, he was Pharaoh's right arm and he went to defend Hebrews who were being beaten by Egyptian taskmasters and risked his life to save a life doing the thing that I don't think there's five people on the planet that have the character and morality to do today that would prefer to take a video of it and post it on their social media account. Moseh did the right thing and you couldn't have been in a better position to say I don't need this, I'm on his side. I get all the benefit of what is being done here, but he did the right thing.

00:23:22 Of course, Jews being Jews, I mean, I serve Jews, but I want to tell you. You need to change. Continuing to do what you have done is irritating God because what you did is you told Moseh after he saved you, "Go away! Who made you our savior? We want nothing to do with you!" He left, became a shepherd in Western Arabia, right near Mount Choreb exactly where the Yisra'elites would return, and it was there that Yahowah did something that really changed my entire appreciation as to why God would reach out to somebody with no credentials whatsoever and ask them to perform in this way.

00:24:12 Now if you read *Yasha'yah* 11 the first thing you'll learn is that Yahowah recognized that the individual He was asking to do this had no qualifications whatsoever. So, he said, "I'm going to give you the seven spirits, and I'm going to embolden you. I'm going to make you smart. I'm going to help you understand, I'm going to do everything you could possibly need in addition to being steadfast and dependable, I'm going to do it all for you. You're going to have no excuses." What I recognized is that one of the reasons, and maybe *the* reason, that Yahowah chose Moseh of all the people in the planet (he was 80 years old) is He wanted him to go back into *Mitsraym* | Egypt, to liberate His people when there was a death warrant out for him because he had turned against the Pharaoh. And yet He asked this 80-year-old shepherd to go into Mitsraym with Him to liberate the children of Israel. First of all, Yahowah, doesn't do anything alone, so He always works through people. That's the first important lesson that I learned. OK. So Yahowah was looking for someone to work with because He doesn't like working alone.

00:25:33 Second, why did He pick that guy? Because he was the only person on the planet that not only understood the religion of the Egyptians, the politics of the Egyptians, the caste

economic system of the Egyptians, he knew it all and despised it and left it. Those are two qualities that Yahowah greatly appreciates. He wants to work through people who've had experience such that they know what they're doing on the things that He wants nothing to do with. So, all Yahowah had to do with Moseh was teach him the Towrah. He didn't have to teach him why religion and politics screw things up, he already knew, and Moseh did the thing that is required of all of us who want to be in a Covenant relationship with Yahowah, you must first walk away from religion and politics, otherwise, Yahowah has no interest in even talking to us. That's the first condition of the Covenant.

00:26:34 So I said wait, you know, I was the youngest ordained ruling elder in the history of the Presbyterian Church. I gave national speeches at large convocations with thousands and thousands of people, a trained evangelist. I knew the religion. I was a student of it. I had reached the point where I had become an agnostic because religion makes no sense. If you really are open to evidence and reason, you quickly conclude that religion has no validity and that's why I've now written four volumes called *Twistianity* demonstrating that. But now I realize, OK, so I understood religion and politics. I was very political. I've not just been in the White House; I've been escorted throughout the White House by presidents. I've known and had in my home and been in their home, not only presidents, but senators and heads of states. That was very political. I am now anti political as is Yahowah. I am anti-religious, as is Yahowah. All religions, all forms of politics. But I realize now why Yahowah thought maybe this guy is serviceable. When you look at Dowd, what was he? He was an outcast that had left the rest of the family and was tending sheep out in in Bethlehem, and when his sheep were at risk, he tangled with lions and bears. This is a guy with courage. This is a guy who doesn't go along with the rest of the program, a man who knows how to lead a flock as did Moseh. And then when you listen to what Yahowah had to say through His prophets, particularly Yasha'yah where He said I couldn't find a single one of My people for over 2,000 years who would listen to Me; not one, and then you study what the prophets had to say, beginning with Moseh, about the behavior of Israel and its abysmal!

00:28:51 Israel, you need to change. You can't continue to pretend that you were chosen by God and that you are His first choice, and that you have this wonderful relationship with Him when you won't even say His name. You don't know 1% of what I know about Yahowah and I'm a gowy. Shame on you! You don't observe the Mow'ed, Miqra'ey, you've got no understanding whatsoever what the terms and conditions are of the Covenant, what Yahowah is offering, what He's expecting in return. You have no idea of His timeline, you have no idea that His Son, Dowd served to fulfill the first three Mow'ed Miqra'ey, you don't know when the next two are going to transpire. You don't even know that it's Dowd who is coming back as your Messiah and King and the exact day that he's coming back to the very minute at 6:22 PM as the sun sets in Jerusalem on Yowm Kipurym on October 2<sup>nd</sup>, 2033, year 6000 Yah. You don't even know what year it is. You just need to wash it all out. I think it was Trump that during the COVID epidemic they were talking about how bleach wipes out all of the germs on contact. Maybe we need something like that for

the inside that will kill the virus. Maybe need a little bleach in the brain because religion is a virus, it is a deadly plague. It is the most deadly plague in the history of humankind, and the single most destructive religion to Jews isn't Islam, although it has declared genocidal war on Jews 1,400 years ago and is living up to that pledge. Not just Christianity that is responsible for the subjugation and oppression and harassment of Jews through the inquisitions all the way through the Holocaust. None of that would have happened without Christianity. Nope. The most caustic religion For Jews is Judaism. It was the rabbis who failed when it was obviously Dowd returning to serve as the Pesach 'Ayil. He had written extensively about it through Daniel. He told you the exact day he was going to arrive to do this, what he was going to do and the exact day he was going to arrive to do it. Through his 22<sup>nd</sup> Mizmowr he provided 1,000 years in advance of exactly what was going to happen on Pesach and how he was going to be crucified 500 years before crucifixion was even invented. In Psalm 88 he explains how he's going to fulfill Matsah; he told you what he was going to do. You read the first 30 Psalms and you realize he volunteered for this and Yahowah agreed with him. And you don't know that. How could you not know that? It's obvious. It's the single greatest discovery in human history, even though it's obvious.

00:32:23 Who would have thought that the single greatest discovery in all of human history, the realization that Dowd in his second life, volunteered to fulfill Pesach and Matsah leading to Bikuwrym so that we, for the first time ever, have an opportunity to have an extended life and to be perfected so we can enter Yahowah's company and be adopted into His family and inherit all that He has to give and that it was Dowd who did this, that he is our Messiah. He is the son of God. He is our shepherd. He is our king. Nothing more important. No, it's not that "Jesus Christ" guy; he was didn't even exist. There was no Jesus Christ. The fable, it is a germ from what actually happened when Dowd arrived as the Messiah to fulfill Pesach, Matsah and Bikuwrym. And because the rabbis didn't recognize the obvious and they foisted a false Messiah of their own, bar Kochba, Christianity took root and grew particularly with Sha'uwl / Paul being the father of Christianity, himself being a rabbi, the first person actually to use that term of himself.

