

August 23, 2024, Shabat Towrah Study - *Taqa' Showphar ba Tsyown* | Sound the Showphar in Tsyown Year 5991 Yow'el 2:13 - 15

Please note I have transcribed this verbatim as much as possible. Words containing a strikethrough indicate possibly Yada misspoke and means the word following the strikethrough. A \_\_\_ indicates I could not understand what was being, a ? indicates I guessed at a word, and \*\* indicate one party interrupts another that is speaking. Thank you for your understanding. Mary Kris

00:01 That is stunningly beautiful, Dee, that song that you have written. I thought it would play when we started the show. We'll have to figure out how to remove Andy's "The Exodus Song." That song has served us well for many years and it is so central to our calling which is to call Yisra'el home. The last exodus was out of Mitsraym. Mitsraym is the plural of *matsowr* and it means "to question, to ponder the implications of being troubled, of being afflicted, of being oppressed, and of being curtailed in a hostile fashion." So, it speaks of religious and political oppression. This current exodus that Yahowah has asked us to call His people from is from Babylon. It is why Yirma'yah, in his prophecies by speaking on behalf of Yahowah, is calling Yisra'el out of Babylon. And so, "The Exodus Song" speaks to those things and it is so vital for Israel to hear but it isn't as vital as doing the things that your song does which is proudly pronounce Yahowah's name because that is the first step in coming home for Yahuwdym, for Yisra'el, for anyone. You can't even begin the process until you come to know Yahowah's name.

0:01:44 The other aspect of it, of course, is that 23 years ago Yahowah asked us to herald this message. That is the Herald's song. It speaks of our calling which is to awaken Yisra'el, Yahuwdym, to the realization that it is their King, their Messiah, their Savior, our Savior, our King, our Messiah because we are part of the Covenant Family, who is returning, and he is returning soon. His return is just nine years away as we speak. It will be on Yowm Kipurym in year 6000 Yah, the 120<sup>th</sup> Yowbel which is sunset 6:22 p.m. October 2<sup>nd</sup>, 2033. Of course, there's a great deal that's going to happen between now and then including the largest of the Harvests, the fourth Miqra', will be fulfilled and that is Shabuw'ah. It is a harvest of standing grain. Yahowah speaks of it as wheats (plural). There are two loaves of bread. This is very significant because it means that this particular Harvest will be of Covenant members whether they be Yisra'elites, Yahuwdym, or Gowym, and as we now know within the Covenant Family that has developed over these last 23 years that we've been conveying Yahowah's name and His message communicating what God is offering and expecting in return the five conditions of participating in the Covenant and how they are enabled through the fulfillment of the Mow'ed Miqra'ey, the Invitations to Meet with God, fairly even numbers between Gentiles and Yahuwdym. So, it is appropriate that the Shabuw'ah Harvest will just seven years prior to Yahowah's return. It will occur on May 22<sup>nd</sup>, 2026. The next fulfillment of the Miqra'ey will be Taruw'ah. Taruw'ah is going to be in year 2033, so it will be September 25<sup>th</sup> of 2033 year 6000 Yah, just 10 days prior to Dowd the Messiah returning with Yahowah. So, there is indeed a great deal that is going to transpire. Of course, the 10-year reunion of October 7<sup>th</sup>, 2023, will be October 7<sup>th</sup>, 2033, which is the first day of Sukah, of camping out with God where the Earth is returned to the conditions experienced in 'Eden, although that means that there will be no one who is religious, no one who is overtly political. The two warring sides of the house divided of Israel, Progressives on one side and the Orthodox religious on the other, they will both be excluded from this return. There will be many Yahuwdym, there will be many Yisra'elites, but they will be among those who are neither political nor religious. So, that is the time frame as we go forward.

0:05:09 There were some really haunting messages in the news this week. Two of them were interviews and editorials written by two of the women who were young women, late teens, I think in both cases, very pretty young ladies, that were abducted by Muslims. Everybody wants to blame Hamas but they're simply a symptom of the greater problem which is Islam. They spoke about being forced to wear the hijab, the Islamic way of degrading women and being forced to recite Islamic prayers. They were physically abused, and they were sexually abused. These are things that the Quran authorizes. These are things that Muhammad did and encouraged. This is why the problem is Islam. It is not Hamas and that's what these young ladies were subjected to. There are additional songs one that I heard for the first time today that I think is already posted on the Yada Yah YouTube account, also on Yada Yah Rumble, that you can link to from the homepage of yadayah.com in Community that was inspired by a young woman who was abused in this way. It's another tear jerk but it's a song that needs to be sung. You will find on the Rumble page *Terror is Coming* which is a very powerful long video about 15 minutes long about what happened on October 7th and how it was perpetrated by Muslims that Hamas is just part of the problem and simply a symptom of the larger problem of Islam.

0:07:25 I say that knowing the religion better than anyone in Israel, probably as well if not better than anyone in the world having written five 825-page books where I translated the entire Quran, set it into the context of Muhammad's life and then did a running commentary on what we can learn based upon what he did and said and it is easily the most dehumanizing, deadly religion ever conceived. It is a terrorist Manifesto. Islam is a death cult. All good Muslims are terrorists. These are irrefutable conclusions that would be drawn by anybody who reads the Quran. Islam is incompatible with humanity. It manufactures psychopaths and there is no hope for anyone in an Islamic community to turn out any different. That's one of the things that became apparent as these young ladies told their stories because what they made very clear is that when they were being beaten, as they were being abducted and paraded through the streets there were no civilians; all of the Muslims were cheering and as they were held in captivity the Muslims would degrade them and curse them. There are no civilians in this cause; the perpetrators are Muslims and they're incompatible with humanity.

0:09:16 The other thing that was so gripping about their story is they thought that if they were ever released that they would be released into loving arms appreciated for the ordeal that they were put through for no fault of their own by these savages, inhuman tormentors, terrorists good Muslims, bad people. What they found is the world ablaze in Muslims and Progressives condemning Israel, the victims, and flying flags and praising the perpetrators worldwide. Look at the outside of the Democratic Convention and they actually wanted to speak at the convention and goddamned Biden actually said, "You got a real point there," screaming that they want to perpetrate genocide against Jews and claiming that they're the victims when they perpetrated the most horrendous acts that the world has witnessed in 2,000 years.

0:10:23 These are far more savage acts than even took place in the Holocaust. Yes, the numbers are greater in the Holocaust but not the savagery. The savagery here was grossly excessive of that. *Watch Terror is Coming* if you want absolute proof.

