We close out the violent sixth year of the Islamic Era with some extraordinarily delusional diplomacy. Tabari VIII:98 "Between the truce of Hudaibiyah and his death, the Messenger dispersed some of his Companions to the kings of the Arabs and the foreigners to call them to Allah. He sent a letter to Ibn Shihab. The letter stated: 'I have been sent as a mercy and for all. Therefore, convey the message from me, and Allah shall have mercy on you. Do not become disobedient to me as the Disciples became disobedient to Jesus. He called them to the like of what I called you to. Those whom he sent close by were pleased and accepted; those whom he sent far off were refused. Jesus complained of their behavior to Allah, and when they awoke the next morning, each could speak the language of the people to whom he had been sent. Then Jesus said, 'This is an affair that Allah has determined for you; so go forth!'"

Muhammad has so utterly disgraced himself, there is little he can do or say that gets my goat...but calling Yahweh "Allah" and putting foolish words into Christ's mouth is not something I can let slide without comment. The disciples who experienced Yahshua's resurrection were as true to their calling as any men who have ever been. They had no language barrier. Unlike Muhammad, they were literate. They read, wrote, and spoke the dominant and enlightened languages of their day—Greek and Aramaic. They were not called to deceit, plunder, or terror. They were called to demonstrate sacrificial love. And Yahshua never complained about them to Yahweh. Instead he gave them his spirit, the Holy Spirit, to comfort, teach, and empower them, making them the most influential men who ever lived. Now that I have that off my chest, let's return to the perverse story of Islam.

Tabari VIII:100 "The Messenger sent Hatib to Muqawqis, the ruler of Alexandria. Hatib delivered the letter of the Prophet, and Muqawqis gave Allah's Apostle four slave girls. The Messenger sent Dihyah to Caesar who was Heraclius, the king of the Romans. When Dihyah brought him the letter, he looked into it and then placed it between his thighs and his flanks." There were no Caesars in the seventh century; the "Romans" were Byzantines. "Prophets" don't take "slave girls." I am surprised these fools managed to fool so many fools. They didn't get anything right.

Back in Mecca: Tabari VIII:100 "Abu Sufyan said, 'We were merchants but the fighting between us and Muhammad has prevented us from journeying, so our wealth is depleted. [This is the purpose of terrorism.] Even after the truce with the Muslims, we fear that we still are not safe. [Muslims had continued to plunder Meccan caravans and had violated the treaty twenty times.] Nevertheless, I shall set out with a group of merchants for Gaza.'"

"Abu Sufyan said, 'We arrived at the time of Heraclius' victory over the Persians who were in his land. He expelled them and regained his Great Cross, which they had carried off. Having accomplished this, and having received word that his Cross had been rescued, he set out on foot to pray in Jerusalem. Carpets were spread before him and fragrant herbs were strewn in his path. When Heraclius arrived in Jerusalem, he performed his worship.'"

Heraclius and the Byzantines did attack the Persians in 627, but near Nineveh, in today's Iraq, not Gaza or in Byzantine territory. There was no "Great Cross" to be claimed. Further, the road from Constantinople to Jerusalem was not restored until 630. I share these historical facts so that you might recognize the fictitious nature of Islam.

Since the story was not true, there must have been an ulterior motive for sending the pagan Quraysh leader on this mission. And so there was. In a long Tradition with a distinguished *isnad*, we find fanciful stories proclaiming Muhammad's importance. While fictitious, they are entertaining. Tabari VIII:101 "King Heraclius arose troubled as he was shown in a dream that the kingdom of circumcision would be victorious. 'O King,' his Roman commanders said, 'the only nation that practices circumcision is the Jews [wrong again, on both counts], and they are under your authority. Send orders to have every Jew beheaded and be rid of this care.' As they were debating this proposal, a messenger from the ruler of Busra [a tribal kingdom in Bostra, Syria] arrived with an Arab. 'O King, an Arab man from the people of sheep and camels reported something marvelous that has happened in his land.' The Arab said, 'A man has appeared among us claiming to be a prophet. Some believe him and follow him and some oppose him. There have been bloody battles in many places.' Heraclius listened to his report and said, 'Strip him!' And behold, he was circumcised."

Heraclius continued his interrogation. Tabari VIII:102 "Tell me about this man and his claims." Since the Hadith began in first person with Abu Sufyan speaking, I assume he is the one answering. "I began minimizing his importance to him and disparaging him. 'O king, don't worry about him. He's too small to bother you.' The king asked, 'What is his lineage?' I said, 'Pure—the best of us in lineage.' [Mind you, they were clueless. Illiterate people can't maintain genealogies back more than a handful of generations.] He asked, 'Has anyone from his family ever said the like of what he says, so that he would be imitating him?' 'No,' I said." Fortunately, we know better. Muhammad started by parroting the dogma Qusayy had established. Then he plagiarized Zayd, the Hanif poet, before he stole Moses' material from the Torah.

"King Heraclius asked, 'Did he have authority among you, of which you then stripped him, so that he brought this discourse in order that you might restore his authority?' 'No,' I said." Actually, that query hit pretty close to home. Muhammad believed the "authority" of the Ka'aba had been "stripped" from him at birth and this whole "discourse" has been about getting it back. "The king asked, 'Tell me about his followers.' I said, 'The weak, poor, young boys, and women. As for those of his people who have years and honor, none has followed him.'" While that's a lie, it is interesting. Abu Bakr was rich and powerful, as were Umar and Uthman. However, "poor, young boys" continue to find the promise of booty and lust alluring.

"Do his followers love him?' Heraclius asked. 'No man has followed him and then abandoned him.'" Whoever wrote this Tradition ought to have read the Qur'an before scribbling such nonsense. The last ten surahs have been fixated on bad Muslims—hypocrites—abandoning the prophet and Islam in droves. "Tell me,"

the king said, 'how the war between you and him is going.' I replied, 'Sometimes it's his luck to prevail against us, and sometimes our luck to prevail against him.' 'Does he act treacherously?' I found nothing in what he asked me about him in which I could impugn Muhammad's character except to say, 'No. We are in a state of truce with him, and yet we fear he may act treacherously.'" I suppose the fifty terrorists raids the prophet had instigated thus far were all in good fun.