00:33:46 And if that wasn't bad enough that you created that awful religion that tormented Jews for the next 2,000 years, rabbis are responsible for Islam. They sold Talmud readings to Mohammed when he ran out of material. The majority of the Quran is corrupted Talmud stories because the rabbis in Yathrib made a buck. And then when the rabbis being rabbis mocked Mohammed when he claimed that those stories came from Allah, and when he twisted them such that they just were laughable (that's true. They were laughable), but if you're selling somebody something and you know he's a psychopath, you don't mock him. And the Jews mocked him. Mohammed and his pet snake Allah decided that genocide was the best option, and the Jews they hadn't already exiled and stolen their homes and properties to support Islam's war machine they took all of the men and boys and cut off their heads. Young girls they enslaved and the women they raped. And those that they had exiled were now living in Khabar, and they did the same thing to them. Genocide. Exactly what Muslims are trying to pronounce worldwide,

“From the river to the sea, Palestine will be free.” Its genocide against Jews. Without rabbis, there is no Islam. Without rabbis there is no Christianity. Without rabbis there's no Judaism and God's frustration with His people would not exist. He would not have to have turned to a goym to serve as His Herald.

00:35:39 So we're looking at these terms and I've shared with you what *yada'* means. I've shared with you what *choter* means. I've shared with you what *nakar* means, and I've shared with you what *zarowa'* means. All terms Yahowah uses in this role the second most prophesied only to Dowd himself because someone has to serve as this Herald. Why would God care about that? Why would He have? Here's another one, *Basar*, which is the term that was translated, “Herald” in this song, *Bashar* means “a human spokesperson that not only sounds the alarm but shares the good news.” Why would God care? Why would He do that? Well, first, what He has shown through Dowd fulfilling Pesach, Matsah and Bikuwrym, through Dowd defending his people, through Dowd establishing the City of Yaruwshalaim, from Moseh not only delivering the Towrah, but of leading His people out of harm's way, Yahowah chooses to work through people. So, He was going to find somebody to work through. He works through humans, so it's going to be a *Basar*. That's just who He is. That's the way He likes to operate and it is what Jews required because when the children of Israel told Yahowah, we don't ever want to hear from you again God said, “I agree with that. That works out great for Me because you guys are miserable to be around.” Didn't say it that way, but that's what He's thinking. And you can know it for certain if you read the circumstances about this. He said, “You know, I rather like being in Moseh's company. I'll share My story through Moseh, and he can then report it to you.” He did the same all the way through.

37:44 Look at when Israel, with its absolute worst under Ahab and Jezebel and Yahowah had a single voice, 'Elyah and He said, “Go after them. Go after the prophets of Ba'al the Lord and Asherah, the Queen of Heaven and Mother of God. Go after them. Have fun with them. Be sarcastic. And then we're going to condemn them.” Yahowah always works through people, so he needed a spokesperson. He likes people who are sarcastic. He likes people who obviously understands, He likes people who are very passionate or dedicated, who are bold, who are courageous. He prefers to work with smarter people rather than dumber people. I want to tell you that when you read what Moseh says in *Dabarym*, he is brilliant, the connections he makes in his word choices. When you read Dowd's Psalms, you realize that was the most brilliant man who ever lived. God likes to work with people whose processors process information reasonably quickly and know how to make the connections that Dowd did, for example, to understand why it was appropriate for him to volunteer to be the Passover Lamb. As I shared with you, he studied Moseh and if they're not going to respect Moseh, how were they going to respect him because Dowd was a fully flawed individual. He was the best of the best at times and the worst of the worst at other times. He was a flawed individual and yet Yahowah saw him as perfect because of his great devotion to His people and his relationship with Yahowah.

00:39:27 So, Dowd realized that with this whole 'Absalom rebellion issue, what I did was embarrassing. If Moseh can't lead these people, how in the heck am I going to lead them for all eternity? And I think that's when the light went off and he said, what if I am literally their savior? If I offer my soul to carry all of their guilt away, If I offer my physical body to serve as the Pesach 'Ayil to prolong their lives, if I show them the way home through Firstborn Children | Bikuwrym, I make that all possible. There won't be anyone in eternity that will be there apart from those who benefited from what I'm doing? Three days, two of which were horrible beyond imagination for an eternity of appreciation. It was an easy call. He made it. And so over time we came to add to this heralding mission let's not just pay attention to Dowd, not just Dowd is the Messiah and Son of God, not just Dowd is the ultimate prophet, Dowd is our Savior and Dowd is our returning King and Shepherd. He is the returning Messiah and that's what all of this means. When we hear the "Song of the Herald." It is why it was so difficult after listening to it, and that's only the second time that I've heard it, but listening to what it is that we have been called to do, what we have been empowered to do, we've dedicated the last 23 years to doing.

00:41:16 Go to yadayah.com. Yada' means "to know." Yah is the shortened, familial form of Yahowah. Yahowah is God's name. You can go to yadayahowah.com too, so it takes you to the same place. Yadayah.com, yadayahowah.com. You'll find 33 books I think currently on the shelf; they are all free. Depending on where you are in your quest for information, you can choose where you begin. If you want to know what in the world is happening to Israel and what it is about Islam that causes them to be so genocidal in their rage against Jews, then read *God Damn Religion*. There's five volumes of it. Nothing like it in the history of the world has existed that is as powerful as *God Damn Religion*.

00:42:12 If you want to understand what it is about Christianity that has been so destructive in its Replacement Foolery of replacing Dowd with Jesus, of replacing Passover and Matsah and Bikuwrym with Good Friday and the Lord's Supper and Easter. If you want to know what it is that caused this fake religion, and more importantly, why that religion was born to be anti-Semitic and to demean and to demonize Jews and even more importantly why that religion through Replacement Foolery robbed everyone, particularly Jews of their savior because they piled their lies right on top of the truth, read *Twistianity*. I'm currently editing Volume Three. I'm about 80% of my way through it and in the next couple of weeks, we will have finished the entire series.

00:43:26 If you just want to know Why You Why Me? Where are we now? Why are we here? What are our opportunities? What's going to happen to us, read *An Introduction to God*, the first three volumes.

00:43:33 If you want to start at the beginning, it's a very good place to start, begin with *Yada Yahowah*. Read about the creation account. Come to understand why six 24-hour days of creation and 14 billion years, are exactly the same amount of time. Come to understand specifically the cause and location and timing and nature of the flood and what Yahowah had to say about it that

is precisely accurate scientifically. Come to understand why He spoke of Babel and what it means, and then why He asked 'Abraham to walk away from Babel. At the end, when Yirma'yah is speaking at the people at the very end, God's pleading with His people come out of Babylon. "My people come out of Babel."

00:44:32 This is the mission we have. We're calling Yisra'el, Yahuwdym and the gowym that would like to be part of God's Covenant Family out of the world of politics and religion, out of conspiracy and abusive economic schemes, calling them home to God, to the Covenant Family.