0:10:41 So, it is sickening to me to watch Progressives fan the flames of Israel's demise legitimizing these Barbarian savages, torturing, mutilating, incinerating, abducting, raping Jewish men, women and children siding with Islam which has been disgusting in its approach to all forms of freedom including women's

rights. Shame on you, Progressives, and shame on you Liberal cities that allowed this kind of thing. Here at the Democratic Convention the Progressive mayor wouldn't allow the Jews to march in the streets but they sure gave every favor to the Muslims and then had the audacity to report that they were pro-Palestinian.

0:11:52 There is no such thing as a "Palestinian." Shed your stupid ignorance. They're pro genocide. They hate Jews. The notion that it'll all be solved with the two-state solution is utter nonsense. Muslims don't want two states. They want one carved out of the heart of Israel. If you were to give Muslims a state it would be a staging ground for Iran to destroy Israel and nothing less than that.

0:12:26 I read in the *Jerusalem Post*, which is a progressive piece of trash, that CCE?? and Biden have agreed that Israel needs to be flexible as it relates to these negotiations which is another way of saying they need to leave the Philadelphian Corridor, the border of Gaza and Egypt, so that Hamas can move back and forth as well as Islamic Jihad and all of the Muslims can rearm themselves.

0:12:59 Why would you be dictating anything to Israel? They were attacked. It's their sons and daughters, their fathers and mothers, their children who are being held hostage who were kidnapped by these Muslim savages. Why would you dictate anything to Israel as if both sides need to be more flexible? No they don't. Israel has not only every right to defend itself and to destroy these savages and it doesn't matter how many people die because this is the culture that caused that to happen. They celebrated it. They're responsible for it. They ran back with the hostages to this community. When the six dead Israelis were recently captured and returned by the IDF it had one common denominator among them: they were assassinated, they were shot by their captors. These aren't people. They have no right to exist. Not only they have no right to a state, they have no right to exist. Until you understand the evil that is Islam, until you have read the five volumes of *God Damn Religion* please just be quiet and don't embarrass yourself. This is the reality that we find ourselves in. So, I would encourage you to go to yadayah.com, click on Community, follow that lead to either the social media or to the Rumble or YouTube channels of Yada Yahowah. Listen to the many movies that are there but particularly these new songs that have just been posted as well as, which are gripping and they're so much more powerful when you can see the lyrics displayed behind them and the visuals that have been created for these songs. It's a wonderful experience and a wonderful way to celebrate this anticipated reunion between Israel and God's people and that Yahowah represents the only way to protect Yah's people from what's coming.

0:15:27 It is germane for me to remind Yisra'el that the next phase of what they endured on October 7th is going to be at the very least a hundred times worse both in aerial bombardments and in the number of militants and the macabre behavior they display could be a thousand times and I think it's likely that the 150 or so Hezbollah terrorists will be joined by what is in the range of about 2 million young jihadi-aged men that have self-identified as a Palestinian and they will come from Jordan and from Syria and from Judea and Samaria and again from Gaza and there will be some Egyptians and some Syrians and some Jordanians and, of course, some other Lebanese and the Iranian military numbers in the range of 400,000. The Turkish military range is about the same number; it could be a thousand times, but it will at least be 100 times worse. And that attack, I think the most likely date for that attack, is in June of 2027, about a year after Israel is forced to surrender its heart on a plate to award Muslims a state of terror carved out of their midst.

0:17:21 So, it is recognizing this that we continue to go through the revelations of the Prophet Yow'el because he spoke of all of this and he spoke of what the alternative was because while Yisra'el and Yahuwdym have been anti-God for a long time, I saw a video this evening of the Haredim, little-boy-weasels, children dressed up in their morning suit with their little curly cues wallowing on the ground and just being a nuisance screaming because they don't have the backbone to defend themselves or Israel. Teenage girls will go in and fight to defend Israel. Teenagers are raped by Muslims and these pieces of worthless trash, these Orthodox Jews, these Haredim, all they're good for, their curly cues, arms about the size of my little finger. What an absolute disgrace. And the worst part of them is not just that they're complete and other parasites, completely useless human beings, is that they besmirch the name and the Towrah of our God. They claim they that they are Towrah observant, and they know nothing of the Towrah. They are Talmud toters. They are controlled completely by the rabbis and they don't know one one millionth of the Towrah that I do. They give the Towrah a bad name by mentioning it and they talk about their g-d and HaShem. They got no clue who Yahowah is. I can tell you there is no one on the planet that God despises more than those creeps. Yes, He will incinerate all of the Muslims in that final battle that come against Israel, good riddance, and all of the \*\*.

0:19:45 DEE: I watched some clips recently of the rabbis and they are so anti-Israel. They hate Israel. They don't want to contribute to their existence. They hate the Towrah. They hate Jews.

0:19:59 YADA: They do. They hate Yahowah, and by the way, it's mutual. God hates them and it's easy to see why. So, with that introduction and I'm sure that's surprising for listeners and you should know that Yahowah is exceedingly anti-religious. Throughout the Towrah the thing that God continually rails against is the propensity of Jews to be religious and they are irascible, they're disgusting, they're revolting, the Children of Yisra'el throughout the entire Exodus process, and they don't get any better in the Promised Land. Easily the most rebellious and nasty people as it relates to God are Jews and it's obvious. That's the number one theme throughout the Prophets and the Towrah. So, I'm not saying something that shouldn't be obvious to everyone. After 3,500 years of spitting in God's face stop it already. Disassociate from Judaism, disassociate from Progressive politics which is Mega politics. Stop it. Look at what it's done to you. You've been a house divided for 3,500 years and it's not just that you're at each other, which is why so many bad things have happened to you over the years is you've been a house divided and no more or less so than you are today with the Progressives marching against the government pretending that they're marching in favor of the hostages which is utter nonsense. They're just co-opting that message to try to bring down the government they don't like because all they care about is Progressive ideology. God hates Progressive ideology, and He hates the religious. So, both sides of this house divided He despises and you've been a house divided like this for 3,500 years. Stop it already! It's not working for you, it's never going to work for you and you're not just divided among yourselves you are currently irreparably divided from Yahowah and the only way to resolve that is to stop being religious and political, to do what 'Abraham did, to walk away from Babylon, to do what Yirma'yah said, "Disassociate from Babylon, My people," to do what Moseh did. He was in Mitsraym, he left. Until you understand that is the theme of the Towrah and Prophets don't be religious and while you're religious and you're political I will have nothing to do with you. Once you stop and you seek Me honestly beginning with acknowledging My name, acknowledging what I'm offering through the Covenant and through the Mow'ed Miqra'ey and embrace those things we won't speak. I will not listen to you. I'll have nothing to do with you. As a matter of fact, it is because Jews