Tabari VIII:103 "Heraclius said, 'If you have told me the truth then he shall surely wrest this very ground from under me. I only wish I were with him so that I could wash his feet.'" Having this "Christian" king say that he wanted to serve Muhammad by "washing his feet" is reminiscent of the monk confirming his prophetic calling forty years earlier. Being a fraud, the only means Muhammad had to authenticate his god and his calling was to fabricate fictitious endorsements.

Tabari VIII:104 "Heraclius received the following letter from the Messenger. 'In the name of Allah, Ar-Rahman, Ar-Rahim. From Muhammad, the Messenger of Allah, to Heraclius, the ruler of the Romans. Peace to whoever follows the right guidance! To proceed; Submit yourself, and you shall be safe.'" Muhammad's idea of "peace" is the same as the Islamic world's today: "Surrender and become a Muslim and we will tax, deceive, and oppress you, but not kill you. Obey and you will have peace."

Ever desperate for confirmation, the Muslim sages bring us this: Tabari VIII:105 "Al-Zuhri said, 'A Christian bishop whom I met in the time of Abd al-Milik [a Umayyad Caliph who ruled from 685 to 705] told me that he was acquainted with an affair involving the Messenger, Heraclius and his intelligence. According to the bishop, when Heraclius received the letter from Muhammad, he wrote to a man in Rome who used to read from the Hebrew what they use to read, mentioning the affair of the man, describing him, and informing him of what he had received from him. The ruler of Rome wrote back to him; "He is indeed the prophet we have been awaiting. There is no doubt about it. Follow him, and believe him.'" The Old Testament had been translated into Greek in Alexandria in 275 B.C. It was then translated into Latin in the fourth century. A Roman would have read the Latin Vulgate. Further, Muhammad wasn't foretold in the Bible. And the only thing Christians await is the Messiah's return. So, why are the Muslims lying—again? And why are they such bad liars?

Tabari VIII:105 "Heraclius then gave orders to gather the commanders of the Romans for him in a palatial building and ordered its doors to be closed on them. He looked down on them from an upper chamber because he was mortally afraid of them. He said, 'People of the Romans, I have received this man's letter calling me to his religion. By Allah, he is indeed the prophet whom we have been awaiting and whom we find in our Books. Come, let us follow him and believe him, that our life in this world and the next may be secure.' Without exception, they snorted angrily at him and hastened to the doors of the building." Somewhere, sometime, someone may have contrived a less believable endorsement, but by Allah, it's hard to imagine.

This feeble attempt at legitimizing Muhammad's claim to have been foretold in the Bible continues with the Christian bishop and Byzantine king saying

that he was mentioned by name and described in detail. They don't say where, of course, because it isn't there. And with 25,000 ancient Bible fragments and copious Roman books, not a word can be found anywhere to corroborate anything in this preposterous tale. The "Muhammad-was-foretold-and-described proof" is repeated a hundred times in the Qur'an and Sunnah. Yet neither Muhammad, Allah, nor their contemporaries ever identified a single supportive verse. Centuries later Muslim apologists claimed these verses were in Deuteronomy and John. I deal with those lies on page 608.

The never-ending Tradition goes on to say: *Tabari VIII:107* "Shall we be under the hands of the Arabs when we are mankind's greatest kingdom, most numerous nation, and best land?' Heraclius said, 'Then let me give him tribute each year so that I can avert his vehemence and find rest from his warfare by means of money that I give to him.' The Romans said, 'Shall we concede to the Arabs our own humiliation and abasement by a tax that they take from us?' The king said, 'Then let me make peace with him on condition that I give him the land of Syria [Israel, Jordan, and Lebanon,] and that he leave me with the land of al-Sha'm.' They replied, 'Shall we give him Syria when we know it to be the navel?' Having refused him, Heraclius said, 'You will be defeated.' He offered a farewell salutation and galloped to Constantinople."

Muhammad's letter to Amr in Negus serves as further confirmation that the prophet was as dumb as the Stone for whom he spoke. *Tabari VIII:108* "In the name of Allah, Ar-Rahman, Ar-Rahim. From Muhammad, the Messenger of Allah, to the Negus, king of the Ethiopians. May you be at peace. I praise you to Allah, the King, the Most Holy, the Peace, the Watcher, and I bear witness that Jesus the son of Mary is the Spirit and Word of Allah, which He cast into the goodly and chaste Virgin Mary, so that she conceived Jesus; whom Allah created from His Spirit and breathed into him, even as He created Adam by His hand and breathed into him, I call you to Allah alone, Who has no partner, to continued obedience to Him, and that you follow me and believe in what has come to me; for I am the Messenger of Allah. I call you and your armies to Allah."

The Ethiopians laughed themselves silly. Since the Bible claims God's name is "Yahweh" 7000 times, it can't be "Allah." Christ cannot be God's Word—virgin born, created from His Spirit, with life personally breathed into him from God, and created like Adam by God's hand—and not be God, or at least God's partner. And how does one transition from Christ being a special creation to following Muhammad and surrendering an army to him?

Confirming that he was the antithesis of Christ, Muhammad told the Ethiopians to send him a slave girl as a gift. *Tabari VIII:110* "When Abu Sufyan learned that the Prophet had married her, he said, 'That stallion's nose is not to be restrained!'"

There were other nonexistent letters to Persia, Iran, and Iraq but they're repetitive. I'm going to skip them and return to the Qur'an to see how Muhammad is using Allah. Let's begin by reviewing the 4th surah, which the "stallion" named after the women he craved. It opens with yet another version of creation: *004.001* "People! Be careful of your Lord, Who created you from a single being and

created its mate of the same (kind) and spread from these two, many men and women."