00:45:00 And so that corporal body that Dowd sacrifice was a *Basar*, and the Herald that Dee sung of is the verbal root meaning "to proclaim news," and I was about to share with you so why would Yahowah make such a big deal out of this *Basar* | Herald was because His Son did this. Yahowah loves His son more than anyone. His son volunteered to do the most courageous, compassionate, life transforming act in all of human history. No one has done what Dowd did and not only did it, he's the only eyewitness to it and he wrote the eyewitness account 1,000 years before it occurred. Yahowah is very proud of what his son has done. He's not only proud of what His Son has done, He's proud of what he wrote about what he was going to do and why he was going to do it. And yet, not a single person. For 3,000 years among his people recognized it, appreciated him for it, capitalized upon it. Can you imagine the hurt, the heartache of being Yahowah and having your first-born son do all of this to have your people reject it, choose a false Messiah, become religious rather than engage in the relationship He enabled, stink up the joint in terms of the religious interpretations of the Mow'ed Miqra'ey that Dowd fulfilled. They can't even say His name right. They now attribute a goddamn star to him not recognizing the star is for bar Kochba, the very person that the father of Judaism foisted as a false Messiah that caused the Diaspora leading to the Holocaust. How stupid do you have to be, Israel, to accept Judaism when the founder of the religion foisted a false Messiah that led directly to the Diaspora and the Holocaust? And instead, you turn down the opportunity to be part of Yahowah's family. You won't even say His name based upon the great sacrifice that His First-born Son, Dowd, the greatest of all humans and most certainly the greatest of all Yahuwd, made when he told you precisely what he was going to do. So, Yahowah, looking at His son's great sacrifice and contribution and is now only nine years away from His return, 33 when we started this, 32. And he realized there is not a single person listening to him. He wrote it all down, and no one's reading it. No one is processing it. What's going to happen? The Shabu'ah Harvest is just two years out. There wouldn't be a single soul there, if Yahowah hadn't engaged it in this way, not one. There wouldn't be a single olive to harvest, Jew to harvest, come Taruw'ah. There would be no homecoming because there would be no one home to come home to. So, if you want to know why Yahowah made a big deal about this and there's a song now of the Herald, and more prophecies on it than anything else, with the exception of Dowd's return, of which this job pertains to heralding. I work for Him. I serve alongside Yahowah but on behalf of His Son, and His Son is there for his people who have spit in His face It's way past time, Yisra'el, that you begin to listen to what your Messiah, your Shepherd,

your Savior, your King has to say to you. So, that's the "Song of the Herald." This is our life's calling. This is why there's 33 books on the shelf at yadaya.com. That's why they're all these resources there.

00:49:34 Now, before we get into Yow'el, we do have an announcement for many of you who are listening to the archives of this program. You know that there is now a Yada Yahowah YouTube channel. In fact, there's a variety of channels that are linked from social media and that we are presenting videos that have the audio from these programs with the text supported by text and some of them also supported by pictures and video and that the combination between the vocal outreach to God's people, the written outreach to God's people, the fact that you can view it on any device and that it draws you to the wealth of knowledge that is available to you at yadaya.com all free, we don't charge for anything that we offer, it is 23 years of 12 hours a day, seven days a week, all available to you free. In fact, it costs us money to do what we do for you. And so we're clear here, the time that we have returned to us versus the time that we have invested in this is on the order of infinity times 4. So, this is not a complaint from that point of view, and the inheritance we all receive as being Yahowahs Covenant Family is beyond a billion trillion earths, so we're really very comfortable with the return on all of this. That isn't why we did it, however.

00:51:35 Our purpose in doing it is that when you study the Towrah apart from religion, if you leave religion and begin to study the Towrah and prophets, you fall in love with Yahowah. You just do. He is so wonderful you fall in love with Him. And as you fall in love and you are charmed by His brilliance and His personality, then you feel this calling to share the God that you've come to know through His words, and you want to share what He has told us is going to occur and you want to share what He is offering and asking in return. And that's our motivation for doing this. I think it's the motivation for everyone who has worked for Yah.

00:52:26 DEE: That's so true, and it's also about protecting Yisra'el, who we have also come to love through the words and passion of Yahowah, who loves Yisra'el. You absolutely cannot be a part of this if you don't have a love and a protection for Israel. So that is also why we're doing this to help get attention, Israel's attention to prevent what's coming from happening and getting worse?

00:52:52 YADA: So put this into perspective when you talk about love for Israel. No one loves Israel more than Yahowah. And yet, the single most prevalent theme throughout the Towrah and Prophets and the non-prophetic theme, and it grows all overtime to be in prophecy as well, is God's disgust with His people's propensity to be religious. He condemns their propensity to be political, but the single greatest focus throughout the Towrah and Prophets is God's disgust with His people being religious and choosing religion over relationship, Yahowah tells them these things over and over and over again thousands of times because He does care for them. So, when I chastise Yisra'el and Yahuwdym saying that you've been reprehensible as it relates to Yahowah, it's not because I don't like Jews. It's because of it. My entire mission is to awaken Jews to

Yahowah. But there's no way to do that without letting God's people know how wrong they have been and how long they have been wrong. And until they're willing to acknowledge that everything that they have done has been wrong and counterproductive, just like Moseh. While Moseh was in Mitsraym he was useless. When he walked away, then he became the single most important person on the planet. While I was a Christian and I was engaged in politics I would have been useless to God. Knowing those things and coming to despise them and walking away from them I became available to Him. This is what Jews need to know. They need to understand how horrible their religion has been, how horrible their politics are now that's tearing the country apart. Israel doesn't need an enemy; they are their own worst enemy. So, we speak harshly of what God's people have done and are doing to get their attention so that there are those who are willing to listen and acknowledge that they have been wrong and come to know Yahowah, understand what He's offering and expecting in return.

00:55:27 In that regard, there are some exceedingly powerful videos on YouTube. The Yada Yahowah channel, and there's variations of that. There's probably 7 or 8 channels now on YouTube. And some of these videos are literally goosebumps kind of category of power.

00:55:51 Tonight on Rumble, and we're using Rumble initially because of the search bots on YouTube that use artificial intelligence, which is programmed stupidity, to censure sites for telling you the truth if you use sayings that even though they're true, they don't want anyone to say. There are truth police out there now, religious police, political police, speech police. And so, we can post it on rumble. We will link to it; it'll be Yada Yahowah on Rumble. We will link to it from all the social media sites. But the trailer for what may be the single most powerful video ever posted on social media, maybe the most important video ever posted on social media, although I think some of these that explain who Dowd is and what the Miqra'ey represent and who Yahowah is and these sorts of things are extremely powerful, but Israel is at war. Israel's not at war with Hamas. It's not at war with Islamic Jihad. It's not a war with Iran. It's not a war with Hezbollah. It's at war with Islam. And Yahowah has a lot to say about this war. A lot.

00:57:22 He details it. He told Israel exactly what was going to happen, which happens to be to the day, October 7<sup>th</sup> in 2033, is exactly to the day 10 years from the time that the Earth is restored and all Muslims are gone. All Christians and religious Jews and Haredim are gone too, but that's another story. Exactly 10 years to the day. He told us exactly what was going to happen, and October 7<sup>th</sup> of 2023 is just a mosquito by comparison to the asteroid that wiped out the dinosaurs. This next attack will be 1,000 times greater: 1,000 times the jihadists, 1,000 times the death, 1,000 times the rapes, 1,000 times the hostages, 1,000 times the militants, 1,000 times the bombardments 1,000 times. And that's going to occur not long after Israel is forced to doing what anybody with half a brain recognizes Israel cannot do and survive, which is to offer a terrorist state of Islam to those who wish to kill them. But it is going to happen. And when it happens, Israel will be so vulnerable that it would be like the Neville Chamberlain moment and Israel will

face what will be its final solution if it weren't for God's intervention at the very end. But by that time, two out of every three Jews will die, and probably 90% of the rest of the human population. So, it's going to be a very tough period out there.