have been so antagonistic towards God for virtually all of the last 3,500 years, there have been very very few very brief interludes. One with Dowd, very briefly because most of Dowd's reign was antagonistic towards God. Not Dowd but the people of Israel. And a very brief time with Hezekiah and not even all of Hezekiah's time but a very brief time when Hezekiah had his back against the wall. It's very much like what Israel is going to face with this next onslaught of Muslims. Hezekiah found an old copy of the Towrah in the Temple, dusted it off and read it and said, "Holy crap. We're religious doing the very thing that God said we can't do. We're in this fix because we're religious" and he sent out everybody to destroy every religious relic, every trace of religion in all of Yahuwah and then once he did that then he said okay now let's study how we're going to celebrate Pesach, Matsah, and Bikuwrym, they're approaching. He went to the Lowy, and they were clueless, just like the Haredim today. They didn't know the Towrah; they were clueless. They were out being religious. He went to God and said, "I can't do this in the amount of time necessary. I know we need to do this; I'm trying my best. I need more time." God said, "You have it." He educated the Lowy on the Towrah, they started to explain it to the people, all traces of religion were removed, and once they began celebrating Pesach, Matsah, and Bikuwrym as they were intended the 185,000 Assyrians that had come to destroy them were destroyed instead. You want Yahuwah to take away the Islamic threat? Return to the Towrah. Start celebrating the Mow'ed Miqra'ey as they were intended. Stop being religious. Stop being political. That's the answer.

0:25:45 And so, we have found that because those were the only two episodes and there are none other and because Jews whether they be secular or religious have no idea who their Messiah is. They have no idea who their King is. They have no idea who their Shepherd is. They have no idea who their Savior is. They have no idea that there actually was a Son of God and that he is returning and he's the Messiah and he is the *Zarowa'* which is the Sacrificial Lamb. He fulfilled the first three Miqra'ey including serving is the Passover Lamb. He figured it out. He committed to do the right thing for his people and his people spit in his face, shamed him. And that's the condition we found when Yahuwah called us to do this job and if He had not engaged us and enabled us to do this job there wouldn't be a single Jew to this day who knew Yahuwah, who was engaged in the Covenant, who was observing the Mow'ed Miqra'ey as they were designed, who recognized that Dowd (David) the Messiah and Son of God fulfilled them, not one, which means there would be no one at the Taruw'ah Harvest. There wouldn't be any Gentiles either. What do they harvest without fruit? There would be no one at Taruw'ah Kipurym, and you can't have a homecoming without anybody coming home. So, it was an exceedingly important mission that Yahuwah asked us to fulfill, and it was so important to Him and the pickings were so slim on who was willing to listen to Him and engage i.e. one person and he had no qualifications Yahuwah fortified this entire effort by allotting all seven spirits of Yahuwah to make this possible.

27:59 And as we move forward in Yow'el in the second chapter, we're going to find God speaking of what He is doing through this individual because he represents the last and best hope for a harvest, for a homecoming not because he's special but because the message that he's conveying is. I'm going to return at Yow'el 2:13:

0:28:33 **So, tear away and disassociate your hearts and minds (*wa qara'lebab 'atah*), and without your deceitful and treacherous garments (*wa 'al beged*). Return to (*shuwb 'el*) Yahuwah (*Yahowah*), your God (*'elohym 'atem*). For indeed (*ky*), He (*huw'*) is compassionate (*chanuwn*) and merciful (*rachuwm*), long-suffering, patient, and slow to anger (*'arek 'aph*), abounding in steadfast and loyal love (*wa rab***

*chesed*). **He will provide reassurance and encouragement (*nacham*) during this malevolent and miserable ordeal (*'al ha ra'ah*).** (*Yow'el 2:13*)

0:29:21 What is coming, Israel, is even worse than what you're currently enduring and right now Jews have a lower standing in this world than they did in the 1920s and 1930s and 1940s in Europe and you know what happens then. I don't want to say that the disparagement of Jews is entirely based upon Muslims because it isn't. Do you know that by a margin of 2:1 now Christians are progressive over conservative by a margin of 2:1. Christian Progressives have made the Islamic uprisings across the United States and Europe possible. So, it is the haunting legacy of the two demon-possessed messengers of God: Muhammad and Paul before him. And of course, it is also Akiba because Akiba countered the false Messiah of Christianity with a false Messiah of his own which is where you get the star because it was Simon bar Kochba, Son of a Star, that he rose up and acclaimed which brought the full force of Rome down again for a third time against the province of Judea and led directly to the Diaspora. That's the father of Judaism. Congratulations. If you practice Judaism that would make you stupid and Jews should not be stupid; there's no excuse for them being that stupid.

31:15 But this miserable ordeal that God said is coming, is coming for the same reason that Jews have been harassed for the past 3,500 years. God made it really clear, "You can either come to know and understand and respond favorably to what I am offering, or you can be cursed as people. You will find that people will treat you in a very harmful way." And the most miserable ordeal that has ever been experienced in world history is coming. More Jews will die than were killed during the Holocaust, but they won't be killed humanely in the sense of they won't be gassed. They'll be mutilated, they'll be raped, they will be dismembered, they will be hauled around and kicked and spit at. I don't want this to happen, I'm telling you it's going to happen and to a large extent it's happening because Jews continue to be a house divided not only among themselves with Progressives and the Haredim, the Ultra-Orthodox, but also against your God. So, God's advice is to:

0:32:49 **Tear away and disassociate your hearts and minds (*wa qara'lebab 'atah qara'* in this case is with the 'Ayin rather than the more familiar 'Aleph and we'll talk a moment about what that means, **and without your deceitful and treacherous garments (*wa 'al beged*).****

0:33:09 I don't think there's anything that has ever been worn that more traitorous to God than the black mourning suits of the Haredim. God says throw them away. You could throw away the Haredim along with them and it wouldn't bother God any either.