Returning to his favorite Meccan theme, the orphan wants his property returned. 004.002 "To orphans restore their property...and devour not their substance (by mixing it up) with your own. For this is a great sin." Muhammad was worried that the Meccans were devouring the assets of the Ka'aba Inc. After all, he had raided their caravans, destroying their only other source of income. And being the world's biggest hypocrite, the prophet never returned the property of the orphans he had created by killing their parents and selling them into slavery.

Since this surah was named "Women," it's only fair that men have more than one. 004.003 "If you fear that you shall not be able to deal justly with orphans, marry women of your choice who seem good to you, two or three or four; but if you fear that you shall not be able to do justice (to so many), then only one, or (a slave) that you possess, that will be more suitable. And give the women their dower as a free gift; but if they, of their own good pleasure, remit any part of it to you, eat it with enjoyment, take it with right good cheer and absorb it (in your wealth)." According to Muhammad, it's even okay to beat them until they "remit the dower of their own good pleasure."

Returning to what Muhammad craved: 004.010 "Those who unjustly eat up the property of orphans, eat up a Fire into their bodies: They will soon endure a Blazing Fire!"

Next we learn that Allah thinks that men are twice as valuable as women. 004.011 "Allah directs you in regard of your Children's (inheritance): to the male, a portion equal to that of two females.... These are settled portions ordained by Allah." 004.013 "Those are limits imposed by Allah." In future surahs and Hadiths, Team Islam would call women "half wits," too.

Muhammad was itching for a "submit and obey" verse, so...004.012 "Those who obey Allah and His Messenger will be admitted to Gardens to abide therein and that will be the supreme achievement. But those who disobey Allah and His Messenger and transgress His limits will be admitted to a Fire, to abide therein: And they shall have a humiliating punishment." In other words, if you treat women as equals, you'll burn in hell. 004.015 "If any of your women are guilty of lewdness, take the evidence of four witnesses from amongst you against them; if they testify, confine them to houses until death [by starvation] claims them. If two men among you are guilty of lewdness, punish them both. If they repent and improve, leave them alone; for Allah is Oft-Returning."

The following words, coming as they do from the most perverted sexual libertine to have ever claimed prophetic status, are hilarious: 004.023 "Prohibited to you are: your mothers, daughters, sisters; father's sisters, mother's sisters; brother's daughters, sister's daughters; foster-mothers (who gave you suck), foster-sisters; your wives' mothers; your step-daughters born of your wives to whom you have gone in, no prohibition if you have not gone in; (those who have been) wives of your sons proceeding from your loins [leaving wives of adopted sons—like his Zayd—fair game]; and two sisters in wedlock at one and the same time, except for what is past; for Allah is Oft-Forgiving. Also (prohibited are) women already married, except slaves who are captives (of war)." Rape is still okay with Rocky.

Since Muhammad's harem included countless concubines and sex slaves, this too is laughable. ^{004.027} "Allah likes to turn you, but those lost in the lusts of the flesh wish to turn away—far, far away. Allah does wish to lighten your (difficulties): For man was created weak. Believers, you should not usurp unjustly the wealth of others, except it be a trade by mutual consent, and kill not one another. If any do that in rancor and injustice, soon shall We cast them into the Fire: And easy it is for Allah." This admonition is obviously meant to prevent the growing Muslim horde from turning on itself when infidel targets become harder to find. "Plunder and kill anyone you like, except fellow pirates," the chief hypocrite said.

Some verses later, we are reminded that Muhammad was against people and that his god was mean-spirited. ^{004.041} "We brought from each people a witness, and We brought you (O Muhammad) as a witness against these people! On that day will those who disbelieve and disobey the Messenger desire that the earth were leveled with them in it, but they shall not be able to hide from Allah."

For a religion fixated on mindless ritual and against honest inquiry, this makes no sense: ^{004.043} "Believers, approach not prayers with a mind befogged or intoxicated until you understand what you utter. Nor when you are polluted, until after you have bathed. If you are ill, or on a journey, or come from answering the call of nature, or you have touched a woman, and you find no water, then take for yourselves clean dirt, and rub your faces and hands. Lo! Allah is Benign, Forgiving." While this is too weird for words, it's troubling that the Qur'an claims women are unclean and polluted—worse than dirt. It's yet another sign suggesting that Muhammad was abused.

Like so much of the Qur'an, there is no intelligent transition from the dirt bath to this attack on Jews. The entire book is random and chaotic; it is the product of a cluttered and tormented mind. ^{004.044} "Have you not considered those to whom a portion of the Book has been given? They traffic in error and desire that you should go astray. But Allah has full knowledge of your enemies. Of the Jews there are those who displace words from their (right) places, saying, 'We hear and we disobey' with a twist of their tongues they slander Faith.... Allah has cursed them for disbelief." O great Muslim scholars, if the Jews altered their scriptures to slander Islam as Allah claims, where is the evidence, the proof? What books did they alter? How did they change them? When? And why is there overwhelming evidence that they have not been changed in 2,300 years?

^{004.047} "O you People of the Book to whom the Scripture has been given, believe in what We have (now) revealed, confirming and verifying what was possessed by you, before We destroy your faces beyond all recognition, turning you on your backs, and curse you as We cursed the Sabbath-breakers, for the decision of Allah Must be executed." Let me see if I understand this. The Jews were given the Scripture Book by Allah, and the Qur'an is new. But it confirms what it condemns. So the Islamic god is going to turn the Jews on their backs and disfigure their faces while cursing them. Forget for a moment that Allah was a rock, and a dumb one at that, and that Muhammad was a sexual pervert, bloodthirsty terrorist, and a pirate; this just

isn't up to the level of scripture.

Having slimed the Jews, it was time for the dark spirit of Islam to attack Christians. 004.048 "Allah forgives not that partners should be set up with Him; but He forgives anything else, to whom He please; to set up partners with Allah is to devise a sin most heinous." If that's true, Muhammad is toast. Remember the Quraysh Bargain and the Satanic Verses? By setting up Al-Lat, Al-Uzza, and Manat as partners with Allah, his sin was heinous and unforgivable. 004.050 "Behold! how they invent lies against Allah! That is flagrant sin." Therefore, Muhammad is in hell.