00:59:12 So, long story, probably longer still, my wife and Dee, my wife I think contributed a lot to it, but Dee has been the driver on this particular video, have, and maybe I'm wrong into who did how much of it. Maybe it doesn't even matter, but the trailer for this video will be posted on Rumble this evening and sometime tomorrow the full trailer. It is the most eye-opening video that you can even imagine in terms of what happened on October 7th, how horrible it is for progressives and for Muslims to be celebrating it, how horrible it is for the United States and Israel and Western Europe to be demanding Israel do this, that, and the other to protect civilians. There are no civilians in this conflict except on the Jewish side. But there's not on the Islamic side, showing them for who they are, what they did, and the implications going forward, because a far worse terrorist attack is coming, and the only way you can save yourself from it is to be part of the Covenant Family which is why Yada Yahowah is there. But we're also going to tell you what's coming. I did a full year in advance of October 7th, 2023, explained what was going to happen, the magnitude of it, exactly how it would play out and now I'm telling you, because the prophets have told us that within three years there will be the second phase of this at 1,000 times.

01:01:05 So that is where we are and that video, very graphic, it does what I begged Israel to do. I said you need to show the world how horrific Islam is, what they did, what they celebrate, what they believe, what the Quran says, how they act so that when people rise up in the cities and they shout "Freedom for Palestine," you have an understanding that there is no such thing as Palestine and that they are Muslims and Islam is a death cult and that you ignore it or pacify it at your peril, and that Israel is in a battle for its very life, and if there is no Israel we're going to find a Holocaust times two. If there is no Israel to be a safer haven, no place to go to, which is what happened in the 1920s and 1930s and early 1940s, then it will be the Holocaust Part 2.

01:02:27 The survival of Israel is exceedingly important, and we wanted the world to know just how disgusting the rioters are around the world with the exception of those that are protesting Kamala Harris's political rallies at her convention. You just go right ahead. But without exception they are revolting around the world and particularly on college campuses, but in major cities around the world, absolutely horrendously disgusting. And the progressives who are making it possible, who are responsible for them to have this opportunity, there'll be a hell of a price to pay for what you have done for your total foreclosure on morality, your complete hypocrisy. And we want everyone to be held accountable, including the college professors and chancellors and presidents who have sanctioned these kinds of things and the liberal progressive politicians who allow them a voice. It is illegal to make such statements and yet they do, and no one seems to care, and the world just cowers. You know, I've had thousands and thousands of death threats for

having written *Prophet of Doom* now *God Damn Religion* in five volumes is 100 times more powerful.

01:03:58 Sometimes we just need to stand up. We need to be accountable, need to do the right thing for the right reason, and that is what this video does, and the trailer will be on Rumble tonight. The reason for Rumble is that they don't have the search bots trying to figure out everything that they can shortchange.

01:04:19 And in this regard, the world has decided to have a vendetta against Elon Musk. Europe is calling for his head, there are Americans that are calling for his head, progressives worldwide and the leftist media are calling for his head. Elon Musk, while he does not know Yahowah, he is not part of the Covenant Family. For a non-Covenant member, he is the single most important person on the planet today, clearly the most brilliant. He did something that I can't even imagine a person doing. He recognized how important free speech is and that online at every social media site there are thought police who preclude free speech. Without free speech, there is no communication and this kind of show cannot exist, even though we're speaking directly for God, telling you what He had to say, and we expose religions like Christianity and Islam and Judaism. We do so based upon their own scriptures. You cannot prove anything we've said is wrong. Everything we've said is easily verifiable and yet the thought police won't allow it.

01:05:37 So what did Elon Musk do? He spent 50 billion dollars and bought Twitter, turned it into "X" so there could be free speech and now they're screaming, "But you're allowing people to say hateful things." The progressives would shut everybody down if you're saying anything, if they disagree, with total control. Elon Musk said no, you can't do that. Free speech is essential. I admire him for that. I'm grateful to him for that. Had he not done so, our world would deteriorate much more rapidly, and it'd be much more difficult for us to get this message out.

01:06:29 What is the trailer called, Dee?

01:06:32 DEE: "Terror is Coming." We'll share links to it on all the social sites, but it will be an outsourced link because we can't actually upload the video to any social sites.

01:06:51 YADA: So, what you can do, just go to yadayada.com. If you go to the Community tab, you'll find I think it's the first list is all the social media outreach that that Dee coordinates along with my wife for us, and with many other helpers in the Covenant Family and you will find the links to it there. But be prepared, it is shocking.

01:07:20 DEE: It is not for children.

01:07:22 I gave Israel a list of six things that Israel had to do if it was going to survive what happened on October 7<sup>th</sup>, and I gave that list to Israel on October 8<sup>th</sup>. I've earned the right to say it, and I've shared many programs as to why I've earned the right to say it, and I even reviewed this just a week ago. But one of those points was the story needs to be told the whole truth, the

unvarnished truth, the unmasked truth, the truth-as-gross-as-Islam-actually-is truth. If you aren't able to face the truth, then you ought not open your mouth or have any opinion, and you are worthless as a human being. So, if you are marching or speaking, or are voting on behalf of the Democratic Party now in the United States, I'm anti political, so I have no party affiliation. I'm not recommending, in fact, I recommend you don't vote at all. But if you're supporting the Kamala Harris ticket and the progressive agenda in America, which is pro Islam and anti-Israel, then you've brought a tremendous curse upon your country and yourself and you need to know it. If you're a right wing wacko and you're a conspiratorialist that wants to have your conspiracy of the Protocols of the Elders of Zion and want to blame Jews for everything then I'm here to tell you you'll here to tell you, you have brought a tremendous curse upon yourself.

01:09:04 It is interesting, by the way. They all quote the Synagogue of Satan that is in the Revelation presentation and the Synagogue of Satan is the synagogue that Paul spoke to. It is Paul that is the person being called out as the Synagogue of Satan and Paul's the man most responsible for the Christian religion.

01:09:32 While these things are important for people to know, there are three places you can be: You can be just ignorant so that you don't have a clue about any of this. Your life's meaningless and it's soon going to end. You can be on the wrong side, like progressives and Muslims and conspiratorialists are and you can be contributing to the demise of God's people. I'm going to tell you there will be hell to pay quite literally. It's a very foolish proposition, both morally and rationally, but also spiritually. Or you can do something extraordinary. You can make your life matter. You can actually please God. You can protect your soul and others, which is you can become informed. You can become passionate and knowledgeable and reasonable and bold and tell the truth. Join us calling God's people home. Join us in condemning all of her foes. Those are your options. You have very little time left, so please choose wisely.

01:10:54 All right, I did promise and wrote this was going to be a review of Yow'el. We're going to start with Yow'el 1:15. Our review of that was a couple of weeks ago, but I want to read up to where we're going to rejoin it begins.

01:11:11 **This is a notification ('ahah) to those approaching this day (la ha yowm) because (ky) the Day (yowm) of Yahowah (Yahowah) is near (qarowb). A great force will be exerted (wa ka shod) upon (min) the arrival (bow') of Shaday | the One Who is Satisfactory and Sufficient (Shaday). (Yow'el 1:15)**

01:11:35 Oh my, you've been put on notice. The **Day of Yahowah**, which is His return with His Son, Dowd, is going to occur on Yowm Kipurym in the 120th Yowbel year, year 6000 Yah. Now you can go to the yadayah.com site, look at the timeline, which Dee also worked tirelessly on. Part time she is a mom. Full time I think she is a Yahowah strategist. So, you can check out that timeline. That timeline was based upon the translations that I have done over the last 23 years

and conclusions that I have formed, and she was able to go through and validate it all more thoroughly than I probably did as I was writing these books about this timing. But the **Day of Yahowah** is Yowm Kipurym, October 2, 2033, if you want to put that on your calendar.