0:33:34 The next bit of advice is to **Return to (*shuwb 'el*) Yahowah (*Yahowah*), your God (*'elohym 'atem*).** It doesn't say HaShem. You can't return to HaShem because there is no HaShem. It doesn't say return to the Lord. The Lord is Satan. It doesn't say return to g-d either. **Return to (*shuwb el*) Yahowah (*Yahowah*), your 'elohym Almighty God (*'elohym 'atem*).**

0:34:11 You can't return to Yahowah until you come to know Yahowah and that begins with acknowledging His name. It's not hard to pronounce, it's never been hard to pronounce. It's comprised of four vowels, Yowd 𐤎, Hey 𐤅, Wah Y, Hey 𐤅. You want to know how to pronounce the Y? It's pronounced exactly as you would pronounce it in English. English is a legacy language of Hebrew. Yisra'el will tell you how to pronounce it. Yasha'yah will tell you how to pronounce it. *Hayah*, the verb upon which it is based, will tell

you how to pronounce it. *Hayah*, the verb that Yahowah's name is based would also tell you how to pronounce the Hey \_\_\_and actually the Wah. Why don't you look and see how Towrah is spelled? Why don't you look and see how Shalowm is spelled? Take a moment. Look at Hebrew and check out how Towrah and Shalowm or 'Elowah for that matter, are spelled and then you figure out how to pronounce the Wah. It's not difficult and yet after 3,500 years of silence who was the first person to explain to the world this is Yahowah's name. This is how to pronounce it and this is why it is pronounced that way?

0:35:54 **For indeed (*ky*), He (*huw'*) is compassionate (*chanuwn*) and merciful (*rachuwmm*), long-suffering, patient, and slow to anger (*'arek 'aph*), abounding in steadfast and loyal love (*wa rab chesed*).**

36:01 Thank goodness. I've been doing this now 23 years and most members of our Covenant Family Team have been with me for anywhere from 10 to 12, 14, 15 of those years, and we are far from perfect. We stumble and we trip on our tongue from time to time. When we make mistakes, we go back to correct them. We even sometimes bang heads with one another; we're a long way from perfect. And yet, Yahowah loves us. He is compassionate.

0:36:36 DEE: We're united by a common goal.

0:36:41 YADA: Yes, and by a God who is patient with us, who is kind to us, who is merciful and who is abounding in steadfastness and love. And so, He is the only source of reassurance and encouragement in this time of trouble.

0:37:01 In that movie called "Terror is Coming" that Dee has poured so much energy into, there are many references to Yada Yahowah through it. The reason that they exist is because while what Muslims did to Israel and what Muslims are going to do to Israel and what Muslims are celebrating worldwide that they have done to Israel is horrific, there is the one way to keep yourself from it and that's a personal Hezekiah approach. Return to the Towrah.

0:37:47 DEE: That was the goal. That was the goal because that's the only way to prevent this from happening the next time but it is the worst of it. But you know, it's kind of like what you said earlier not writing off the pain of Israel trying to prevent what's going to come next by giving them a way out.

038:05 YADA: Yeah. I want to be a little bit careful. We are way too late. We are going to reach way too few people for us to be able to prevent what's coming. Five volumes, 4,100 pages of *God Damn Religion*, if every Jew worldwide were to read it then yes, the assault that is coming, the one hundred to a thousand times October 7th could be stopped. There would be a quarantine of Muslims. They would be quarantined. All Muslims would be sent to Islamic countries. There would be no trade with them whatsoever. There'd be no migration from Islamic countries. They'd all be sent back there. It would be like quarantining a deadly virus like the Bubonic Plague because it is that deadly. And if every Jew read ~~Prophet of Doom~~ *God Damn Religion*, all five volumes and acted accordingly that's what would happen and there would be no tenfold, hundredfold, a thousandfold of October 7<sup>th</sup>. But they aren't so they will.

0:39:24 Second, it's not enough to know that Islam is your enemy and that they have declared war on you and it's the intent of Islam to perpetrate genocide against Jews and that Muhammad did that in Arabia. You also have to go the next step. It's not just disassociating from and being completely set apart from the stigma and stain, the stench of religion, you have to come to know Yahowah be part of His Covenant Family

and attend the Mow'ed Miqra'ey as they were intended. So, it is both. If millions of Jews did both, yes it would not occur. It would be just like Hezekiah, same exact experience, but that's not going to happen. We were not called to get all of religious Israel – the Progressives and the Haredim / Ultra-Orthodox. We were not called to awaken them, to reach them, to save them. It's not possible. Evidence and reason will not appeal to them, and so there is no chance that we're going to reach enough people in the time we have remaining to prevent these things from happening. They will happen. The difference is that if you are listening to this program and you choose to shed your ignorance, you come to know how deceitful the Replacement Foolology of Christianity has been and what it deprived you of knowing, the Son of God and your Messiah that is your Savior, Dowd, foisting a caricature of a man-god on the world, that once you come to know how deceitful Christianity has been and what it has cost Jews, the consequence it has been to Jews, how deceitful Islam is and how deadly it is and you are willing to oppose it and you come to understand that the greatest harm that has ever been done to Israel is through Judaism. Once you have done those things and then you come to know Yahowah and you read the books, 33 of them now on the shelf at yadayah.com, read them.

0:42:01 It's not enough just to listen to these programs. You need to read them. Start at *An Introduction to God* volume one book one. Go all the way through. Yes, it may look daunting. Big deal. You're talking about forever with your soul. If I could dedicate 23 years of my life 12 to 14 days hours a day 6 to 7 days a week for 23 years to write them and I'm offering them free, it's the least you can do to read them if you want to be part of God's family and spared from all of this. And you can individually can be spared. That's what this says. **He will provide reassurance and encouragement (*nacham*) during this malevolent and miserable ordeal (*'al ha ra'ah*).** (*Yow'el* 2:13) The malevolent and miserable ordeal that is being perpetrated by Progressives and Muslims is going to occur. We can't stop it but you don't have to be a victim of it. You can spare your soul and the souls of those you love if you take the time, if you invest the time to read those 33 books sitting on the shelf at yadayah.com. In fact, I wouldn't even read them once. I'd read some of them two and three and four times to the point that you own the material, that you can go to your fellow Yisra'elites and share what you've learned with them from the heart because you know it.