Continuing to assault Christians, Allah says: 004.051 "Have you not seen those to whom a portion of the Book has been given? They believe in sorcery and false deities and say of those who disbelieve: these are better guided than those who believe. They are (men) whom Allah has cursed: And those whom Allah has cursed, you will find that they have no savior." The sorcery and false deities accusation is suicidal. Allah claims to be the God of the Bible so he's condemning himself.

Ever delusional, Muhammad's demonic sidekick is alleged to have said that Christians are envious of Muslims because of the spoils Allah had given his jihad fighters. 004.054 "Are they jealous and envious what Allah has given them of his bounty? But We had already given the house of Abraham the Book, and conferred upon them a grand kingdom. Some of them believed, and some of them averted their faces from him. And Hell is sufficient for their burning. Those who reject our Signs, We shall soon cast into the Fire. As often as their skin is burnt and singed, roasted through, We shall change it for fresh skin, so that they may go on tasting the torment." Once again, we find Allah in Hell. This time he is exchanging the skin of his Christian victims so that their torture can be extended. With every word, Allah grows more Satanic. The veil that once kept us from seeing Lucifer behind these words has been singed. We are now peering directly at Satan, the Prince of Darkness, the Whore of Babylon.

For those in churches, the media, and politics eager to embrace Islam, beware. You are dealing with the Devil, and he will kill you. It isn't by chance that hell and punishment are the Qur'an's most repeated and vivid themes. It isn't a coincidence that Allah loves death and awaits the Day of Doom. Nor is it an accident that surest path to Allah's Whore House is martyrdom—death killing Christians and Jews. There is a reason the Qur'an obliterates love, trust, peace, freedom, choice and rational inquiry, imposing in their place hate, fear, war, submission, obedience, and deception.

Since the rivers in Allah's paradise flow with wine, and the entertainment is virgins, Islamic heaven as demented as Islamic hell. 004.057 "But those who believe and do good deeds, We shall soon admit to Gardens, with rivers flowing, their eternal home: Therein shall they have pure companions."

The religion of submission is incompatible with freedom and democracy. 004.059 "Believers, obey Allah, and obey the Messenger, and those charged with authority. If you dispute any matter, refer it to Allah and His Messenger. That is best, most suitable

for final determination." There is no freedom of choice in "submit and obey." And the Hadith and Qur'an speak with one voice as it relates to the central mission of the poligious doctrine. Bukhari:V4B52N203 "I heard Allah's Apostle saying, 'He who obeys me, obeys Allah, and he who disobeys me, disobeys Allah. He who obeys the chief, obeys me, and he who disobeys the chief, disobeys me.'" Without choice there can be no democracy. There can't be a religion either, but that's another matter.

Continuing to focus on the prophet's favorite theme: 004.064 "We sent not a messenger but to be obeyed, in accordance with the will of Allah." 004.065 "But no, by the Lord, they can have no Faith until they make you (Muhammad) judge in all disputes, and find in their souls no resistance against Your decisions, and accept them with complete submission." 004.066 "If We had ordered them to sacrifice their lives or to leave their homes [to fight], very few of them would have done it: But if they had done what they were told, it would have been best for them, and would have strengthened their (faith)." 004.069 "All who obey Allah and the Messenger are the ones whom Allah has bestowed favors [war booty]."

Each time I read these passages I close my eyes in horror. The fact that the president of the United States sent America's finest men and women into harm's way to accomplish the impossible is unforgivable. There will never be freedom or democracy in any Islamic state. Sixty percent of Iraqis are Shi'ite Muslims, from which Hezbollah—Allah's Party—is formed. Thirty-five percent are Sunni Muslims. Enough will follow their prophet's and god's orders to assure two things: American's will die and democracy will fail.

I am also horrified that so few people see through this demented hoax. Islam wasn't created to lead men to a god. It was perpetrated to empower a man.

Moving on to war we learn: 004.071 "Believers, take your precautions, and advance in detachments or go (on expeditions) together in one troop. There are among your men who would tarry behind (not fighting in Allah's Cause). If a misfortune befalls you, they say: 'Allah favored us in that we were not present among them.'" 004.074 "Let those who fight in Allah's Cause sell the life of this world for the hereafter. To him who fights in the Cause of Allah, whether he is slain or gets victory—We shall give him a great reward." Jihad is all about greed. The Muslim god promises booty for those who live and paradise for those who die. It's little wonder there are so many suicide bombers selling this life for the hereafter. Sadly, they lose both.

Muhammad spoke as if he were Allah. Bukhari:V4B52N44 "A man came to Allah's Apostle and said, 'Instruct me as to such a deed as equals Jihad in reward.' He replied, 'I do not find such a deed.'" If the best thing a Muslim can do is fight Jihad in Allah's Cause then Islam is a call to war. Bukhari:V4B52N50 "The Prophet said, 'A single endeavor of fighting in Allah's Cause in the forenoon or in the afternoon is better than the world and whatever is in it.'" Jihad is, therefore, more important than all of the Five Pillars of Islam combined. Bukhari:V4B52N46 "I heard Allah's Apostle saying, 'Allah guarantees that He will admit the Mujahid [Muslim fighter] in His Cause into Paradise if he is killed, otherwise He will return him to his home safely with rewards and war booty.'" If

you die, you get heavenly booty. If you live, you get earthly booty.

Islam is a religion to die for: Bukhari:V4B52N53 "The Prophet said, 'Nobody who dies and finds Paradise would wish to come back to this life even if he were given the whole world and whatever is in it, except the martyr who, on seeing the superiority of martyrdom, would like to come back to get killed again in Allah's Cause.'" "Martyrdom," "fighting," "Allah's Cause," and "Jihad" are synonymous. Bukhari:V4B52N54 "The Prophet said, 'By Him in Whose Hands my life is! Were it not for the believers who do not want me to leave them, I would certainly and always go forth in army-units setting out for Jihad. I would love to be martyred in Allah's Cause and then get resurrected and get martyred again only to be resurrected so that I could get martyred once more.'" But like Imams today, Allah's prophet preferred to send boys out to do his dirty work.