01:12:44 **A great force will be exerted.** Yes, Dowd is returning. God is going to instantly incinerate all of those who have come against Israel, who are opposed to Jews. He's going to transform the earth from the mess that it is in, a death zone by that time, into the conditions experienced at the Garden of 'Eden. We're going right back to the Garden, and we'll enjoy life on this planet for 1,000 years as a garden, as 'Eden with our Father.

01:13:18 **The arrival of Shaday** says it all. Why? Because Yahowah, who happens to be the only God - creator of the universe, author of life, the One who provided His Towrah and Prophets, Yahowah, is not egotistical. The one being in the universe who couldn't even be egotistical if He wanted to. How can you say something that would be boastful if you're God, right? The only reason we exist and that life exists is because He created it. So, it's pretty hard for God to be boastful, but yet Yahowah is approachable - literally gets down on His knees to lift us up. That's why religious worship and prayer and bowing down is so offensive to Him. The whole model is He gets down to lift us up. He's capable of doing that. We're not capable of going the other way around. So, He says, "I'm satisfactory, I'm sufficient. I will do exactly what I said I was going to do. You'll be pleased. I'll get the job done. Trust me on this." It says that God is not egotistical and that He is approachable.

01:14:31 I've worked with him now for the last 23 years of my life. We are best friends. We have a wonderful relationship. I do not worship Him. I am not fearful of Him. There are times when He nudges me up pretty darn good like when I said I don't want to have to go back and rewrite *Prophet of Doom*; that was a dark time in my life writing about Islam. Allah is Satan. Mohammed was the most deplorable man who ever lived. I did not want to do that. But on the morning of October 7, when I saw what was happening, I said, "God, I know that that book is explaining why this is happening. But Oh my God, I don't want to go back." It's the only book I hadn't rewritten in all that time. I wrote it 20 years ago. And God gave me a good poke inside. "I've taken care of you. Now take care of My people." So, He can get His point across.

01:15:35 When I was asking Him, "Hey, you know, Yahowah," I was sitting there with my wife and we had just the one dog at the time, 'Asher, and 'Asher is an important part of our family, and we said, "You know, what's going to happen with 'Asher when we go?" In what we thought was going to be the Taruw'ah Harvest, now Shabuw'ah, and Yahowah just says, "Where do you think you are going?" Oh. I get it now! There's two witnesses and one of the two witnesses wasn't named. I get it. Sorry for being so slow on the take-up. Yeah, He's got a sense of humor. He'll put you straight when you need to be straightened out, but He is otherwise, and even in that, He's fun to be around.

01:16:33 I like strong personalities and I'd rather be around a man's man. We have all these weak jellyfish. Look at the pictures of the Haredim in Israel. They're curlicues and arms smaller than my fingers. They're just disgusting to me. I like a man's man. I want a woman to be a woman and a man to be a man and like strong personalities who are willing to take a stand. And Yahowah's like that. He's also, if you're looking for a great mother, He's also got all the maternal characteristics with the Set-Apart Spirit. So, Yahowah is making it clear that it will be an exceedingly powerful day, but yet He's going to be approachable. And He's putting us on notice because this is what's going to transpire before this. He wants His people to know what's going to occur. So, this is Joel | Yow'el.

01:17:29 What do you think your well means? Yo | Yahowah 'el | God

01:17:36 **To You ('el 'atah), Yahowah (YaHoWaH), I call out (qara'). For indeed (ky), fire ('esh) has devoured ('akal) the dwelling places (nawah) where the word is questioned (midbar) and ablaze with flames (wa lehabah lahat) are all the trees (kol 'ets) of the field (ha sadeh).** (Yow'el 1:19)

01:17:53 Look at northern Israel right now. But it's going to get far worse.

01:18:01 **Sound the Showphar (taqa' showphar)** What is the symbol of both Shabuw'ah and Taruw'ah, the coming Harvests? The Showphar. It's the Rams horn. Who was the ultimate ram? Dowd.

01:18:13 **Sound the Showphar (taqa' showphar).** That is what the Herald does.

01:18:19 **in Tsyown** Oh, we got the whole world pretending not to be anti-Semitic. Oh, we have no problem with Jews. We just don't like Zionists. Well, then you don't like God because God is a Zionist, because Dowd/David is a Zionist. He happens to be the King of the universe. You don't like Zionists, you aren't going to fit in. You're not going to be part of the community going forward.

01:18:38 **Sound the Showphar (taqa' showphar) in Tsyown and among the Signs Posted Along the Way (ba Tsyown) signaling future action, providing a warning, an explanation, and a shout of exaltation (ruwa') on My Set-Apart Mountain (ba har qodesh 'any).**

01:18:57 Taruw'ah, which is the day that I was called in 2001 to do this mission is the very purpose of it. The definition of Taruw'ah is defined by this verbal root *ruwa'*. It means "to signal a warning" to tell God's people, Jews, you need to understand that from actually the time of 'Abraham (he was a scallywag) through Ya'aqob (wasn't a whole lot better) and then immediately the brothers go off and sell another brother into slavery and they become even more reprehensible in Mitsraym, and on the exodus they're the worst of the worst. You need to understand that you need to be warned that a continuation of this behavior is insane. Look what has brought you.

01:19:52 Then at the same time signal that there is a wonderful opportunity awaiting those who make the right decision, who come to know what Yahowah is offering and asking in return which starts with knowing His name, which was of course the third word in this particular statement.

01:20:22 Where does He say it's going to take place? **On My Set-Apart Mountain** (*ba har qodesh any*). That's Mowryah.

01:20:31 So, **“Sound the shofar in Tsyown along the ridgeline along Mowryah** from Dowd's home to Yahowah's home **along the signs posted along the way**, which is the very story that we're telling you now, **“signaling future action, providing a warning and explanation and a shout of exaltation on My Set-Apart Mountain.”**

01:20:50 **Be roused to anger** (*ragaz*) **all of you who live in the Land** (*kol yashab ha 'erets*) **because the Day** (*ky yowm*) **of Yahowah's** (*YaHoWaH*) **return** (*bow'*) **is near** (*qarowb*). (*Yow'el* / Joel 2:1)

01:21:01 So, there certainly can't be a Jesus, can there, if Yahowah is returning and no Allah if Yahowah is returning. What in the world are you thinking about, Israel? Yahowah is returning and you don't even know His name! You won't say His name! You need to know that name and understand that name if you're going to be part of that group that He's going to return to! What did He say? He said something that I wrote in the first sentence of the five books that I wrote, called *Observations*, which is hate is a virtue. Today we're told that hate is the bad thing, and that love is the good thing. No, you can't love until you learn to hate. If you don't hate Islam, then you cannot be moral or compassionate. You have no love if you don't hate Islam. If you don't hate Rabbinic Judaism, the same thing is true. You need to know what to hate: pedophiles and pedophilia, rape and rapists, mass murder and mass murderers. These are things to hate because of the consequence they have on people. And when a religion like Islam conditions Muslims to fight and kill all Jews and then to declare war on all mankind, which is what it does, you need to hate that.