0:43:59 As I said before the *qara'* which was translated "to sever" was ascribed with an 'Ayin and that's unique because the *qara'* that became Miqra', the basis of the seven Invitations to be Called out and Meet with God each year is based on the verb *qara'* and the verb *qara'* with an 'Aleph is as important as any verb in the Hebrew language. It means "to invite, to summon, to meet, to welcome, to call out, to read and recite." Well, this *qara'* with an 'Ayin rather than the 'Aleph means "to sever." Knowing that, God is asking His people to disassociate themselves from the troubling sadness that is engulfing the world as a result of religion - Christianity, Islam, Judaism, and of politics whether it be Progressive politics which is the greatest enemy of Jews now, conspiratorial right-wing politics which has long been an enemy of God's people, that's what He's asking you to do. And just as the Covenant members must leave the overtly religious and political behind, the militant and conspiratorial must disavow all religious apparel. Stop it with the religious dress-up. Don't pretend that you're Towrah observant because you have little curly cues. There's no instruction in the Towrah to wear curly cues. You disgrace the symbolism of the *tzitzit* to wear it as it is being worn particularly when you're wailing in the streets, and you won't defend the nation and yet teenage girls will go out and do the job you are too afraid, too weak to do. "Oh my god. I might touch

a woman! Can you imagine! I might have to hear her sing! Oh God forbid! I might eat ice cream with a hamburger! Oh my God! Can you imagine the disgrace of it all! Just think I might have to do something on the Shabat!" A bunch of weasels. You have no right to call yourself Jews. You 'r a disgrace to the ethnicity.

0:46:56 Humankind has been malevolent with none worse than Muslims, of course, led by Muhammad and beguiled by his Quran but we should never forget how horribly Christians have treated Jews. Rabbis have also set a high bar when it comes to being controlling and so it is from them that God is emancipating His children at this time and today no group is as detrimental to Israel as and Jews as are Progressives.

0:47:33 Throughout the Towrah and Naby Yahowah is emphatic about three requests. He wants Israel to listen, to disassociate from religion and return to Him and it is in that order. When they eventually do, they will be surprised to find that God is approachable, He's lovable, He's reassuring, He does not want you to bow down to Him. He doesn't want you to bob your heads up and down like you're a knucklehead in prayer, He does not want you to pray to Him, He most certainly doesn't want you to worship Him, He doesn't want you to fear Him but He does want you to know His name, He does want you to identify with Him as a father and not as a Lord and Master. Come to know Him as He is. He's very approachable and exceedingly likable so long as you're not religious and political. Who would have thought, but it's true, the greatest crimes that can be committed as they offend God are being religious and political.

0:48:48 Moseh committed at the very least manslaughter; Yahowah loved him. Dowd oversaw the death of a very fine man because he coveted his wife and there's no one that Yahowah loved more than Dowd. It isn't the behaviors that we get all tied up about that cause people to be estranged from God; it's religion and politics that estrange humankind from God. Throughout the Towrah and Naby, the teaching and Prophets, Yahowah is emphatic about these requests, so it bears repeating. Listen to Yahowah. Disassociate from religion and return home.

0:49:45 Truth be known, the Chosen People have seldom chosen God over the past actually 4,000 years. I've been using 3,500 because that's how long ago the Exodus occurred where Jews were so miserable towards God. They actually started off miserable to God about 500 years earlier. 'Abraham did some awful things. So did Ya'aqob and so did Ya'aqob's sons. It hasn't been pretty.

0:50:27 The Yisra'elites have been irascible, far more than antagonistic towards God than loving and that's by a billion to one, and their attitude has worsened over time which is hard to fathom because they were absolutely obnoxious during the Exodus.

0:50:46 Now I share this because of the enormity of the problem that it poses for Yahowah. There are seven Mow'ed Miqra'ey, four beyond the three that have already been fulfilled by the Messiah and Son of God, the Chosen One, the Firstborn, Dowd. When Yahowah demonstrated the purpose of Pesach, Matsah and Bikuwrym at the inception of the Exodus which is a *yatsa'* from *Mitsraym* | the crucibles of religious and political oppression and then explained them in His Towrah | teaching and guidance, it was with the anticipation that He would honor those promises. Similarly, when Dowd fulfilled the first three Invitations to be Called Out and Meet with God in year 4,000 Yah, as was foretold, it was to enable the Shabuwa'h and Taruwa'h Harvests in the expectation of returning on Kipurym, all to enjoy Sukah with fellow Yisra'elites. But if there isn't anyone who knows Yahowah's name, if there's no one who knows Dowd's role in fulfilling these Miqra'ey, the purpose of the Mowedym, when and how are they going to receive

the benefit of the *beryth*? Everything Dowd and Yahowah have done is for naught. It has no value whatsoever that Dowd made the sacrifice as the Pesach 'Ayil to extend our lives or that his soul carried our guilt, religious and political, into She'owl to deposit it there never to be seen again making us appear perfect in God's eyes so that on Bikuwrym he became the firstborn of first born children so that we could all participate and benefit from the Covenant; it's all for naught including the Shabuw'ah and Taruw'ah Harvests as well as the homecoming if there's no one to capitalize on it, there's no one who is willing to acknowledge that these things have occurred and that they're going to be fulfilled in short order.

0:53:27 While Father and Son explained what was going to occur seven to fourteen centuries before any of it transpired, since Yisra'el was lost and Yahuwdym weren't listening there would have been no beneficiaries nothing would have changed in 3,500 years and there isn't much point to harvesting nothing or attending a family reunion without a family. That's why this is important. That's why we're so devoted as a family. We're going to do everything we can to shake some sense into Yisra'el and Yahuwdym so that they do participate in the Shabuw'ah Harvest and the Taruw'ah gleaning and the Yowm Kipurym homecoming. It is the least we can do for Yahowah, for Dowd and for their people.

0:54:36 The Chosen People have chosen to go it alone and they haven't been fairing very well nor has anyone else by not recognizing that the Miqra'ey we're fulfilled. Humans apart from God have actually come within a decade of destroying the Earth. We're going to all but depopulate the planet and it's all lined up. The United States has been the major factor in dividing the world into opposing sides with Iran, Russia and China on one side and the United States, Europe and the Sunni Muslims on the other. It's a world divided with nuclear bombs. Israel will come within a wisp of being eliminated. Jews will nearly be annihilated. This is your only option out, and it's all going to incur without Yahowah's intervention. He will intervene finally, but it won't be until October 2nd of 2033 on Yowm Kipurym and only on behalf of those Yahuwdym who are waiting for Him there in anticipation of seeing Dowd alongside Yahowah. But why bother if you're God if there are no beneficiaries, no one to save?