Returning to the Qur'an, we don't miss a beat. 004.075 "What reason have you that you should not fight in Allah's Cause?" Another translation says: "What is wrong with you that you do not fight for Allah?" 004.076 "Those who believe fight in the Cause of Allah, and those who disbelieve fight in the cause of idols: So fight the allies of Satan: feeble indeed is the plot of Satan." This is why the Islamic world refers to America as the "Great Satan." And now that you know the root from which Satan was derived—Adversary—it all makes sense. America is perceived to be a nation comprised of Christians and Jews. We are Lucifer's, and thus Islam's, adversary. Islam is ugly, not complicated.

Speaking for the dark spirit of Islam, Muhammad reminds us how much he despises peaceful Muslims. He also confirms that "fear" in the Islamic sense does not mean reverence, but fright. 004.077 "Have you not seen those to whom it was said: Withhold your hands from fighting, perform the prayer and pay the zakat. But when orders for fighting were issued, a party of them feared men as they ought to have feared Allah. They say: 'Our Lord, why have You ordained fighting for us, why have You made war compulsory?'" The Qur'an ordains Muslims to fight, whether they like it or not. War is compulsory. The enemy is all non-Muslims. The timeline is forever.

Allah is going to kill the pacifists, so they might as well fight. 004.078 "Wherever you are, death will find you, even if you are in towers built up strong and high! If some good befalls, they say, 'This is from Allah;' but if evil, they say, 'This is from you (Muhammad).' Say: 'All things are from Allah.' So what is wrong with these people, that they fail to understand these simple words?" Arabs recognized that evil flowed directly from Muhammad and his dark spirit. What's more, the Qur'an agrees.

The man who folded while negotiating with a Meccan merchant claims he's Allah's messenger to all mankind. But first, Allah must contradict himself. 004.079 "Whatever good happens to you is from Allah; but whatever evil happens to you is from yourself. We have sent (Muhammad) as a Messenger to (instruct) mankind. And enough is Allah for a witness." How, pray tell, is Allah a sufficient witness? The Black Stone never spoke, performed a miracle, or issued a prophecy. This feeble attempt at scripture deserves an "F." The subject matter is ugly—overly focused on demented torments, violence, and war. The message is immoral.

The Qur'an approves thievery, murder, kidnapping, the slave trade, rape, incest, and even genocide. The book is plagiarized. And it's jumbled together without context or chronology. The Qur'an is only a witness in that it exposes the fraudulent nature of Muhammad, Allah, and Islam.

004.080 "He who obeys the Messenger obeys Allah." If it weren't for Muhammad, Allah would be unknown today. He was merely a stone to be thrown.

Next, we are reminded that prophet and pal were losing their grip. Muslims were beginning to think for themselves. 004.081 "They have obedience on their lips; but when they leave you (Muhammad), a section of them plots things that are very different from what you commanded them. So keep clear of them." The reason the first Muslims feigned support was obvious. It's the same reason the vast majority of Germans and Russians pretended to be Nazis and Communists. Dissent was met with imprisonment and death. And this is why we must care enough about "bad" Muslims to free them from "good" ones.

004.082 "Do they not consider and ponder the Qur'an? Had it been from other than Allah, they would surely have found therein much discrepancy and incongruity." The 78th verse says: "All things are from Allah." The 79th contradicts it saying: "Whatever good happens to you is from Allah; but whatever evil happens to you is from yourself." The Qur'an is so rife with contradictions, it has a verse explaining how to deal with them. "Whenever We cancel a verse or throw it into oblivion, We bring one which is better." That's why the "book" warns: "Do not question the Qur'an. There was a party of you who questioned it and as a result, they lost their faith."

Much of the Qur'an was anachronistic—only pertaining to Muhammad, focusing on his critics, his sexual indulgences, his financial appetite, and lust for power. Muslims are ordered to submit and obey a dead man. This next verse is one of a thousand examples. 004.083 "When there comes to them some matter regarding war, they discuss it. If only they had referred it to the Messenger, or to those charged with authority, the proper investigators would have understood it. Were it not for the grace of Allah, most of you would have fallen into Satan's clutches." Along these lines the Noble Qur'an references this Hadith: Bukhari:V9B92N384 "Allah's Apostle said, 'Whoever obeys me will enter Paradise, and whoever disobeys me will not.'"

Muhammad's never-ending war marched on. 004.084 "Then fight (O Muhammad) in Allah's Cause—you are only responsible for yourself. Incite the believers to fight along with you." How can there be no contradictions in the Qur'an if five verses earlier we read: "We have sent (Muhammad) as a Messenger to mankind," and now he's "only responsible for himself?" And how can Islam be peaceful if its scripture says: "Incite the believers to fight along with you?"

The pacifist uprising became so severe, the peaceful Muslims had to be kicked out of the way. 004.088 "What is the matter with you that you are divided about the Hypocrites? Allah has cast them back (causing their disbelief). Would you guide those whom Allah has thrown out of the Way? For those whom Allah has thrown aside and led astray, never shall they find the Way." Once again, we see Allah imitating Satan.

004.089 "They wish that you would reject Faith, as they have, and thus be on the same footing: Do not be friends with them until they leave their homes in Allah's Cause. But [and this is a hell of a but...] if they turn back from Islam, becoming renegades, seize them and kill them wherever you find them." The book that preached: 002.256 "There should be no compulsion in religion," just said "if they turn back from Islam, becoming renegades, seize them and kill them wherever you find them." If that isn't a contradiction, the word needs to be redefined.

This verse is among the most heinous ever attributed to god. It is the reason Islam has managed to enslave a billion people. If a Muslim rejects Islam, he is labeled a renegade, and must be seized and killed on direct orders from Allah. It's hard to imagine a dogma—religious or political—so unappealing it has to murder those who leave, just to keep others in line.