01:22:23 When Paul lied through his teeth in all of his 14 letters and as his letters inspired the Gospels (and it wasn't written the way you read it now), Matthew wasn't written until 95 CE six decades after the events, and even then was plagiarized entirely from three sources. Mark was used specifically by Paul, who wrote his book first, but after Paul's death and all of Paul's letters were written and distributed. And Luke, of course, was Paul's heeler / promoter. Paul, whom who admits that he was demon possessed, and whom Yahowah calls the Plague of Death plague of death. **You should be roused to anger** against these things. You should despise what Islam has done and is doing. You should despise is what Christianity represents. You should hate what Judaism has done to God's people. You should hate what progressives are doing to tear Israel apart and decide with the Muslims against Israel. Be roused to anger! If you don't learn how to hate, what to hate, then you're incapable of being moral as a person.

01:23:57 And hate does not drive you to commit acts of violence. Use your words, open your mind, learn the truth. Speak it. Wield words wisely. **Be roused to anger.**

01:24:14 Some of you no *kol*. What does *kol* mean? All is all all means.

01:24:22 **Be roused to anger all of you.**

01:24:27 And then *'erets* can be translated as "Land" or "earth," *yashab* means "those who are presently inhabiting the Earth and the land.

01:24:39 **because the Day** (*ky yowm*) **of Yahowah's** (*YaHoWaH*) **return** (*bow'*) **is near** (*qarowb*). (*Yow'el / Joel 2:1*)

01:24:46 It's only 9 years away but so much is going to happen between now and then we this is our last opportunity to make a difference.

01:24:58 **It will be a day of darkness during a time of ignorance and confusion** (*yowm chosek*) **when there is a reduction of light** (*wa 'apelah*), **a day of obscuring phenomenon** (*yowm 'anan*), **gloomy and miserable** (*wa 'araphel*), **similar to** (*ka*) **the swarthy blackness** (*shachar*) **which is spread out** (*paras*) **upon the mountains** (*'al ha har*) **with many dimwitted unenlightened people from a large and powerful army** (*'am rab 'atsuw*), **the likes of which** (*kemow huw'*) **has not existed previously, even to the dawn of time** (*lo' hayah min ha 'owlam*).

01:25:29 **And after this** (*wa 'achar huw'*), **it will never occur again** (*lo' yasaph*) **throughout the years** (*'ad shanah*), **generation unto generation** (*dowr wa dowr*). (*Yow'el 2:2*)

01:25:37 Wow. Yow'el 2:2 tells it all. We are right now in this time of utter darkness, of complete ignorance, of confusion, when the truth is obscured between progressives having control over education and indoctrinating an entire generation so they can no longer think. And the fastest growing religion being Islam with 2 billion people indoctrinated to despise Israel, to call for the ethnicities and nation's demise. Conspiratorialists that are so screwed up, they wouldn't know the truth if it hit them between the eyes like a two by four.

01:26:34 **This is a time of darkness, of confusion, of ignorance. There is a tremendous reduction of light, a time of obscuring phenomenon,** most of which you see today, whether it's on the news, where most of what they're saying is wrong, or social media. Excuse me, Dee, but it's just true. So much of it is dark.

01:26:53 **Spread out upon the mountains.** Now, this is an umbrella summary - world vision - of what the prophet is witnessing as he looks at the Earth today. But then he's getting very specific.

01:27:10 **That spread out** (*paras*) **upon the mountains** (*'al ha har*) **with an enormous number of dimwitted and unenlightened people so numerous as to be uncountable**

01:27:23 This is the thousandfold version of what happened on 10/7/23 because the likes of this have never happened previously.

01:27:34 The largest invading force of all time was 5 million Germans that went into Russia, but they did not go in at one time. This is a one-time invasion. That's why Iran hasn't attacked Israel to any degree, even after promising to punish them is because they want to keep most of their ammunition and their troops free, and they want Israel to relax a little and pull back from their borders, and they're hoping for the establishment of the Fakestinian state that they can use as this dagger in the heart of Israel so that it's all at once and for all time, that's what this is talking about.

01:28:23 **So numerous, they cannot even be counted, the likes of which has never existed at any time like this.** And then God is saying it will never occur again. Well, part of the reason it never occur again is He is returning with Dowd to eliminate all of those who have come against Israel. They'll be sent off to She'owl and those who are the dunderheads will have an opportunity, probably, to go into the millennial Shabat as servants of the Covenant members, but likely have no life beyond that because you will have to have chosen to be part of God's Covenant Family to be considered an heir going forward.

01:29:08 Then it says **As they approach** (*la paneh huw'*), **fire will consume them** (*'akal 'esh*). So, Yahowah is going to incinerate those who come against Israel in the final battle.

01:29:16 **and behind them** (*wa 'achar huw'*) **a flame blazes** (*lahat lehabah*) **as the Land and Earth** (*ha 'erets*) **come to resemble** (*ka*) **Gan 'Eden | the Garden of Joy** (*Gan 'Eden*) **before them** (*la paneh huw'*).

01:29:34 I came to this conclusion probably 20 years ago that when you look at the story of what occurred in the Garden of Eden and then as Yahowah tells this whole story throughout time over the seven epochs of human existence, that it's apparent that the Shabat is mirrored off of this, that the seven Mow'ed Miqra'ey with Sukah / camping out all lead to this, that Yahowah loved the Eden experience where there was no religion, there's no politics, there's no dishonesty. There's just a loving family-like relationship where we celebrate life and do things together. That's what Yahowah is taking us back to. That's what He's restoring the conditions on this planet to. And the best way to get rid of the rubbish is to incinerate it, which is what Yahowah is doing.

01:30:38 **Behind them** (*wa 'achar huw'*) **is a desolate and unpopulated wasteland clothed in horror** (*shemamah*),

01:30:45 Of what these Muslims and progressives are bringing against Israel.

01:30:51 **and in addition** (*wa gam*), **there is no escape or deliverance for them** (*peletah lo' hayah la huw'*). (Yow'el 2:3)

01:30:54 It's too late for them. But for the rest of us there's camping out with Yahowah in 'Eden-like conditions.