0:56:27 If these weren't bad enough there is another. God can't lie. He promised to reconcile the Covenant relationship with Yisra'el but even He cannot do that alone. Relationships require a very substantial degree of mutuality. Jews opted out. Not all. There are probably a thousand Jews who are now part of the Covenant family because of what Yahowah has done through us. But Yahowah had to find, enable, and to deploy a gowy to announce the way home because there were no Jews willing to listen.

0:57:19 With nothing having changed over the past four millennia without a single Yisra'elite engaging with Yahowah over that time, based upon his guidance, had God not intervened in this particular case by choosing and equipping a Final Witness apart from Israel there would have been no one to harvest on Shabuw'ah or Taruw'ah, to reconcile and return to on Kipurym or to camp out with on Sukah. The entire Human Experience would be for naught. There would have been no reason to expect that a single Yahuwd would have anticipated Yahowah's return with His Son, understood why it was going to occur, when it was going to occur, or to whom they were coming. And if you are misguided and think well sure, Yahowah could just speak directly to us, make a big announcement, maybe buy some Billboards, internet apps, use social media, I understand that X will actually allow God to say what He wants to say without shutting Him down with the thought police, but unfortunately, Israel, you asked God to never to speak to you again. You did it right to His face. He said you never wanted to see Him or hear from Him again. God heard what you

said, and He agreed with you; He would only speak to you through someone and today that someone is speaking to you right now.

0:59:10 So, to prevent nullifying the human experiment, the intent of creation, the purpose of the Towrah, the potential of the Covenant and, of course, the benefit of Dowd's sacrifice, Yahowah instituted Plan B for *Basar* | Human Herald, Plan C for *Choter* | Secondary Branch, this one growing off of the Tree of Knowledge, Plan E for *'Ed* | Restoring Witness, Plan M for *Mal'ak* | Messenger, Plan N for *Nakry* | Observant Foreigner, and Plan Z for *Zarowa'* | One Planting the Seeds which will take root and grow into the final harvest with a G for *Gowy* | a non-Yisra'elite to give Plan Q *Qowl* | a Voice to His prophetic testimony. There are none of those titles that is prestigious. They're all working titles, they're all very descriptive of a mission, of an intent that God would work through this individual bearing those titles to awaken His people and bring them home. This man that Yahowah has promised to do all of this with and He has mentioned throughout the Towrah and Prophets second only to Dowd himself because he serves as Dowd's Herald, the one who finally is making the truth known about what Dowd has done prior to his return as king, he began writing *Yada Yahowah* as Yada 23 years ago for this very reason based upon what he would come to *yada'* | know and *yada'* | understand, he would reintroduce Yahowah's name to Yisra'el, acquaint Yahuwdym with Dowd.

1:01:57 Do you know that Yahowah's name is based on the very *hayah*? Speaking of verbs, Kirk's the other co-host of this program, he's out on the town this evening on some kind of a soiree, but Kirk has completed his glossary. The verbs are now up on the resources page at [yadayah.com](http://yadayah.com), thanks to the women of the Covenant who have taken what he did on paper, Kirk is an artist and very analog, and so it is the women of the Covenant who have worked to present that online. He has now finished also the nouns but that's about four inches of paper that needs to still be transferred into a digital form, and so we have more mothering of the glossary to come, but it is the place where we can learn both the verbs and the nouns of Hebrew to better understand God's message to us.

1:03:03 So, based upon what Yada would come to know he would reintroduce Yahowah's name which is based on the verb *hayah* which means that "He exists" that "He is" to Yisra'el, which has a dark and light side, it's either "those who are antagonistic to, who wrestle and struggle with the Almighty," which is most of Yisra'el, or the very few including Gowym who embraced the other meaning of *'ysh sarah 'el*. It's based on Sarah's name. She is the sweetheart of the Covenant. *'Ysh* is "individual." *Sarah* would mean "to engage and endure" with *'El* | God – Yisra'el and to reacquaint Yahuwdym, Yahuwd is "Beloved of Yah" with Dowd which means "beloved" upon which the name is derived. Explain the Towrah which is based on the verb *jarah* which means "source of instruction, direction, teaching and guidance" which they had forgotten and remind them of the *Miqra'ey* which is plural for *Miqra'* based on the verb *qara'* which means "invitations to be called out and meet, to be welcomed into God's loving family."

1:04:49 While it is all about *yada'* | knowing it has nothing to do with Yada as the individual other than he is the first to come to know these things and has devoted his life to sharing them. The man named after the crag that was set ablaze to enlighten our world would not have been noticed much less prevailed if not for what Yahowah would do with him, but isn't this also true of 'Adam, of Noach, of 'Abraham, of Sarah, of Yitschaq, of Ribqah, of Ya'aqob, of Leah, and Rachel and especially of Moseh, and Dowd, even Howsha', Yasha'yah, Yirma'yah, Zakaryah, Mal'aky, and now Yow'el? And since the first ten people on this list of

exemplary characters in God's story were other than Yisra'elites why wouldn't Yahowah return to where He began with only 10 years remaining? Do you think it is per chance that Yahowah revealed through Yasha'yah the He would ensure Yada's effectiveness by assigning His seven Spirits to him doing what He had never done previously? Why do you suppose that God inspired Moseh to introduce the Zarowa' and then asked Shalomoh, Dowd's son, to explain his purpose to Yisra'el Israel at the very time of his commencement speech on the Mount for the completion of the Covenant home? The last time all of Yisra'el was united that's when The Sermon on the Mount spoke of the Nakar, this observant foreigner. Why do you suppose Yasha'yah devotes so much attention to him? In fact, this mission that we are fulfilling receives more attention in Yasha'yah than even does the most beloved of Yah, Dowd. Why? Because this is the way of acknowledging Dowd. No, we're not in Dowd's league. No one is. But no one even knows that Dowd has a league if we don't do our job. Is it per chance that once educated and enabled Yada would serve to awaken the Chosen People so that they would finally make the right choice? Do you think they're called the Chosen People because some will actually choose Yahowah?

1:08:22 As He explained to Moseh, having designed us Yahowah knows how to succeed through us. All that is required of us is to be willing to go where His directions lead. Dee, you're a very bright, young woman and yet think of the contributions that you have made to the Covenant and to convey in Yah's message. I don't think that was all independent. You are part of a community of women. My wife among them, of course, our beloved Jackie, Molly is hugely important in this regard, and now Mary. There are many who are vital to what we are doing, and, of course, men as well. Our beloved Kirk, Mike, JK, David and what he has done the website, and we've even got my almost lifetime friend Joe re-engaged in helping us convey this.