Moving on we find Muhammad attempting to justify his cowardice, capitulation, and abdication at Hudaibiyah. Allah says the treaty was an interim strategy designed to deceive the enemy—to lull them into a false sense of peace. 004.090 "Except those who join a group between you and whom there is a treaty, or (those who become) weary of fighting you. If Allah had willed, He could have given them power over you, and they would have fought you. Therefore if they withdraw from you and wage not war, and send you (guarantees of) peace, then Allah has not given you a way (to war) against them." The purpose of terror is to cause people to become so "weary of fighting" they surrender. That's what is happening in Israel today.

But if a people desiring peace are perceived to be mischievous, Allah commands his militants to kill them. 004.091 "You will find others who, while wishing to live in peace and being safe from you to gain the confidence of their people; thrown back to mischief headlong; therefore if they do not withdraw from you, and offer you peace besides restraining their hands, then seize them and kill them wherever you find them; and against these We have given you a clear sanction and authority." So if you wish to live in peace, but are perceived as being mischievous (i.e., non-Muslim), Allah has given his Jihad warriors "a clear sanction and authority to seize and kill" you.

Islam is an equal opportunity hater. Even today, "good" Muslims fight and kill more "bad" Muslims than they do infidels. As such, they must be either accident prone or mistaken. 004.092 "Never should a believer kill a believer unless (it be) by mistake." 004.093 "If a man kills a believer intentionally, he will be cast into Hell, to abide therein. The wrath, damnation, and curse of Allah are upon him, and a dreadful penalty is prepared for him."

For the hundredth time we are reminded that "Allah's Cause" is "Holy War," better known as "Jihad." 004.094 "Believers, when you go abroad to fight wars in the Cause of Allah, investigate carefully, and say not to anyone who greets you: 'You are not a believer!' Coveting the chance profits of this life (so that you may despoil him). With Allah are plenteous spoils and booty." Muhammad has bribed his mercenaries to fight for booty. He has demonstrated how easy it is to rob unarmed civilians. So now he is afraid that Muslims will loot everyone they meet. While loot is

fine, according to Allah, there is more to destroying a man than just plundering his possessions. Muhammad and Allah were looking at the bigger picture. A world submissive to them was a far greater prize.

“Good” Muslims fight. 004.095 “Not equal are believers who sit home and receive no hurt and those who fight in Allah’s Cause with their wealth and lives. Allah has granted a grade higher to those who fight with their possessions and bodies to those who sit home. Those who fight He has distinguished with a special reward.” A Muslim Hadith explains the verse: Muslim:C40B20N4676 “Believers who sit home and those who go out for Jihad in Allah’s Cause are not equal.” Fundamental Islam, the Islam of Allah, Muhammad, and the Qur’an preaches Jihad. Islam was born violent and weaned on blood.

Muhammad may have felt a momentary twinge of guilt for having banished the Jews. So he had his god say that that the earth was big and the Jews ought to have migrated out of Medina on their own. But since they didn’t, they’re off to hell. 004.097 “Surely those whom the angels cause to die while they are wrong, shall say: ‘In what plight were you?’ They say: ‘We were weak in the earth.’ ‘Was not Allah’s earth spacious, so that you should have migrated?’ So their abode is hell, an evil resort.” The prophet’s last words were: “Banish the Jews from Arabia.”

Allah wants Jihadists to live off the land. 004.100 “He who leaves his home in Allah’s Cause finds abundant resources and many a refuge. Should he die as a refugee for Allah and His Messenger his reward becomes due and sure with Allah. When you travel through the earth there is no blame on you if you curtail your worship for fear unbelievers may attack you. In truth the disbelievers are your enemy.” Either fighting is more important than religion or this religion is about fighting. But either way, that’s disconcerting because Muslims see all non-Muslims as their enemy.

In Islam, religion and war are inseparable. 004.102 “When you (Prophet) lead them in prayer, let some stand with you, taking their arms with them. When they finish their prostrations, let them take positions in the rear. And let others who have not yet prayed come—taking all precaution, and bearing arms. The Infidels wish, if you were negligent of your arms, to assault you in a rush. But there is no blame on you if you put away your arms because of the inconvenience of rain or because you are ill; but take (every) precaution. For the Unbelieving Infidels Allah hath prepared a humiliating punishment.” Translated: Thugs who murder for god and booty need to watch their backs. After a while, such thugs become known as terrorists—and people start disliking them.

Islam’s war is never-ending. 004.104 “And do not relent in pursuing the enemy. If you are suffering hardships, they are suffering similar hardships; but you have hope from Allah, while they have none.” So long as Islam exists they will never relent.

Religions empower men, giving them authority over others. 004.115 “If anyone contradicts or opposes the Messenger [not Allah] after guidance has been conveyed to him, and follows a path other than the way [of Muhammad], We shall burn him in Hell!”

Trying to make amends for the Satanic Verses, Muhammad recited: 004.116 “Surely Allah does not forgive setting up partners with Him; and whoever associates anything with Allah, he indeed strays off into remote error. They call but upon female deities.

They call but upon Satan, the persistent rebel!" Muhammad admitted to having been duped by Satan. His crime was associating "female deities" with Allah. Since such sins are unforgivable, I wonder if he's enjoying hell as much as Allah seems to? And while this is a fatal problem for Islam, Muhammad didn't learn his lesson. Rather than calling Allah's daughters "idols" or "false gods," he just called them "deities" again.

Allah is the spirit of deceit. 004.118 "Allah did curse him. He said: 'I will mislead them, and I will create in them false desires; I will order them to slit the ears of cattle, and to deface the (fair) nature created by Allah.' Whoever, forsaking Allah, takes Satan for a patron, they are a loser. Satan makes them promises, and creates in them false desires; but Satan's promises are nothing but deception. (His dupes) will have their dwelling in Hell, and from it they will find no way of escape." Satan doesn't create false desires; he preys on carnal and vain desires. He defaces mankind, not cattle. But since Islam is war and war is deception, how are Muslims to differentiate between Allah and Satan?