01:31:03 **There will be what could be compared to the appearance of (*ka mar'eh*) swift flying armaments and swift flying military transports and war planes (*suws*). This phenomenon could be perceived (*mar'eh huw'*) as being similar to armored personnel carriers and mobile calvary (*wa ka parash*), especially pertaining to the way they run and are driven in pursuit of their foes (*ken ruwts*). (*Yow'el 2:4*)**

01:31:25 **As with the loud roar and thunderous rumbling (*ka qowl*) of these wheeled military vehicles (*merkabah*) upon the summits of the mountains, their leaders seek the high ground (*'al ro'sh ha har*) as they leap about, springing into the air (*raqad*) like the crackling of a flame (*ka qowl lahab*) of fire devouring (*'esh 'akal*) stubble (*qash*). Such is the nature of this multitude, multitude, of unenlightened people, this vast and severe throng of militants (*ka 'am 'atsuwm*) drawn up, aligned, and arranged (*'arak*) for war (*la milchamah*). (*Yow'el 2:5*)**

01:32:00 **From their presence (*min paneh huw'*), the people (*'am*) tremble and shake, writhing in anguish, terrorized and tormented (*chayl*). Every face (*kol paneh*) becomes flushed and pale (*qabats pa'ruwr*). (*Yow'el 2:6*)**

01:32:17 **Like warriors (*ka gibowr*), they charge ahead, quickly chasing their prey (*ruwts*). As men (*ka 'ysh*) of war equipped with weapons (*milchamah*), they scale (*'alah*) barriers, protective walls, blockades, and walls (*chomah*). Each individual travels in his own route for the cause (*wa 'ysh ba derek huw' halak*). They do not renounce their pledge nor swerve (*wa lo' 'abat*) from their path or conduct (*'orach hem*). (*Yow'el 2:4,5,6,7*)**

01:32:53 Yahowah is explaining exactly what is going to happen to Israel. This is 10/7 times 1,000. This is the fate of the world, which will, by the way, engage in World War. You've got because of really stupid maneuvering and politics on the side of the United States, which is maneuvering desperately now. The United States has sent emissaries from Turkey into Iran to try to garner favor with Iran and separate itself from Israel. The United States is very quickly becoming God's foremost enemy on Earth. That's why Isaiah 17 and 18 condemned the United States of America. And this is where the entire world is going to boil up into World War and the consequences are going to be horrific. These militants are dimwitted. The average IQ and the Islamic world is essentially moron, somewhere between 70 and 75. Average is 100.

01:34:20 DEE: If anyone wants to see evidence of that, just watch some of the IDF interrogations on these hostiles that they brought in for questioning. They are just utter morons.

01:34:37 YADA: The last time that an IQ test was taken in Gaza it was done by the British using the most sophisticated standards, and the average IQ was 60. They used to have a word for it that was "retarded." Now the replacement would be developmentally disabled, but they're not

developmentally anything. They are just stupid savages. They become monsters. They're Vipers. Walking around with weapons, they attack without relenting. They rush into the city and towns and from within the walls and barriers running into the houses climbing through the windows, entering like thieves. The pledge that Yahowah says they are not renouncing is called the pledge of Aqaba in Islam. The first year of the Islamic era is based upon this. So, Islam is literally based upon the pledge of Aqaba and if I were to ask 10,000 people in the world, "Can you explain to me what the pledge of Aqaba is" if they haven't read *God Damn Religion* and my review of Islam where the Quran, the entire Quran, is presented for you and put into the context of Muhammed's life wouldn't know the single most important pledge in terms of the last 2,000 years. There's nothing even comes close to it.

01:36:09 Muhammed, after a whole series of embarrassments, I don't want to go through the whole thing here. You can read *God Damn Religion*, but after enormous numbers of failures and promising to be a savage, found some pagans in Yathrib who pledged to wage war against all mankind and Allah and Muhammed never let them him forget it. It is

01:36:29 The definition of a Muslim is one who is committed to being a Mujahideen. Mujahideen is a jihadist that wages war against all mankind, starting with the Jews. That is what defines a Muslim. All good Muslims are terrorists. The only way to be a Muslim and not be a terrorist is to be a bad one, to be a hypocrite, according to Allah, and he's going to burn them in hell. That is the pledge of Aqaba, and if you look at what happened on 10/7, as they lived up to their expectations they ran into the houses, they crawled through the windows, they entered like thieves. In Islam the eighth surah is called "The Spoils of War" starts by saying that stealing is lawful and good in Islam. Yahowah has read the Quran and He knows exactly what it says. This was written by someone who understands precisely what Islam has created. Be aware that in Islam Alah is Satan.

01:37:26 **The earth will quake before them (*la paneh huw' ragaz*). The heavens will be shaken (*ra'ash shamaym*). The sun and the moon (*shemesh wa yareach*) will grow dark (*qadar*) and the stars (*wa kokab*), their brightness (*nogah hem*) will be taken away (*'asaph*). (*Yow'el 2:10*)**

1:37:42 I told you that the Taruw'ah Harvest will occur on a solar eclipse that is on September 25<sup>th</sup> of year 6000 Yah, 2033. The Sukah celebration as we transition from a plagued Earth with religion and politics and war to these Garden of 'Eden conditions commences with a lunar eclipse. It's one of the very few years where there is a solar eclipse and a ~~winter~~ lunar eclipse, not only in the same year, but also both fall on the Mow'ed Miqra'ey; one on Taruw'ah, the other on Sukah. It is also in this year that Pesach and Matsah will be a lunar eclipse and the first of 'Abyb in year 6000 Yah will be a solar eclipse. There are plenty of signs, but the most important signs are in Yahowah's prophetic testimony.

01:39:02 So He has warned you that what's going to happen, Israel. You can be naive if you wish to. You can pretend that the IDF is going to protect you. One of the things I kept on saying to Israel right after October 7th, and we'll remind them time and time again, while the citizens army of the IDF is the most noble, heroic and virtuous and courageous in the world their leaders are not. Their leaders do not deserve the quality of that military. And on October 7th of 2023, the IDF failed miserably completely and totally, and it was the only bastion of hope that Yisra'elites could rely on because their politicians are hopeless and the rabbis are worse.

01:39:56 **Yahowah will offer appointing, enabling, and putting in place.** It's what the song that we led into this program exclaimed, His voice. **For the reappearance and presence of His especially worthy individual and empowered and capable man of exemplary character, who is especially forceful involved.** We did this program before. It is very difficult to speak of these things, but yet it's important to Yahowah; it's important for His people to know that He has said this about the voice that is speaking on behalf of His people. Remember His people said, "I never want to hear your voice again." God said, "I understand. I'll honor that request." And so here we are. Like it or not I am that voice. **Yahowah will offer appointing and enabling, putting in place His voice.** You're hearing it here.

01:40:57 This is your last opportunity to come clean, to walk away from religion and politics, to embrace Yahowah by name, to accept the conditions of the Covenant, to attend the Mow'ed Miqra'ey as they were designed, to be part of His Covenant Family.

01:41:20 Now Yahowah Is a proud father. While Dowd is the Firstborn Son of Yahowah, He has many sons of daughters in His Covenant Family. *Beryth* is from *beyth* which means "family and home." When someone is willing, flaws and all, because He doesn't see the flaws because our flaws were carried by Dowd into She'owl on his fulfilling of Matsah, when Yahowah experiences members of His family devoted to His calling that are doing as He asked, that are devoting their lives to His people and to His return and to His son's return and to the making people aware of what His son has accomplished, He views them very favorably. So, we shouldn't be surprised that Yahowah's view of His voice is much higher than anyone. Maybe my wife and my two fur faces I think might have a similar view, but that would be it. I'm laughing at this but that is the nature of a loving father.

01:42:39 If you're willing to go into the family business and do what Dad wants, and Dad happens to be God in this case, and the work is saving His people from certain doom where no one has been willing to do it for 3,000 years and you're willing to engage and do this, God is happy about it and so is Dowd. And so, He says,

01:42:59 **"The appearance of the presence of His voice is an especially worthy individual, an empowered and capable man of exemplary character who is especially forceful and bold,"** (Well, we're going to agree on the last two.) **"for it is certain that his place to camp out is closely**

**associated with him greatly exceeding what is required, therefore robust and capable, influential and forceful, sufficiently competent to complete the mission.”** The mission is for there to be a wonderful and fulfilling Shabuw’ah Harvest, for there to be a wonderful gleaning on Taruw’ah of God's people and for it to be the most *joyous* homecoming imaginable on Yowm Kipurym when Yahowah returns with His son to Yaruwshalaim. That is the mission.