1:09:35 DEE: We have a lot of new people you know, Lisa Baskin, LuAnn Baskin, I mean Mary Kris, everybody is really pulling together. It's amazing.

1:09:47 YADA: Yes. And so, while I'm obviously the least impressive of the three Zarowa', sort of an understatement isn't it since the list includes Moseh and Dowd, okay not much of an admission to say okay you're the little Z among the great Z but nonetheless this job is essential. If this job doesn't get done it doesn't matter that Moseh delivered the Towrah, it doesn't matter that Dowd fulfilled it because no one capitalized upon it. So, while he is the least impressive of the three Zarowa' it is a rather distinguished but short list since it includes Moseh and Dowd.

1:10:39 DEE: If you're next to them you're doing pretty good.

1:10:44 YADA: Even if you're the guy that is cleaning their sandals, it's still the right company to be in. And the fact of the matter is this mission is exceedingly important to God. There was is value in rescuing Yisra'elites from Mitsraym to have them bellyache and be embittered and irascible if we don't do this job. They all die estranged from Yahowah if we don't do this job. Dowd lived the most exemplary life in human history, the brightest most articulate man in human history and courageous and bold and compassionate to offer to serve as the Passover Lamb and fulfill Matsah so that we might all benefit and yet his sacrifices, his contribution to our well-being is for naught if there isn't a third Zarowa'. So, I get why Yahowah views this as important. It's all or nothing. We all serve Yahowah. We all are devoted to awakening His people. We all do what we are called to do at the right time and in the correct way and that is why there are

hundreds and hundreds of references to this role found throughout the Prophets beginning with Moseh and continuing through Yow'el. This is one of them it begins:

1:12:36 **“Who knows (*my yada'*) who reveals and acknowledges Yada'? Who knows and understands, who actually notices and demonstratively appreciates what Yada' observes, perceives and realizes (qal participle masculine singular absolute – actually and literally seeks to know to the point he is defined by the quest to understand)? He will alter the mindset to restore and return those who have withdrawn (*shuwb* – He will continue to turn around and actually bring back those who have turned away (qal imperfect third person masculine singular)) and he will enable reconsideration while reassuring those who are willing to change (*wa nacham* – be comforted and supported, consoled and relieved after having changed his mind). At this moment he will console and comfort those who relent as he is reassured when they cease what they have been doing (nifal perfect third person masculine singular).**

1:13:55 **He will remain to ensure that a remnant is spared (*sha'ar* – he will be spared, continuing to exist as flesh and blood). By engaging at this time, he will have assured that a portion of the whole is left continuing to exist (hifil perfect third person masculine singular (*'achar* – remaining at this conclusion of time during the last days). In the end he will be a benefit, a blessing (*huw' barakah* – he will become enormously beneficial, praiseworthy, eminent, and prosperous). He will be commendable and appreciated for having invoked that which is uplifting, even a gift (*minchah* – a wonderful present which is bestowed) which is bestowed. A leader of sorts, a prince (*nasak la* – chosen to be part of a special relationship with) in that he serves the King installed, appointed and positioned before Yahowah (*Yahowah* – the proper pronunciation of YaHoWaH, our *'elowah* – God as directed in His *ToWRaH* – teaching regarding His *HaYaH* – existence and our *ShaLoWM* – restoration), **your God (*'elohym 'atem*).**” (*Yow'el / Yahowah is God / Joel 2:14*)**

1:14:57 Yisra'el, what I have just shared with you and, I'm going to read it again, is as powerful, as relevant, as beneficial a prophetic message as has ever been offered to you. It is your God Yahowah who said asking you **“Who reveals and acknowledges Yada'? Who knows and understands? He will alter the mindset to restore and return those who were withdrawn, and he will enable reconsideration while reassuring those willing to change.**

**He will remain to ensure that a remnant is spared in the end.**

**He will be a benefit, a blessing, even a gift which is bestowed, a leader, a prince of sorts, installed, appointed and positioned before Yahowah your God.”**

1:16:21 *My Yada'* means “to ponder the implications of” *Yada'*. That is the name that Yahowah has afforded me in this role that I am engaged in on His people's behalf. The name means “to know, to notice, to be familiar with, to acknowledge, to perceive, to realize.” Yahowah likes this name *Yada'* because when it's placed before His name it means “to know Yahowah” and it distinguishes the person He has tasked with this mission as someone who knows and understands and then who acknowledges what he has come to know. And based on us thinking our way to God it reaffirms, this statement does, what I have been saying all along and have emphasized throughout this program: Yisra'el / Yahuwdym, Jews / Yisra'elites, you need to change your mindset if you're going to be restored and returned into fellowship with God. And so, He says,

1:17:45 **“This individual he, Yada’, will alter the mindset to restore and return those who had been withdrawn and so he will enable reconsideration while reassuring those willing to change. He will remain to ensure that a remnant is spared.** Why? Because Shabuw’ah is going to be a plentiful harvest, Taruw’ah will be a productive gleaning, and the Kipurym Homecoming will be a joyous celebration. **He will remain to ensure that a remnant is spared in the end.** That is the mission and God who has witnessed the end has said it will transpire exactly this way.

1:18:54 We prevail which means Yisra’el prevails which means Yahuwdym prevails which means the Covenant prevails which means Father and Son prevail and it is because Yada’ will be a benefit. You may not like my condemning of Progressives and those who want big government and that we’re now siding with Israel's enemies. You may not like the fact that I am as condemning of Judaism as I am of Christianity and of Islam but that is for your benefit, and it is a blessing. We have Yahowah’s word on it. This is a gift.

1:19:48 When I wrote spending another eight months of my life exposing and condemning Islam on behalf of God's people *God Damn Religion* is a gift. Now as I'm nearing the completion of the rewrite of the four volumes of *Twistianity* exposing and condemning Christianity and its caustic effect of God's people, robbing them really of their Messiah and Savior, it is a gift. The eight volumes of *Yada Yahowah* walking you through from creation all the way through God's calendar with the celebration of the Covenant and the seven Mow’ed Miqra’ey in the middle is a gift. *An Introduction to God* even begins now by saying and explaining why you why me. *Observations* and *Coming Home* all serve as a gift which Yahowah wanted bestowed. And the role of the *nasak*? this individual that has been appointed and positioned is before Yahowah, before Yahowah returns. Yahowah isn’t the kind of father that says get behind me and grovel at My feet. We stand before Him, we stand beside Him, we stand with Him, we go before Him. That’s what a father wants. That is what we are doing. We are preceding His return. We were appointed and positioned before Yahowah your God to do this.