In a line that would feel equally at home in the Communist Manifesto, Mao's Little Red Book, or Mein Kampf, Allah instructs Muslims to rat on their parents. 004.135 "Believers, stand out for justice as witnesses for Allah even against yourselves, your parents, your family, and relatives whether it be against rich or poor.... Allah is aware of what you do." This verse serves godless tyrants and their regimes. It's neither civil nor religious. But it helps us understand why Islam and Nazism embraced and why Muslims later aligned themselves with Communists.

Putting himself on par with the god he created, Muhammad tells Muslims to believe in him. 004.136 "O Believers! Believe in Allah and His Messenger, and the Scripture which He has sent to His Messenger, and the Scripture which He revealed to those before. Any who denies Allah, His angels, His Books, His Messengers, and the Day of Judgment, hath gone far astray." Setting aside for a moment that he was a pervert and a terrorist, how are Muslims to believe in the "scripture revealed before" if it is the antithesis of the "scripture revealed to Muhammad?" And if there was an "uncorrupted" version of the Torah, Psalms, and Gospels, why didn't the Allah/Muhammad brain trust provide Muslims with a copy?

It's evident that Muhammad lost his grip on the Medina Muslims. Many came to think as little of him as the Meccans had before. 004.137 "Those who believe, then reject faith, then believe and reject faith, and go on increasing in unbelief, Allah will never pardon them, nor guide them. To the Hypocrites give the glad tidings that there is for them a grievous penalty, a painful doom." The "glad tidings" line is especially perverted. It reveals Muhammad's deeply disturbed character.

004.140 "You have been commanded in the Book that whenever you hear Verses of Allah denied, derided, ridiculed, or mocked [as is the only reasoned response], do not sit with them and engage them in this talk or you will be no different from them. Indeed, Allah will collect the Hypocrites and Infidels together and put them all in Hell." Those who heard Muhammad's feeble, immoral, and violent "scriptures" directly from his lips

denied, derided, ridiculed, and mocked them. So Muhammad banned debate. Even to this day, any Muslim who criticizes Islam is imprisoned or murdered.

If Islam were open to scrutiny there would be no Muslims. To survive, the poligious doctrine requires its tyrannical dictators to use draconian measures to repress freedom of thought, debate, speech, press, and religion. It's why Islam is wholly incompatible with freedom and democracy. It is why Islamic governments are the most repressive regimes on earth. Islam thrives in submission and ignorance. Therefore, we must defy this ungodly ban and free Muslims from Islam if we hope to free ourselves from the terror it breeds. And the best way to free billions from this lie is to expose it. Truth is lethal to Islam. William Muir, a man considered to be one of Islam's foremost scholars, agrees: "The Qur'an is the most stubborn enemy of Civilization, Liberty, and Truth which the world has yet known."

Those who knew Muhammad best rejected him. They only feigned belief in order to avoid being killed by his goons. 004.142 "The Hypocrites try to deceive Allah, but it is He Who deceives them. When they stand up performing the prayer, they stand sluggishly, to be seen, but they are mindful of Allah but little. (They are) distracted in mind even in the midst of it, swaying between this and that, one group or the another. Those who Allah causes to go astray and err will not find a way. Believers, take not for friends unbelieving infidels rather than believers [because rational thought is contagious]. Do you want to offer Allah an open proof against you? The Hypocrites will be in the lowest depths of the Fire." There's a lot of bad stuff in this passage. First, "Allah deceives." "Those who Allah causes to go astray and err will not find a way." We've been bombarded with this concept so often we've become callous to its implications. God by his very nature is incapable of deceit. The moment he becomes dishonest, he ceases to be good. If God is not true, there is no value in knowing him. And since the Islamic god deceives and leads men astray he can never be trusted, as there is no way of knowing when he is lying.

Second, dogmas that require their subjects to feign support in order to avoid death and imprisonment are acknowledging defeat. They are admitting that given the freedom to choose, people would opt out of their repressive regime.

Third, hypocrites are defined as Muslims who don't obey the messenger's orders to leave their homes to fight in Allah's Cause. In this verse the pacifists have descended a notch. They have gone from being "the most vile of animals," to "the lowest depths of the fire." If you are a "peace-loving" Muslim, you may want to find a new religion. You're in a lose-lose situation. If Islam is true, you're going to hell. If Islam isn't true, you're being deceived.

Lastly, truth is so devastating to Islam, association with non-Muslims must be prohibited and condemned. Violating this restrictive order provides "open proof" that Muslims are not sufficiently submissive.

This next verse has an odd beginning. 004.147 "What can Allah gain by your punishment..." I don't know, and the verse doesn't say. But it's a good question.

The Islamic world seems to have ignored this one: 004.148 "Allah does not love the public utterance of hurtful, harsh speech unless (it be) by one to whom injustice has been done." I guess every Muslim in every Islamic hate parade feels that he or she has been injured. Fact is, they have: but only by Muhammad and Islam.

Returning to those pesky "bad" Muslims... 004.150 "Those who deny Allah and His Messengers, and (those who) wish to separate Allah from His Messengers, saying: 'We believe in some but reject others:' And (those who) wish to take a course in between; They are the real unbelievers; and we have prepared for unbelievers a humiliating punishment, a shameful doom." Methinks our boy doth protest too much. He's losing control, and it shows. The first Muslims, those who had the "benefit" of Muhammad's preaching, had to be threatened to swallow the bitter hatred, violence, and immorality of Islam. They knew that there was something very, very wrong with the medicine he was dispensing.

It appears that the fine folks of Medina asked for a little proof, a miracle perhaps, to show that these situational "scriptures" were from God, not merely Muhammad. 004.153 "The people of the Book ask you to cause (an actual) book to descend to them from heaven. Indeed they asked Moses for an even greater (miracle), for they said: 'Show us Allah in public,' but they were dazed for their presumption. Allah's storm of thunder and lightning seized them for their wickedness." In other words, "No miracles for you. And if you ask again, my god is going to frighten you with a thunderstorm like Moses' God did on Mt. Sinai."

As an aside, the request for an actual book was astute. Not a word of the Qur'an had been scribed on a scroll. The Qur'an was little more than a stream of situational recitals thinly disguised to serve Muhammad's agenda.