01:44:16 While God has other submissions like He doesn't want anyone left without excuse so, our website makes all of this information available free to anyone in the world. There are about 8 billion smartphones today. Anybody can access it. And the social media sites provide outreach and now these video presentations are even more compelling. So, collectively, between the written and the spoken word and the video presentations and these audio programs God is certain that the mission that He has given us will be completed as He intended.

01:45:06 **“The one who engages and acts upon His message from His word is indeed exceedingly valuable and uncommonly important on the Day of Yahowah.”** Listen, I'm looking forward on the Day of Yahowah to being in the back corner of the room and just witnessing Yahowah enjoying this great family reunion where so many members of His Covenant Family get to embrace their Father for the first time and to watch that joyous occasion is the thing I am most looking forward to followed by a prolonged vacation. **“And he is respected greatly, it says, “tremendously, greatly appreciated, (*yare’ me’od*) by whoever is lifted up and carried away by him.”**

01:46:09 Dowd made this possible and Yahowah made it possible for Dowd. Dowd made it possible for us. I'm just telling you about it, but please capitalize upon it, make our Father happy. Make yourself happy. There is so much for us to benefit from.

01:46:31 **“Yet even now, once again, prophetically declares Yahowah, you should choose to return to be restored all the way to Me enduring forever based upon My restoring testimony by using your best judgment, by being disciplined and abstaining, and by shedding tears of joy while contemplating the reasons for mourning over what was lost and gained.”**

01:47:04 Yes, indeed, we think our way to Yahowah. Our time is short, the opportunity is great, the consequences are dire. And so, just as Yahowah announced that He is returning, He is giving us some advice. This was written in the *qal* imperative, which means a literal interpretation of a genuine relationship between Yahowah and those listening to Him and in the imperative mood which is an expression of volition in the second person.

01:47:40 So, **“You should choose to return and be restored (*shuwb*) turn around and change become fully recovered all the way to Me,”** which means you need to start saying His name. Know His name, celebrate His name, come to appreciate the name and reputation and title of His son, Dowd. Appreciate what Dowd has done for us in terms of providing an elongated life and perfection so that we can be part of the Covenant Family and live forever with our Father in heaven here on Earth for 1,000 years, even before that. Return all the way. Enjoy the Mow’ed

Miqra'ey, understand what they represent, understand how they demark time and when they were fulfilled and when they will be fulfilled. It's actually very straightforward to understand God's timeline and He gave us all the tools to know that He fulfilled Pesach, Matsah, Bikuwrym in 33 CE, demarking year 4000 Yah and that 40 Yowbel from then is 2033, being year 6000 Yah when the final three Mow'ed Miqra'ey, Taruw'ah, Kipurym, and Sukah will be fulfilled on their appropriate dates. This is the story that Yow'el, the Great Prophet, was telling his people. There is more I can share on this. I'm going to read to you another line and then we're going to say good evening for this program. It says:

01:49:26 **“Tear away and disassociate your hearts and minds and without your deceitful and treacherous garments.”** God hates religious dress up.

01:49:39 You know the Haredim that are dressed for their own funeral, at least they have that part right, but nothing else, Muslims wearing burkas that are just repulsive to God, the Pope in his religious get up, views them as *begad* - treacherous garments. They're deceitful.

01:49:57 **“Return (*shuwb*) to Yahowah** which is easily pronounced. Four vowels, YaHoWaH **your God. For indeed, He is compassionate. He's merciful. His long-suffering, impatient and slow to anger, abounding and steadfast and loyal love.** He is the perfect father and the Set-Apart Spirit is the perfect mother. **And they will provide reassurance and encouragement during this malevolent and miserable ordeal.”** (*Yow'el* 2:13)

01:50:41 There is a safe harbor in this storm. It's Yahowah, and He is doing everything short of begging us to come home and He will do everything except compromise who He is. He's made the path available. He's told you what He is offering, what He expects in return. And it's not much, folks. He's offering a lot. Five benefits of the Covenant, eternal life, being perfected, being adopted into His family, being empowered and enriched to an infinite extent.

01:51:22 And the five conditions, the five things He's asking for are all to our advantage. The first of those is the prerequisite. It's the very thing that I told you about Moseh that made him someone who was usable. You need to walk away from Babel, which is the intermixing and commingling of religion and politics and truth and lies. Walk away from religion and politics, conspiracy and patriotism, from the family of man, so you can become part of the family of God. It is a prerequisite. It is non-negotiable. There are no religious people in heaven, never will be, never have been. No one who was overtly political will be there either.

01:52:06 2. God says walk to Me and become perfect. The only way we do that is we capitalize on what Dowd did by carrying our yeast, our religious and political guilt with him, his soul into She'owl to deposit it there. We walk along that seven-step path beginning at Pesach with the second step being over the threshold of the door to Yahowah's home into His Family on Matsah. That is how we are perfected by Him.

01:52:33 3. Yahowah then says as a third condition, trust and rely on Me. Rather than relying and trusting in the IDF, your favorite political party, or some rabbi or priest, He says, "Don't do that. Trust and rely on Me. I've told you what I was offering, what I was expecting in return. If you meet those conditions, you can be assured of the result that I have promised. Trust and rely on me."

01:53:14 Then number 4 is to closely examine and carefully consider the terms and conditions of the Covenant relationship. He wants us to understand precisely what He's offering and what He's expecting in return. That's why we're going through this list at the conclusion of our program.

01:53:38 And number five, the very thing that Paul revolted against to become God's adversary and the Covenants adversary and the Towrah's adversary and Dowd's adversary, God says as parents we should circumcise our son on the eighth day, and as men, we should be circumcised if we wish to participate in Passover, this doorway to extended life, because it is our way of showing that we understand that we're being separated from the family of man, that we are being born into, cut into, the Covenant Family of God. And it's this disassociation from one and association with the other, this distinction that makes us unique that is the sign of this Covenant that we have accepted. Those are the five conditions. All of them are for our benefit and the five rewards are eternal life, perfection, adoption as God's heirs and as His children into an everlasting universe in seven dimensions where we are enriched and empowered, enlightened and emancipated. And all of those promises are delivered through Dowd's fulfillment of the Mow'ed Miqra'ey, and the rest are waiting to be fulfilled in very short order with the Shabuw'ah and Taruw'ah Harvests, the Yowm Kipurym homecoming and Sukah as the earth returns to the conditions found in Eden. Every bit of that was conveyed through the Prophet Yow'el | Yahowah is God.

Well, I wish you a wonderful Shabat too, one and all. Normally we do this at the opening of the Shabat. For us, the Shabbat is now concluding, and it is our pleasure to have been able to bring you this program and for this to be moved into the archives and hopefully become part of future audio programs that are posted on YouTube. Make sure to go to Rumble this evening. See the trailer tomorrow to see the full video that Leah and Dee have produced and are making available to you. It has been a labor of great love knowing what to hate and how to hate on behalf of loving Yahowah and His people.

Goodnight, May God bless.