1:21:52 **He will be a benefit pointed and positioned before Yahowah your God, Yisra’el.**

1:22:10 In the context of inspiring His Prophet to call His estranged family home after three Millennia of living apart this is an exceptionally poignant pronouncement, one Yahowah was obviously expecting us to notice and to share at this time, at this moment. And so here we are communicating with one another in this way, at this moment for this result for better not worse should that be for possible for Israel. I am Yada. For the first time in more than 2,000 years I have come to know and to share Yahowah’s name, the purpose of His Towrah guidance, of His *Beryth* Covenant Family, and His *Miqra’ey* Invitations to Meet. I am the lone individual in all of that time to learn and then share that Dowd is the Son of God, the returning Messiah who as our Savior fulfilled Pesach Matsah and Bikuwrym as the ultimate *Zarowa’* | Sacrificial Lamb and Strong Arm of God. I am the first to explain the conditions of the Covenant and the intent of the Invitations, how these things are related and mutually supportive.

1:24:09 Recognizing that Yahowah invests as many words excoriating religion as He does promoting His intended relationship because one is not possible without the other, ~~Yahowah~~ Yada would be the only person in human history to write multiple volumes denouncing Judaism, in this case throughout the *Babel* books described in Babylon, Christianity through the four volumes of *Twistianity* and Islam throughout the five volumes of *God Damn Religion*. No one in human history has done those things while also extolling the benefits of the Towrah particularly in *An Introduction to God*. He would uniquely awaken Yahuwdym

through *Observations* and then call God's people home through the *Coming Home* Series devoted to Dowd and his Mizmowr / Psalms. So, it would appear that Yahowah Yada has fulfilled this prophecy and perhaps even exceeded His expectations. Clearly, He is pleased with what His Covenant family has delivered. Sure, He made it possible, but we were willing.

1:25:49 Therefore, the answer to the rhetorical question as to **“Who reveals and acknowledges Yada? Who knows and understands”** is Yahowah having done so for the benefit of His wayward children. God wants His people to appreciate what Yada has observed and perceived by studying the Prophets and when this occurs minds and attitudes change making a return to God possible.

1:26:25 But (*shuwb*) “return” is a loaded concept. The heirs to the Covenant are the only ones who can actually (*shuwb*) “return” since no one else has been with Yahowah previously. Further, *shuwb* affirms that Jews cannot come back to Yahowah in their present condition; their mindset, their attitude, their approach to Yahowah and to life must change. They must (*nacham*) “reconsider” Yahowah’s Testimony, what He is offering, what He expects in return to be reassured. And so, for these reasons Yada (*sha’ar*) will “remain,” and he will ensure that a remnant of God's people are “spared” (*’achar*) in the end. This is Yah’s gift to Yisra’el, one which is beneficial, commendable and uplifting. I can only hope that you are appreciative of what Yahowah your God is offering.

1:27:50 Of course, while I realize I'm not deserving to be placed in the gift category and that Moseh and Dowd were vastly more qualified, my guess is that they at times felt the same way. Nonetheless, Yahowah loves to share credit. He loves to acknowledge those who engage on His behalf. He had wonderful things to say about ‘Abraham, about Yitschaq, about Ya’aqob, about Sarah, about Noach. He had wonderful, wonderful things to say about Shamuw’el, about Kaleb, about Yasha’yah, of course about His Chosen One Dowd. Yahowah is proud of His children particularly when they engage and are about the family business and so it is appropriate for the Father to gloat when His children are doing something that is important that makes a difference and so we're going to accept His, what I think is a bit over the top, the acknowledgement, but as a father He's earned the right to make it.

1:29:25 As a result of our effort it has been collaborative. Not only with Yahowah but as a family. *Yada Yahowah* is today's Showphar. It is the one drawing Yisra’el's Israel's attention to the Signs that have been posted along the way to Tsyown. Throughout its many pages Yahowah’s Mow’ed Miqra’ey | Invitations to be Called Out and Meet are introduced and explained so that you can capitalize upon them. I'm going to share Yow’el 2:15 but I think we've come to a perfect place to end tonight's program and anticipate our program a week from this evening. It says,

1:30:22 **Sound the Showphar (*taqa’ showphar*) in Tsyown among the Signs Posted Along the Way (*ba Tsyown*). Choose to be set apart and special dedicated to serve. Consecrate (*qadash*) a fast (*tsowm* - a time of abstaining from what others are consuming. Choose to announce (*qara’*)) and welcome the invitation to an assembly to meet (*’atsarah*). (Yow’el / Joel 2:15)**

1:30:59 The purpose of Yada, the gift that he is offering, is in sounding the Showphar represented now by *Yada Yahowah* in Tsyown which are those Signs posted along the ridge line of Mowryah, of Moriah, between the city of Dowd and where Dowd’s home was and where the Covenant family home will be restored. God is saying, **“Choose to be set apart to be special.”** Don't be common and Progressive or

religious. Be special. Be set apart, dedicated to serve. It's time to start abstaining from what others are consuming. And once you become part of the family choose to announce and to welcome the Invitation to assemble and to meet. A time to refrain from what others are doing and restrain them while gathering together for this exceedingly important occasion.

1:32:09 These invitations to meet are Shabuw'ah and its fulfillment seven years prior to Yahowah's return and therefore May 22nd, 2026, the Taruw'ah Harvest, a gleaning of Yisra'elites and Yahuwdym that will occur on September 25th of year 6000 Yah, 2033, ten days later the return of the Messiah, the Son of God and Zarowa', our Savior and King, Dowd, who will be like God among us along with Yahowah his Father so that we can then celebrate a thousand years of meeting together, the Sukah Harvest of camping out with God where all of Earth is restored to the conditions experienced during 'Eden, the Garden of Great Joy, as we celebrate our relationship with a thousand years together with Father and Son and all of God's children.

May Yahowah bless. I look forward to being with you this time next week. Thank you, Dee, for all that you have and continue to do, for being part of this program. We wish all Yah's blessings and a happy Shabat to one and all, and may Yisra'el heed this message and come home.

Good night and may Yah bless.