The next series of verses attacks Jews and assails Christ's mission. In the 154th verse the Covenant was described as "the raising of the Mount over the Jews," and them becoming Muslims by "prostrating themselves in submission." In the 155th verse Jews were condemned for "killing the Prophets unjustly." Then in the next they were berated for "uttering a grave false charge of illegal sexual intercourse against Mary." Yet in the 157th Allah contradicts history when he has Jews say: "'We killed the Messiah, Jesus, son of Mary,' but they killed him not, nor crucified him. But it appeared so to them (as the resemblance of Jesus was put over another man and they killed that man). Nay, Allah raised him up unto Himself. Those who differ with this version are full of doubts. They have no knowledge and follow nothing but conjecture. For surely they killed him not."

As we ponder why Muhammad would lie about such a thing, we must deal with the preposterousness of the allegation. Six hundred years after the single most life- and civilization-altering event in human history, an illiterate and immoral Arab terrorist said it didn't happen and that any who differ have no knowledge. That's like the Soviets saying that Americans didn't walk on the moon simply because the truth didn't fit their agenda. The evidence for Christ's crucifixion is overwhelming. You can argue that he wasn't divine or

that he wasn't resurrected but not that he didn't die on a cross believing that he was sacrificing himself for our sins. For that matter, you can't say that "Jesus" was a prophet, or even a great moral teacher, but wasn't God, because he claimed to be God. If he wasn't God, he was a fool at best and more likely a lunatic and charlatan. Moreover, the Jews never claimed to have "crucified the Messiah" because: (a) the Romans crucified him, and (b) the Jewish clerics who wanted him dead didn't recognize him as the Messiah. Simply stated, the Qur'an's position is impossible, and thus it is untrue.

Muhammad's motivation, however, was transparent. If Christ's sacrifice on the cross reconciled man with God, the Arab prophet was irrelevant. If even one percent of the Gospel account was accurate, Muhammad was a complete fraud, the most vile liar to have ever lived. And then there was Muhammad's boss, Lucifer. If Christ was not crucified, he killed two birds with one stone. Judaism and Christianity were destroyed. Psalm 22 begins with the Messiah's last words on the cross. It then describes the torment of crucifixion in excruciating detail, five hundred years before the Assyrians invented it. Yet we are told that the Messiah's sacrifice was for all time, applying to those who were yet unborn. It says that all would eventually come to serve him as God.

Isaiah 53 is equally specific. Speaking of the importance of the Messiah's sacrifice, the prophet proclaimed: "He was pierced for our transgressions, crushed for our iniquities, and chastised for our well being. By his scourging we are healed. All of us like sheep have gone astray, each of us has turned to his own way; but Yahweh has caused the iniquity of us all to fall upon him." If that didn't happen as predicted outside the walls of Jerusalem on Passover, Yahweh is a liar and there is no savior. Since God cannot lie, Yahweh would not be God and the Messiah would be irrelevant. It's Satan's ultimate fantasy. By deceiving us he achieves his agenda, which is our damnation.

Skipping ahead, we rediscover Allah's dependence on Jews for meaningful Qur'anic content. 004.163 "We have sent you inspiration, as We sent it to Noah and the Messengers after him. We sent inspiration to Abraham, Ishmael, Isaac, Jacob and the [twelve Jewish] Tribes, to Jesus, Job, Jonah, Aaron, and Solomon, and to David We gave the Psalms. Of some messengers We have already told you the story; of others We have not; and to Moses Allah spoke directly." Funny thing, though; Moses didn't mention Allah. Nor did any of the other "messengers." I wonder why?

Then, demonstrating his disdain for those he plagiarized, Muhammad said on behalf of Allah: 004.168 "Those who reject [Islamic] Faith and deal in wrong, Allah will not forgive them nor guide them to any path except the way to Hell, to dwell therein forever. And this to Allah is easy." Regurgitating Lucifer's hatred for Jews and Christians was the easiest thing Allah ever did. Leading mankind astray and directing us to hell was all in a day's work for the demented spirit of Islam.

Then the terrorist pirate and immoral libertine said: 004.171 "O People of the Book! Do not exaggerate in your religion; nor speak lies of Allah. The Messiah, Christ

Jesus, the son of Mary was (no more than) a messenger of Allah, and His Word, which He bestowed on Mary, and a Spirit proceeding from Him. So believe in Allah and His messengers. Say not 'Trinity.' Cease and Desist: (it is) better for you: for Allah is one Ilah (God). (Far it is removed from him of) having a son. To Him belong all things in the heavens and on earth. And enough is Allah as a Disposer of affairs. The Messiah is proud to be a slave of Allah, as are the angels, those nearest. Those who disdain His worship and are arrogant. He will gather them all together unto Himself to (answer)... He will punish with a painful doom; Nor will they find, besides Allah, any to protect or save them." That was ugly. Not only does Allah demote Christ and rebuke the Trinity, he claims to be the lone God of Creation. The only thing needed to make Satan's wish list complete was to gather Christians and Jews together and roast them in hell.

The word's most heinous hater of Jews and Christians went on to say that the Messiah will condemn them: 004.159 "And there is none of the People of the Book but will believe in him (Jesus as only a messenger of Allah and a human being) before his (Jesus') death. He will be a witness against them."

004.160 "For the iniquity of the Jews We made unlawful for them certain (foods) in that they hindered many from Allah's Way, that they took usury, though they were forbidden, and that they devoured men's wealth on false pretenses, We have prepared for those among them who reject [Islamic] Faith a painful doom." Stunning! The Jews are being condemned to hell for charging interest on loans they made to the Muslims in Medina. Yet the Muslims who stole their homes, robbed their businesses, confiscated their land, slaughtered their men, raped their women, and sold their children into slavery are in paradise conquering virgins.

Based upon this I think it's fair to say that Islam is without peer. It's the most dimwitted, deceitful, demonic, intolerant, immoral, and violent dogma ever perpetrated on mankind.
